The Lords Commissioners of Her Majesty's Treasury, by virtue of the powers conferred on them by sections 1, 3(6) and 13 of the Import Duties Act 1958(a), as amended by section 5(5) of, and paragraph 1 of Schedule 4 to, the European Communities Act 1972(b), and of all other powers enabling them in that behalf, on the recommendation of the Secretary of State(c), hereby make the following Order:

*Citation, operation, interpretation*

1.—(1) This Order may be cited as the Import Duties (Temporary Reductions and Exemptions) (No. 4) Order 1973 and shall come into operation on 1st January 1974.

(2) In this Order—

“aircraft” does not include helicopters;

“certificated for the first time” before a particular date in relation to an aircraft or helicopter means “where a type certificate has been made in respect of that aircraft or helicopter by a competent authority of a member State of the European Communities before that date” and “certificated for the first time” on or after a particular date shall be construed accordingly;

“type” in relation to an aircraft or helicopter includes any version of an aircraft or helicopter having an identical wing span and area, length of fuselage, maximum all-up weight and engine;

“unladen weight” has the same meaning as in heading 88.02.

(3) In this Order a reference to a heading or subheading is a reference to a heading or subheading of the Customs Tariff 1959.

(4) Any entry in column 2 of Schedules 1, 2, 3, 4, 5 or 6 to this Order shall be taken to comprise all goods which would be classified under an entry in the same terms constituting a subheading (other than the final subheading) in the relevant heading in the Customs Tariff 1959.

(5) The Interpretation Act 1889(d) shall apply to the interpretation of this Order as it applies to the interpretation of an Act of Parliament.

(a) 1958 c. 6.

2.—(1) Subject to Article 5, up to and including 31st December 1974 in the case of goods which fall within a heading specified in column 1 of Schedules 1, 2, 3, 4, 5 or 6 hereto, which are of a description specified in column 2 thereof:

- (a) if a rate of duty is shown in column 3 of the said Schedules or column 4 of Schedules 2, 3 or 4 thereof in relation to the goods, import duty shall be charged at that rate instead of any higher rate which would otherwise apply and
- (b) if the entry “free” appears in the said columns in relation to the goods, no import duty shall be charged.

(2) Paragraph (1) above shall operate without prejudice to any exemptions or greater reductions provided for by the following Articles of this Order in the case of goods of particular countries or goods qualifying for Commonwealth preference.

*Cyprus and Egypt*

3.—(1) Subject to Article 5, up to and including 31st December 1974, any import duty for the time being chargeable on goods of a description specified in column 2 of Schedules 1, 3 or 4 hereto shall be charged:

- (a) at the rates shown in column 4 of Schedule 1 or column 5 of Schedules 3 or 4 in relation to the description if the goods originate in Cyprus and

- (b) in Egypt if they are to be so regarded under the Agreement, signed on 18th December 1972, between the European Economic Community and Egypt(b).

*Goods qualifying for Commonwealth preference*

4. Subject to Article 5, up to and including 31st December 1974 in the case of goods falling within a heading specified in column 1 of Schedules 1, 2, 3, 4, 5 or 6 hereto which are of a description specified in column 2 thereof and qualify for Commonwealth preference:

- (a) if a rate of duty is shown in column 6 of Schedule 1, columns 5 or 6 of Schedule 2, column 7 of Schedule 3, columns 7 or 8 of Schedule 4 or column 4 of Schedules 5 or 6 in relation to the goods, import duty shall be charged at that rate instead of any higher rate which would otherwise apply and
- (b) if the entry “free” appears in the said columns in relation to the goods, no import duty shall be charged.

5.—(1) Articles 2, 3 and 4 shall not apply to goods:

- (a) which fall within a heading specified in Schedule 1, unless they are imported for the purpose of being used for the construction of aircraft of an unladen weight exceeding 15,000 kilogrammes;
- (b) which fall within a heading specified in Schedule 2, unless they are imported for the purpose of being used for the maintenance or repair of aircraft of an unladen weight exceeding 15,000 kilogrammes, which have been manufactured in a member State of the European Economic Community and which are of a type certificated for the first time before 1st January 1974, or which have not been manufactured in any such State, and unless, in the case of goods falling within headings 85.15, 85.22, 90.14, 90.28 and 90.29, they are imported for the purpose of being used for the maintenance or repair of aircraft of a type certificated for the first time before 1st January 1973 and of a type of aircraft first used before that date for the carriage of passengers or cargo;
- (c) which fall within a heading specified in Schedule 3, unless they are imported for the purpose of being used for the maintenance or repair of aircraft of an unladen weight exceeding 15,000 kilogrammes, which have been manufactured in a member State and which are of a type certificated for the first time on or after 1st January 1974;
- (d) which fall within a heading specified in Schedule 4, unless they are imported for the purpose of being used for the maintenance or repair of aircraft or helicopters of an unladen weight exceeding 2,000 kilogrammes but not exceeding 15,000 kilogrammes and unless, in the case of goods falling within headings 85.15 or 90.14, they are imported for the purpose of being used for the maintenance or repair of aircraft or helicopters of a type certificated for the first time before 1st January 1973 and of a type of aircraft or helicopter first used before that date for the carriage of passengers or cargo and unless in the case of goods falling within headings 84.06 or 88.03 or subheadings 84.08 A, B or D, they are imported for the purpose of being used for the maintenance or repair of aircraft or helicopters not imported from a non-member State;

(2) Articles 3 and 4 above shall operate without prejudice to any greater reduction in, or to any exemption from, import duties which may be available apart from this Order in the case of goods there referred to by virtue of their being goods of developing countries or goods of a part of the Commonwealth preference area or otherwise.

(3) Where no entry appears in columns 4 or 5 of Schedule 1 or columns 5 or 6 of Schedules 3 or 4 in relation to goods of a description in column 2 thereof, no exemption from or reduction in duty applies by virtue of Articles 3 or 4 above to goods of that description originating in Cyprus or Egypt or qualifying for Commonwealth preference as the case may be.

---

(4) For the purposes of classification under the Customs Tariff 1959, insofar as that depends on the rate of duty, any goods to which this Order applies shall be treated as chargeable with the same duty as if this Order had not been made.

## EXPLANATORY NOTE

*(This Note is not part of the Order.)*

This Order provides for exemption from or reductions in import duty in the case of goods specified in the Schedules to the Order from 1st January 1974 to 31st December 1974.

Where a rate of duty is specified in column 3 of the Schedules or in column 4 of Schedules 2, 3 or 4, duty is reduced to that rate instead of any higher rate which would otherwise apply and where "free" appears in the said columns in relation to the goods, they are exempt from duty whatever their origin.

In the case of goods originating in Cyprus or Egypt or qualifying for Commonwealth preference, greater reductions in duty are available than those referred to above, such reductions being shown respectively in column 4 of Schedule 1 or column 5 of Schedules 3 and 4 (Cyprus), column 5 of Schedule 1 or column 6 of Schedules 3 and 4 (Egypt) and column 6 of Schedule 1, columns 5 or 6 of Schedule 2, column 7 of Schedule 3, columns 7 or 8 of Schedule 4 or column 4 of Schedules 5 or 6 (Commonwealth preference).

The exemptions and reductions in Schedules 1-5 are restricted to goods imported in some cases for the construction, or in other cases for the maintenance or repair, of certain classes of aircraft.

Goods affected by this Order are subject to whole or partial suspension of duty in the Common Customs Tariff of the European Economic Community and the exemptions and reductions in this Order are made in accordance with the United Kingdom's obligations.
