## INDUSTRIAL TRAINING

**The Industrial Training Levy (Ceramics, Glass and Mineral Products) Order 1976**

<i>Made - - - -</i>	<i>1st October 1976</i>
<i>Laid before Parliament</i>	<i>12th October 1976</i>
<i>Coming into Operation</i>	<i>8th November 1976</i>

Whereas proposals made by the Ceramics, Glass and Mineral Products Industry Training Board for the raising and collection of a levy have been submitted to, and approved by, the Manpower Services Commission under section 7 of the Industrial Training Act 1964(a) ("the 1964 Act"), as amended by section 6 of and Schedule 2 to the Employment and Training Act 1973(b) ("the 1973 Act") and have thereafter been submitted by the said Commission to the Secretary of State under section 7(1C) of the 1964 Act as inserted by the 1973 Act;

And whereas in pursuance of section 7(1A)(a) of the 1964 Act as inserted by the 1973 Act the said proposals include provision for the exemption from the levy of employers who, in view of the small number of their employees, ought in the opinion of the Secretary of State to be exempted from it;

And whereas the Secretary of State estimates that the amount which, disregarding any exemptions, will be payable by virtue of this Order by any employer in the ceramics, glass and mineral products industry, does not exceed an amount which the Secretary of State estimates is equal to one per cent. of the aggregate of the emoluments and payments intended to be disbursed as emoluments which have been paid or are payable by any such employer to or in respect of persons employed in the industry, in respect of the period specified in the said proposals as relevant, that is to say the period hereafter referred to in this order as "the tenth base period";

And whereas the Secretary of State is satisfied that proposals published by the said Board in pursuance of section 4A of the 1964 Act, as inserted by the 1973 Act, provide for exemption certificates relating to the levy in such cases as he considers appropriate;

Now, therefore, the Secretary of State in exercise of the powers conferred by section 4 of the 1964 Act, as amended by section 6 of and Schedule 2 to the 1973 Act, and of all other powers enabling him in that behalf hereby makes the following Order:—

#### *Imposition of the levy*

3.—(1) The levy to be imposed by the Board on employers in respect of the tenth levy period shall be assessed in accordance with the provisions of this Article and of the Schedule to this Order.

(2) The levy shall be assessed by the Board separately in respect of each relevant establishment (that is to say, each ceramics, glass and mineral products establishment other than one which is exempted by an exemption certificate or one which is an establishment of an employer who is exempted by virtue of paragraph 3 of the Schedule to this Order), but in agreement with the employer one assessment may be made in respect of any number of relevant establishments, in which case those establishments shall be deemed for the purpose of that assessment to constitute one establishment.

*Payment of the levy*

5.—(1) Subject to the provisions of this Article and of Articles 6 and 7, the amount of the levy payable under an assessment notice served by the Board shall be due and payable to the Board one month after the date of the notice.

(2) The amount of an assessment shall not be recoverable by the Board until there has expired the time allowed for appealing against the assessment by Article 7(1) of this Order and any further period or periods of time that the Board or an appeal tribunal may have allowed for appealing under paragraph (2) or (3) of that Article, or, where an appeal is brought, until the appeal is decided or withdrawn.

*Withdrawal of assessment*

6.—(1) The Board may, by a notice served on the person assessed to the levy in the same manner as an assessment notice, withdraw an assessment if that person has appealed against that assessment under the provisions of Article 7 of this Order and the appeal has not been entered in the Register of Appeals kept under the appropriate Regulations specified in paragraph (5) of that Article.

(2) The withdrawal of an assessment shall be without prejudice—

- (a) to the power of the Board to serve a further assessment notice in respect of any establishment to which that assessment related; or
- (b) to any other assessment included in the original assessment notice, and such notice shall thereupon have effect as if any assessment withdrawn by the Board had not been included therein.

*Appeals*

7.—(1) A person assessed to the levy may appeal to an appeal tribunal against the assessment within one month from the date of the service of the assessment notice or within any further period or periods of time that may be allowed by the Board or an appeal tribunal under the following provisions of this Article.

(3) If the Board shall not allow an application for extension of time for appealing, an appeal tribunal shall upon application made to the tribunal by the person assessed to the levy have the like powers as the Board under the last foregoing paragraph.

(4) In the case of an establishment that ceases to carry on business in the tenth levy period on any day after the date of the service of the relevant assessment notice, the foregoing provisions of this Article shall have effect as if for the period of four months from the date of the service of the assessment notice mentioned in paragraph (2) of this Article there were substituted the period of six months from the date of the cessation of business.

(5) An appeal or an application to an appeal tribunal under this Article shall be made in accordance with the Industrial Tribunals (England and Wales)

(6) The powers of an appeal tribunal under paragraph (3) of this Article may be exercised by the President of the Industrial Tribunals (England and Wales) or by the President of the Industrial Tribunals (Scotland) as the case may be.

*Evidence*

8.—(1) Upon the discharge by a person assessed to the levy of his liability under an assessment the Board shall if so requested issue to him a certificate to that effect.

(2) The production in any proceedings of a document purporting to be certified by the Secretary of the Board to be a true copy of an assessment or other notice issued by the Board or purporting to be a certificate such as is mentioned in the foregoing paragraph of this Article shall, unless the contrary is proved, be sufficient evidence of the document and of the facts stated therein.

  - (i) where the establishment was engaged wholly or mainly in any one or more of the activities comprised in one of the two Categories specified in column 1 and column 2 of Appendix 1 to this Schedule, the percentage specified in relation to that Category in column 3 of that Appendix;
  - (ii) in any other case, the lowest percentage specified in relation to any Category in column 3 of that Appendix which comprises an activity in which the establishment was engaged;
- (c) “charity” has the same meaning as in section 360 of the Income and Corporation Taxes Act 1970<sup>(c)</sup>;
- (d) “emoluments” means all emoluments assessable to income tax under Schedule E (other than pensions), being emoluments from which tax under that Schedule is deductible, whether or not tax in fact falls to be deducted from any particular payment thereof;

(2) The activities in a Category specified in column 1 and column 2 of Appendices 1 and 2 to this Schedule include any related or administrative activities undertaken in relation to any activities comprised in such Category.

(3) In reckoning any sum of emoluments for the purposes of this Schedule no regard shall be had to the emoluments of any person employed as follows:—

- (a) wholly as a registered dock worker in dock work;
- (b) wholly in agriculture; or
- (c) wholly in the supply of food or drink for immediate consumption.

2. Subject to the provisions of this Schedule, the amount of the levy imposed on an employer in respect of a ceramics, glass and mineral products establishment shall be equal to the appropriate percentage of the sum of the emoluments of all the persons employed by the employer in the tenth base period at or from the establishment.

3.—(1) There shall be exempt from the levy an employer in whose case the sum of the emoluments of all the persons employed by him in either the ninth or tenth base period at or from the ceramics, glass and mineral products establishment or establishments of the employer (including any persons employed at or from a ceramics, glass and mineral products establishment by an associated company of the employer) was less than the appropriate minimum amount specified in column 3 of Appendix 2 to this Schedule for the appropriate Category:

In any other case, the appropriate Category, in relation to either the ninth or tenth base period, is the one in which the total emoluments of all the persons employed by the employer and any associated company of the employer at establishments falling within that Category was the highest.

4. The amount of the levy imposed in respect of a ceramics, glass and mineral products establishment that ceases to carry on business in the tenth levy period shall be in the same proportion to the amount that would otherwise be due in accordance with the foregoing provisions of this Schedule as the number of days between the commencement of the said levy period and the date of cessation of business (both dates inclusive) bears to the number of days in the said levy period.
