

Tramways Act 1870

1870 CHAPTER 78 33 and 34 Vict

PART II

Construction of Tramways

[^{F1}31 For protection of sewers, &c.

Where in any district any tramway or any work connected therewith interferes with any sewer, drain, watercourse, subway, defence, or work in such district, or in any way affects the sewerage or drainage of such district, the promoters shall not commence any tramway or work until they shall have given to the proper authority fourteen days previous notice in writing of their intention to commence the same, by leaving such notice at the principal office of such authority with all necessary particulars relating thereto, nor until such authority shall have signified their approval of the same, unless such authority do not signify their approval, disapproval, or other directions within fourteen days after service of the said notice and particulars as aforesaid, and the promoters shall comply with and conform to all reasonable directions and regulations of the said authority in the execution of the said works, and shall provide by new, altered, or substituted works, in such manner as such authority shall reasonably require, for the proper protection of and for preventing injury or impediment to the sewers and works herein-before referred to, or by reason of the tramways, and shall save harmless the said authority against all and every the expense to be occasioned thereby; and all such works shall be done under the direction, superintendence, and control of the engineer or other officer or officers of the said authority, at the reasonable costs, charges, and expenses in all respects of the promoters; and when any new, altered, or substituted work as aforesaid, or any works or defence connected therewith, shall be completed by or at the costs, charges, or expenses of the promoters under the provisions of this Act, the same shall thereafter be as fully and completely under the direction, jurisdiction, and control of the said authority and be maintained by them as any sewers or works.]
