INDUSTRIAL TRAINING

**The Industrial Training Levy (Construction Board)
Order 1981**

<i>Made - - - -</i>	<i>22nd December 1981</i>
<i>Laid before Parliament</i>	<i>30th December 1981</i>
<i>Coming into Operation</i>	<i>20th January 1982</i>

Whereas proposals made by the Construction Industry Training Board for the raising and collection of a levy have been submitted to, and approved by, the Manpower Services Commission under section 7 of the Industrial Training Act 1964(a) ("the 1964 Act"), and have thereafter been submitted by the said Commission to the Secretary of State under section 7(1C) of the 1964 Act;

And whereas in pursuance of section 7(1A)(a) of the 1964 Act the said proposals include provision for the exemption from the levy of employers who, in view of the small number of their employees, ought in the opinion of the Secretary of State to be exempted from it;

And whereas the Secretary of State estimates that the amount which, disregarding any exemptions, will be payable by virtue of this Order by any employer in the construction industry, does not exceed an amount which the Secretary of State estimates is equal to one per cent. of the relevant emoluments, being the aggregate of the emoluments and payments intended to be disbursed as emoluments which have been paid or are payable by any such employer to or in respect of persons employed in the industry, in respect of the period specified in the said proposals as relevant, that is to say the period of twelve months that commenced on 6th April 1980;

And whereas the said proposals relate only to levy payable by virtue of section 7(1B)(b) of the 1964 Act and are within subsection (1BBB) of that section, and the Secretary of State is satisfied that they are necessary to encourage adequate training in the industry and in accordance with section 4(2A)(c)(i) of the 1964 Act;

Now, therefore, the Secretary of State in exercise of the powers conferred by section 4 of the 1964 Act and of all other powers enabling him in that behalf hereby makes the following Order:—
