When the Commissioners are satisfied that the improvements sanctioned by them, or some part thereof, have been properly executed, either according to the specifications and plans or drawings approved of by them, or with such deviations therefrom as in their judgment will not diminish the permanent benefit accruing from such improvements to the lands wherein they have been made, they shall execute a charge under their hands and seal upon the inheritance or fee of the lands comprised in the provisional or other sanctioning order, or some sufficient part thereof, for the sum by the same order expressed to be chargeable in respect of such improvements, if all the said improvements have been completed, or for a proportional part of such sum, if a part only of the said improvements has been executed, together, in either case, with the interest by the same order expressed, and with the amount (if any) which shall have been paid in respect of the purchase of adjoining lands, or of any easement, authority, or right in, through, over, or affecting adjoining lands, with interest thereon at the like rate.

**50 Expenses of application and certain contracts, may be included in charge.**

If the landowner is desirous that the inheritance or fee of the lands improved should be charged with the expenses of and incident to his application to the Commissioners, or his contract with any company or person relating to the execution of the improvements, or to the advance of money for their execution, the Commissioners may ascertain the amount of the costs, charges, and expenses properly incurred preparatory or in relation to and consequent on such contract, and the application to the Commissioners or either of them, and may include in the principal money charged on the inheritance or fee of such lands the amount of such costs, charges, and expenses, and of the settled or taxed costs, if any, which a court or judge shall have ordered as aforesaid to be deemed and taken to be part of the expenses of and incident to the application for improvements,
