STATUTORY INSTRUMENTS

1981 No. 1332

HEALTH AND SAFETY

The Health and Safety (Foundries Etc.) (Metrication) Regulations 1981

Made - - - - 14th September 1981
23rd September
Laid before Parliament 1981
Coming into Operation 1st December 1981

The Secretary of State, in exercise of the powers conferred on him by sections 49(1), (2), and (4) and 82(3)(a) of the Health and Safety at Work etc. Act 1974(1) ("the 1974 Act") and of all other powers enabling him in that behalf and for the purpose of giving effect without modifications to proposals submitted to him by the Health and Safety Commission under section 11(2)(d) of the 1974 Act after the carrying out by the said Commission of consultations in accordance with section 50(3) of that Act, hereby makes the following Regulations:—

Citation, commencement and interpretation

- 1.—(1) These Regulations may be cited as The Health and Safety (Foundries etc.) (Metrication) Regulations 1981 and shall come into operation on 1st December 1981.
- (2) In these Regulations, unless the context otherwise requires, "the principal Regulations" mean the Regulations to be amended by these Regulations, that is to say—

The Blasting (Castings and Other Articles) Special Regulations 1949;

The Iron and Steel Foundries Regulations 1953(2);

The Non-Ferrous Metals (Melting and Founding) Regulations 1962(3).

Amendment to the principal Regulations to substitute metric measurements for imperial measurements

2. The provisions of the principal Regulations specified in the Schedule to these Regulations in column 1 shall be amended by substituting for the measurements set out opposite thereto in column 3 the measurements set out in the corresponding entry in column 4.

⁽¹⁾ section 49 was amended by the Employment Protection Act 1975 (c. 71), section 116 and Schedule 15, paragraph 15.

^{(2) ,} to which there are amendments not relevant to these Regulations.

^{(3) ,} to which there are amendments not relevant to these Regulations.

Application to existing premises and plant or premises and plant under construction

3. Where any premises or plant in existence or under construction immediately before the coming into operation of these Regulations complied with the requirements of the principal Regulations as then in force, those premises or that plant shall be deemed to comply with the principal Regulations as amended by these Regulations.

Signed by order of the Secretary of State.

David Waddington
Joint Parliamentary-Under Secretary of State
Department of Employment

| 1 | 2 | 3 | 4 |
|--------------------------|---|---------------------|-------------------------------|
| Regulation to be amended | Subject matter of measurement | Present measurement | Measurement to be substituted |
| | (b) Definition of "unit" in terms of section of circumference of trough | two feet | 600 millimetres |
| Regulation 15(3)(c) | Minimum internal measurement of basin or other receptacle | four feet | 1.2 metres |
| Regulation 17 | Minimum height to which walls are to be cleaned | fourteen feet | 4.2 metres |

EXPLANATORY NOTE

These Regulations amend—

The Blasting (Castings and Other Articles) Special Regulations 1949;

The Iron and Steel Foundries Regulations 1953; and

The Non-Ferrous Metals (Melting and Founding) Regulations 1962;

by substituting amounts or quantities expressed in metric units for amounts or quantities not so expressed. The substituted amounts preserve the effect of the original provisions except to the extent necessary to obtain amounts expressed in convenient and suitable terms.

Regulation 3 provides that the amendments do not relate to premises or plant in existence or under construction immediately before the coming into operation of these Regulations if those premises or that plant complied with the then existing Regulations.
