## The Industrial Training Levy (Engineering) Order 1976

<i>Made - - - -</i>	<i>4th May 1976</i>
<i>Laid before Parliament</i>	<i>13th May 1976</i>
<i>Coming into Operation</i>	<i>10th June 1976</i>

Whereas proposals made by the Engineering Industry Training Board for the raising of and collection of a levy have been submitted to, and approved by, the Manpower Services Commission under section 7 of the Industrial Training Act 1964(a) ("the 1964 Act"), as amended by section 6 of and Schedule 2 to the Employment and Training Act 1973(b) ("the 1973 Act") and have thereafter been submitted by the said Commission to the Secretary of State under section 7(1C) of the 1964 Act as inserted by the 1973 Act;

And whereas in pursuance of section 7(1A)(a) of the 1964 Act as inserted by the 1973 Act the said proposals include provision for the exemption from the levy of employers who, in view of the small number of their employees, ought in the opinion of the Secretary of State to be exempted from it;

And whereas the Secretary of State estimates that the amount which, disregarding any exemptions, will be payable by virtue of this Order by any employer in the engineering industry, does not exceed an amount which the Secretary of State estimates is equal to one per cent. of the aggregate of the emoluments and payments intended to be disbursed as emoluments which have been paid or are payable by any such employer to or in respect of persons employed in the industry, in respect of the period specified in the said proposals as relevant, that is to say the period hereafter referred to in this Order as "the twelfth base period";

And whereas the Secretary of State is satisfied that proposals published by the said Board in pursuance of section 4A of the 1964 Act, as inserted by the 1973 Act, provide for exemption certificates relating to the levy (other than levy payable by virtue of section 7(1B) of the 1964 Act as inserted by the 1973 Act) in such cases as he considers appropriate;

And whereas the Secretary of State is satisfied that the proposals made in pursuance of section 7(1B) of the 1964 Act, as inserted by the 1973 Act, are necessary as mentioned in paragraph (a) of that subsection and are shown, by evidence furnished by the Board, to be considered necessary as mentioned in paragraph (b) of that subsection;

(a) 1964 c. 16.

(b) 1973 c. 50.

Now, therefore, the Secretary of State in exercise of the powers conferred by section 4 of the 1964 Act, as amended by section 6 of and Schedule 2 to the 1973 Act, and of all other powers enabling him in that behalf hereby makes the following Order:—

#### *Imposition of the levy*

3.—(1) Subject to the provisions of Article 11 of this Order, the levy to be imposed by the Board on employers in respect of the twelfth levy period shall be assessed in accordance with the provisions of this Article.

(2) The levy shall be assessed by the Board separately in respect of each relevant establishment, (that is to say, each engineering establishment other than an establishment of an employer who is exempt by virtue of the provisions of Article 4 or Article 5 of this Order, or, subject to the provisions of Article 6, one which is an establishment in respect of which an exemption certificate has been issued to the employer) but in agreement with the employer one assessment may be made in respect of any number of establishments, in which case such establishments shall be deemed for the purposes of that assessment to constitute one establishment.

(3) The levy assessed in respect of an establishment of an employer shall be an amount equal to 1 per cent. of the sum of the emoluments of all persons employed in the twelfth base period at or from the establishment by the employer.

#### *Exemption of charities*

4. A charity shall be exempted from the levy.

#### *Exemption of small employers*

5. An employer shall be exempted from the levy in respect of any establishment of his where the number of all the persons employed by him at or from the establishment on 5th April 1976 does not exceed 60:

Provided that, the foregoing provisions of this Article shall not operate—

- (i) to exempt any employer engaged in the said base period wholly or partly in engineering construction activities in respect of—
    - (a) any establishment of his where the establishment was wholly or mainly so engaged and the sum of the emoluments of all the persons employed by him at or from the establishment in that period exceeds £50,000; or
    - (b) any portion of the levy attributable to the emoluments of any employees of his who were wholly or mainly engaged in engineering construction activities where the sum of the emoluments of such employees employed by him at or from any engineering establishment or establishments of his in that period exceeds £50,000;
  - (ii) to exempt any employer in respect of any foundry establishment of his where the sum of the emoluments of all persons employed by him at or from the establishment in that period is not less than £25,000.
-

(2) The amount of any assessment payable under an assessment notice shall be rounded down to the nearest £1.

