

Public Health Act 1875

1875 CHAPTER 55

PART VI

RATING AND BORROWING POWERS, &C.

EXPENSES OF URBAN AUTHORITY AND URBAN RATES.

General Provisions as to Urban Rates.

224 Power to make deduction from rate in certain cases.

Where it appears to an urban authority that any premises were sufficiently drained before the construction of any new sewer laid down by them, they may deduct from the amount of rates otherwise chargeable in respect of such premises such a sum for such time as they may under all the circumstances of the case deem just.
