## EXPLANATORY NOTE

*(This Note is not part of the Regulations.)*

These regulations further amend the provisions of the Grant-Aided Secondary Schools (Scotland) Grant Regulations 1959, empowering the Secretary of State to pay to the Managers of secondary schools not managed by education authorities grants in aid of their expenditure on the maintenance of the schools.

The regulations re-enact the provisions of the 1969 amendment regulations regarding the payment to the Managers of each school, or group of schools, of the amounts specified in the third column of the schedule to those regulations. They also give the Secretary of State power to increase, within prescribed limits, the amount of grant in any year for a particular school, or group of schools, to take account of increases since October 1969 in the level of costs affecting the maintenance of the school.