(3) An assessment notice shall state the Board's address for the service of a notice of appeal or of an application for an extension of time for appealing.

(4) An assessment notice may be served on the person assessed to the levy either by delivering it to him personally or by leaving it, or sending it to him by post, at his last known address or place of business in the United Kingdom, or if that person is a corporation, by leaving it, or sending it by post to the corporation, at such address or place of business or at its registered or principal office.

*Payment of the levy*

8.—(1) Subject to the following provisions of this Order, the amount of each assessment appearing in an assessment notice served by the Board (the date of which shall not be earlier than 31st August 1976) shall be due and payable by the employer to the Board—

- (a) in the case of any amount payable in respect of any foundry establishment, in two equal instalments, and the said instalments shall be due respectively one month and seven months after the date of the notice, and

(b) in any other case, one month after the date of the notice.

(2) An instalment of an assessment shall not be recoverable by the Board until there has expired the time allowed for appealing against the assessment by Article 10(1) of this Order and any further period or periods of time that the Board or an appeal tribunal may have allowed for appealing under paragraph (2) or (3) of that Article or where an appeal is brought, until the appeal is decided or withdrawn.

*Withdrawal of assessment*

9.—(1) The Board may, by a notice served on the person assessed to the levy in the same manner as an assessment notice, withdraw an assessment if that person has appealed against that assessment under the provisions of Article 10 of this Order and the appeal has not been entered in the Register of Appeals kept under the appropriate Regulations specified in paragraph (4) of that Article.

(2) The withdrawal of an assessment shall be without prejudice to the power of the Board to serve a further assessment notice in respect of any establishment to which that assessment relates.

---

*Appeals*

10.—(1) A person assessed to the levy may appeal to an appeal tribunal against the assessment within one month from the date of the service of the assessment notice or within any further period or periods of time that may be allowed by the Board or an appeal tribunal under the following provisions of this Article.

(2) The Board by notice may for good cause allow a person assessed to the levy to appeal to an appeal tribunal against the assessment at any time within the period of four months from the date of the service of the assessment notice or within such further period or periods as the Board may allow before such time as may then be limited for appealing has expired.

(3) If the Board shall not allow an application for extension of time for appealing, an appeal tribunal shall upon application made to the tribunal by the person assessed to the levy have the like powers as the Board under the last foregoing paragraph.

(4) An appeal or an application to an appeal tribunal under this Article shall be made in accordance with the Industrial Tribunal (England and Wales) Regulations 1965(a) as amended by the Industrial Tribunals (England and Wales) (Amendment) Regulations 1967(b) except where the establishment to which the relevant assessment relates is wholly in Scotland in which case the appeal or application shall be made in accordance with the Industrial Tribunals (Scotland) Regulations 1965(c), as amended by the Industrial Tribunals (Scotland) (Amendment) Regulations 1967(d).

(5) The powers of an appeal tribunal under paragraph (3) of this Article may be exercised by the President of the Industrial Tribunals (England and Wales) or by the President of the Industrial Tribunals (Scotland) as the case may be.

*Cessation of business*

11.—(1) The provisions of this Article shall apply in relation to an establishment that ceases to carry on business in the twelfth levy period on or before 30th August 1976.

(2) Article 2(2) of this Order shall have effect as if for the words “the employer carrying on the said establishment on 31st August 1976” there were substituted the words “the employer who last carried on business at or from the said establishment”.

(3) The amount of the levy imposed in respect of the establishment shall be in the same proportion to the amount that would otherwise be due under the provisions of Article 3 of this Order as the number of days between the commencement of the twelfth levy period and the date of cessation of business (both dates inclusive) bears to the number of days in the said levy period.

(4) Article 8(1) of this Order shall have effect as if the words in parenthesis were omitted.

*Evidence*

12.—(1) Upon the discharge by a person assessed to the levy of his liability under an assessment the Board shall if so requested issue to him a certificate to that effect.
