

SECOND SCHEDULE

(Regulation 9)

PROTECTIVE CLOTHING

(1) Protective clothing shall be provided by the occupier in pursuance of Regulation 9 for the use of all persons employed in the processes or work included in column (a) of the table below and the clothing provided shall (subject to paragraphs (3) and (4) below) be that indicated opposite the respective processes or work in columns (b), (c), (d), and (e) of that table.

(2) For the purposes of the table below:—

“WO” means washable overalls, and includes overalls of the “bib and brace” type and the garments usually known as “potter’s slaps.”

“WA” means washable aprons with bibs.

“IA” means aprons with bibs and made of material impervious to water.

“WH” means washable head coverings.

(3) For persons employed in any process or work for which washable aprons with bibs are required under column (c) of the table below, the occupier may instead provide either:—

(i) washable overalls, or

(ii) aprons with bibs and made of material impervious to water,

and shall provide such overalls or aprons, as the case may be, if the Inspector for the District has issued and there remains in force a certificate in respect of a factory or a particular part of a factory that they are in his opinion needed having regard to the conditions under which the process or work is carried on in that factory or that particular part of it.

(4) For persons employed in any process or work for which impervious aprons are required under column (d) of the table below and for which washable overalls are not required under column (b) of that table, the occupier shall provide such overalls in addition to the aprons if the Inspector for the District has issued and there remains in force a certificate that overalls are in his opinion needed having regard to the conditions under which the process or work is carried on in the factory to which the certificate relates.
