1944 CHAPTER 31

PART V

SUPPLEMENTAL.

108 Power to facilitate commencement of Part II.

- (1) Without prejudice to any powers exercisable under section thirty-seven of the Interpretation Act, 1889, the Minister may exercise, and may authorise or require any local education authority, former authority, or other person or body of persons, to exercise during the period before the date on which Part II of this Act comes into operation any functions, which will, on or after that date, become exercisable by him or them under any provision of this Act, in so far as the exercise of those functions during that period is, in his opinion, necessary or expedient for securing that that Part may be brought into operation without delay or for preventing difficulties in the operation of that Part after the date aforesaid.
- (2) The Minister shall, in exercise of the power conferred by the last foregoing subsection, constitute any joint education boards and secure the constitution of any education committees and sub-committees and of any divisional executives which are, in his opinion, essential for the initial operation of the said Part II.
- (3) If the Minister is satisfied that it is necessary to make an order under this subsection by reason of time being required after the commencement of the said Part II for enabling adequate provision to be made for a supply of teachers or of school accommodation sufficient to meet the needs of children between the ages of fourteen and fifteen years, he may by order direct that, while the order remains in force, section thirty-five of this Act shall have effect as if for references therein to fifteen there were substituted references to fourteen and section forty-three of this Act shall have effect as if for the reference therein to the date of the commencement of the said Part II there were substituted a reference to the date of the expiry of the order:

Provided that, if any order made under this subsection is still in operation at the expiration of the period of two years after the commencement of the said Part II, the order shall then cease to have effect.

109 Power of Minister to authorise local education authorities to provide temporary assistance for voluntary schools.

If upon representations made to him by any local education authority the Minister is satisfied that by reason of difficulties arising out of war conditions or out of conditions occasioned by the coming into operation of Part II of this Act temporary accommodation for children who are, or whose parents desire them to be, registered pupils at any voluntary school is required until permanent accommodation can be provided for them by the managers or governors of the school in accordance with the development plan for the area, the Minister may authorise the local education authority to provide, or assist in providing, such temporary accommodation in accordance with arrangements approved by him, so, however, that any such authorisation shall be withdrawn as soon as there has, in the opinion of the Minister, been sufficient opportunity for permanent accommodation for such pupils to be provided by the managers or governors of the school.

110 Power of Minister to adjust variations of rates consequent upon commencement of Part II.

If it appears to the Minister that the transfer by this Act to the local education authority for any county of functions formerly exercisable by the council of any county district is likely to bring about in the county excessive variations in the incidence of rates during the period immediately following the commencement of Part II of this Act, he shall, if application is made to him in that behalf either by the local education authority or by any such council, cause an investigation to be made in accordance with the provisions of Part I of the Seventh Schedule to this Act, and, subject to the provisions of Part II of that Schedule, may make an order for the county under the powers thereby conferred.

111 Revocation and variation of orders and directions.

Any order made or directions given by the Minister, the Minister of Health, or a local education authority under the provisions of this Act may be varied or revoked by a further order or further directions made or given by the Minister, the Minister of Health, or that authority, as the case may be :

Provided that where the power to make or give any such order or directions is exercisable only upon the application or with the consent of any person or body of persons, or after consultation with any person or body of persons, or otherwise subject to any conditions, no order or directions made or given thereunder shall be varied or revoked except upon the like application, with the like consent, after the like consultation, or subject to the like conditions, as the case may be.

112 Regulations to be laid before Parliament.

All regulations made under this Act shall be laid before Parliament as soon as may be after they are made, and if either House of Parliament, within the period of forty days beginning with the day on which any such regulations are laid before it, resolves that the regulations be annulled, the regulations shall cease to have effect, but without prejudice to anything previously done thereunder or to the making of any new regulations.

In reckoning any such period of forty days, no account shall be taken of any time during which Parliament is dissolved or prorogued or during which both Houses are adjourned for more than four days.

113 Notices.

Any notice required or authorised by this Act to be served upon any person may be served by delivering it to that person, or by leaving it at his usual or last known place of residence, or by sending it in a pre-paid letter addressed to him at that place.
