PART II

THE OVERSEAS LIST

4. A person shall be treated as residing overseas for the purposes of the Act of 1969 and of any Regulations made thereunder if he satisfies the Registrar that at the time of making application for inclusion in or for the restoration of his name to the Overseas List—

(a) he resides outside the United Kingdom, the Republic of Ireland, the Channel Islands, and the Isle of Man, and

(b) he intends to remain so resident for at least one year.

5. A fully or provisionally registered person shall not be entitled to be included in the Overseas List unless—

(a) he is to be treated as residing overseas under the provisions of Regulation 4; and

(b) he makes an application in the manner prescribed in Form A in the Schedule to these Regulations, and gives the undertaking prescribed in the said Form A that he will inform the Registrar if at any time he ceases to be entitled to be included in the Overseas List, as provided for in Regulation 6.

6. A person who is included in the Overseas List shall cease to be entitled to be included therein if at any time he enters the United Kingdom or the Republic of Ireland or the Channel Islands or the Isle of Man and either—

(a) remains there for a period of more than three months; or

(b) renders while there any service as a medical practitioner for gain.

7. The Registrar shall transfer from the Overseas List to the Principal List the name of any person who applies to have his name so transferred, and who pays such fee (if any) as may be due from him, in connection with such transfer, under the provisions of Regulations made under section 5 of the Act of 1969.

8.—(1) Where it appears to the Registrar that a person who is included in the Overseas List has ceased to be entitled to be included therein, and where that

(a) 1889 c. 63,

person has not applied for his name to be transferred to the Principal List, and paid the fee, if any, which is due from him in connection with such transfer, the Registrar shall cause to be sent to that person at his registered address and at his last known address, if this is different from his registered address, a letter setting out the ground on which it appears to the Registrar that the person has ceased to be so entitled and stating that, unless the person can, within a period of 14 days from the date of issue of the letter, satisfy the Registrar that he continues to be entitled to be included in the Overseas List, his name may be erased from that List. The Registrar shall also, if appropriate, invite the person concerned to apply for the transfer of his name to the Principal List.

(2) Where within the period specified in paragraph (1) the Registrar has not been satisfied that the person continues to be entitled to be included in the Overseas List, the Registrar may then erase the name of the person from the Overseas List.

(3) On erasing the name of a person from the Overseas List under the provisions of paragraph (2), the Registrar shall notify the person in writing at his registered address and at his last known address, if this is different from his registered address, of such erasure, and of the ground on which the name has been erased, and shall inform him of his right of appeal under paragraph (4).

(4) A person whose name has been erased from the Overseas List under the provisions of paragraph (2) may appeal against such erasure, by letter addressed to the Registrar, within three months of the date of issue of the notification of such erasure referred to in paragraph (3). The statement of appeal shall contain a concise statement of the facts and contentions on which the appellant bases his appeal.

(5) The Registration Committee shall consider and determine such appeals. Before reaching such a determination the Committee may cause such investigation (if any) of the appellant's conduct to be made as they think fit and may invite the appellant or any other person to furnish them with information either in writing or orally and in person before the Committee. If the appellant shall request an oral hearing, the Committee shall accede to that request. The appellant may be legally represented at such a hearing.

(6) The Registrar shall notify the appellant in writing at his registered address and at his last known address, if this is different from his registered address, of the decision of the Committee.

(7) If the Registration Committee so direct, the Registrar shall immediately restore the name of the appellant to the Overseas List.

10.—(1) Any person whose name has been erased—

(a) from the register by virtue of section 3(5) of the Act of 1969, or

(b) from the register by virtue of Regulations made under section 5(2) of the Act of 1969, or

(2) If it appears to the President, or the Treasurer as the case may be, that a question arises whether the name of the applicant shall not be restored to the Principal List or to the Overseas List as the case may be or shall not be restored forthwith, he may direct the Registrar to write to the applicant,

(a) informing him of the ground on which it appears that such question arises and, if the ground relates to the alleged conduct of the applicant, giving particulars of the conduct in question; and

(b) informing the applicant of the date of the next meeting of the Executive Committee, and inviting him to forward in writing any statement or evidence in support of his application.

(3) Subject to the foregoing provisions of this Regulation the President, or the Treasurer as the case may be, may refer the application to the Executive Committee, and the application shall then be considered and determined by that Committee. Before coming to a determination the Committee may adjourn the consideration to a future date, and cause such investigations of the conduct of the applicant to be made as they consider fit, and for this purpose the Committee may invite the applicant or any other person to furnish them with information, either in writing or orally and in person before the Committee. If the applicant requests to be heard on his application the Committee shall accede to such request. The applicant may be legally represented if he so desires.

(4) The Executive Committee may if they think fit direct the name of the applicant to be restored to the Principal List or the Overseas List as the case may be and if they so direct, the Registrar shall so restore it.

(5) The Registrar shall notify the applicant in writing at his last known address of the determination of the Committee in such terms as the Committee may direct.
