**2. Transport Charges**

The maximum prices prescribed by this Order are fixed on the basis that all transport charges after sale by the grower "ex-farm" are for the account of the ultimate buyer, and accordingly there may be added to such maximum prices all transport charges after sale by the grower "ex-farm"; provided that the charges so added shall not exceed any reasonable amounts actually and properly paid or payable and any other reasonable sums representing transport costs properly incurred.

(b) any charge made by way of deposit shall be repaid by the seller to the buyer on the re-delivery by the buyer of the sack (carriage paid) in such condition as is reasonable having regard to its condition when supplied and to ordinary wear and tear.

(2) Where the seller provides non-returnable sacks, other than M.A.F. sacks, the seller may make a charge for each sack at a rate not exceeding 1s. 6d. per cwt. of the contents sold, or, in the case of a sale of less than 1 cwt., at a rate not exceeding 1s. 9d. per cwt.

Provided that no such charge may be made on a sale by a grower or where the dredge corn has been taken into the seller's store for the purpose of processing.
