

FIRST SCHEDULE

THE MISCELLANEOUS MINES (GENERAL) REGULATIONS, 1956, HAVING EFFECT AS IF MADE UNDER SECTION ONE HUNDRED AND FORTY-ONE OF THE MINES AND QUARRIES ACT, 1954

PART III

Inspections of the mine

4. In every mine a competent person appointed for that purpose by the manager shall—
 - (a) during every ordinary mineral-getting shift, inspect every working place and every road (not being an outlet) in any part of the mine in which any person works during that shift and every road (not being an outlet) in any other part of the mine being a road along which any person has to pass during that shift;
 - (b) during every day on which mineral is gotten, inspect any walkable outlet or ladder-way which has to be used by any person during that day;

for the purpose of ascertaining the condition thereof in regard to ventilation, state of roof and sides and general safety.

5. In every mine a competent person appointed for that purpose by the manager shall at intervals not exceeding seven days inspect thoroughly the state of every shaft, staple-pit and unwalkable outlet used as a means of ingress or egress.

6.—(1) In every mine a competent person appointed for that purpose by the manager shall at intervals not exceeding three months travel the whole length of any way affording to persons employed at any place means of ingress and egress, being a way which is not ordinarily used by any person, for the purpose of ascertaining whether it is traversable with safety and reasonable convenience.

(2) In every mine a competent person appointed for that purpose by the manager shall at intervals not exceeding thirty days inspect all accessible parts of each airway of the mine.
