INDUSTRIAL TRAINING
**The Industrial Training Levy (Furniture and Timber)
Order 1981**

<i>Made</i> - - - -	21st May 1981
<i>Laid before Parliament</i>	2nd June 1981
<i>Coming into Operation</i>	31st July 1981

Whereas proposals made by the Furniture and Timber Industry Training Board for the raising and collection of a levy have been submitted to, and approved by, the Manpower Services Commission under section 7 of the Industrial Training Act 1964(a) ("the 1964 Act") and have thereafter been submitted by the said Commission to the Secretary of State under section 7(1C) of the 1964 Act;

And whereas in pursuance of section 7(1A)(a) of the 1964 Act the said proposals include provision for the exemption from the levy of employers who, in view of the small number of their employees, ought in the opinion of the Secretary of State to be exempted from it;

And whereas the Secretary of State estimates that the amount which, disregarding any exemptions, will be payable by virtue of this Order by any employer in the furniture and timber industry, does not exceed an amount which the Secretary of State estimates is equal to one per cent. of the aggregate of the emoluments and payments intended to be disbursed as emoluments which have been paid or are payable by any such employer to or in respect of persons employed in the industry, in respect of the period specified in the said proposals as relevant, that is to say the period hereafter referred to in this Order as "the fifteenth base period";

And whereas the Secretary of State is satisfied that proposals published by the said Board in pursuance of section 4A of the 1964 Act provide for exemption certificates relating to the levy in such cases as he considers necessary;

Now, therefore, the Secretary of State in exercise of the powers conferred on him by section 4 of the 1964 Act and of all other powers enabling him in that behalf hereby makes the following Order:—

Imposition of the levy

3.—(1) The levy to be imposed by the Board on employers in respect of the fifteenth levy period shall be assessed in accordance with the provisions of this Article.

(2) The levy shall be assessed by the Board separately in respect of each furniture and timber establishment of an employer (not being an employer who is exempt from the levy by virtue of paragraph (5) of this Article) but in agreement with the employer one assessment may be made in respect of any number of such establishments, in which case those establishments shall be deemed for the purposes of that assessment to constitute one establishment.

(3) Subject to the provisions of this Article, the levy assessed in respect of a furniture and timber establishment of an employer shall be an amount equal to 0.9 per cent. of the sum of the emoluments of all the persons employed by the employer in the fifteenth base period at or from the relevant establishment (that is to say the furniture and timber establishment or establishments of the employer other than any establishment in respect of which an exemption certificate has been issued to the employer, or one which is an establishment of an employer who is exempted by virtue of paragraph (5) of this Article).

(b) S.I. 1975/1157.
(e) S.I. 1977/1951.

(c) S.I. 1976/396.
(f) S.I. 1978/448.

(4) The amount of the levy imposed in respect of an establishment that ceases to carry on business in the fifteenth levy period shall be in the same proportion to the amount that would otherwise be due under paragraph (3) of this Article as the number of days between the commencement of the said levy period and the date of cessation of business (both dates inclusive) bears to the number of days in the said levy period.

(5) There shall be exempt from the levy—

(a) an employer engaged in the manufacture, repair or tuning of organs or organ pipes in whose case the number of all persons employed by him under contracts of service on 4th April 1980 or on 3rd April 1981 at or from the furniture and timber establishment or establishments of the employer did not exceed one;

(b) an employer, other than an employer engaged in the manufacture, repair or tuning of organs or organ pipes, in whose case the number of all persons employed by him under contracts of service on 4th April 1980 or on 3rd April 1981 at or from the furniture and timber establishment or establishments of the employer did not exceed fifteen;

(c) a charity.

(6) In determining for the purposes of this Article the number of persons employed by an employer account shall be taken of one half only of the number of any such persons normally employed by the employer for less than twenty-two hours a week, and, in the case of any such persons who are directors of the employing company, for more than eight hours a week. No account shall be taken of directors who work for eight hours or less a week.

(7) For the purposes of this Article no regard shall be had to the emoluments of any person wholly employed—

(a) in agriculture;

(b) as a registered dock worker on dock work; or

(c) in the supply of food or drink for immediate consumption.

Assessment Notices

4.—(1) The Board shall serve an assessment notice on every employer assessed to the levy, but one notice may comprise two or more assessments.

(2) An assessment notice shall state the amount (rounded down, where necessary to the nearest £1) of the levy payable thereunder, and where the notice comprises two or more assessments the said amount shall, before any such rounding down, be equal to the total amount of the levy assessed by the Board under Article 3 of this Order in respect of each establishment included in the notice.

(3) An assessment notice shall state the Board's address for the service of a notice of appeal or of an application for an extension of time for appealing.

(4) An assessment notice may be served on the person assessed to the levy either by delivering it to him personally or by leaving it, or sending it to him by post, at his last known address or place of business in the United Kingdom or, if that person is a corporation, by leaving it, or sending it by post to the corporation, at such address or place of business or at its registered or principal office.

Payment of levy

5.—(1) Subject to the provisions of this Article and of Articles 6 and 7, the amount of the levy payable under an assessment notice served by the Board shall be due and payable to the Board one month after the date of the notice.

(2) The amount of an assessment shall not be recoverable by the Board until there has expired the time allowed for appealing against the assessment by Article 7(1) of this Order and any further period or periods of time that the Board or an appeal tribunal may have allowed for appealing under paragraph (2) or (3) of that Article or, where an appeal is brought, until the appeal is decided or withdrawn.

Withdrawal of assessment

6.—(1) The Board may, by a notice served on the person assessed to the levy in the same manner as an assessment notice, withdraw an assessment if that person has appealed against that assessment under the provisions of Article 7 of this Order and the appeal has not been entered in the Register of Appeals kept under the appropriate Regulations specified in paragraph (5) of that Article.

(2) The withdrawal of an assessment shall be without prejudice—

- (a) to the power of the Board to serve a further assessment notice in respect of any establishment to which that assessment related;
- (b) to any other assessment included in the original assessment notice, and such notice shall thereupon have effect as if any assessment withdrawn by the Board had not been included therein.

Appeals

7.—(1) A person assessed to the levy may appeal to an appeal tribunal against the assessment within one month from the date of the service of the assessment notice or within any further period or periods of time that may be allowed by the Board or an appeal tribunal under the following provisions of this Article.

(2) The Board by notice may for good cause allow a person assessed to the levy to appeal to an appeal tribunal against the assessment at any time within the period of four months from the date of the service of the assessment notice or within such further period or periods as the Board may allow before such time as may then be limited for appealing has expired.

(3) If the Board shall not allow an application for extension of time for appealing, an appeal tribunal shall upon application made to the tribunal by the person assessed to the levy have the like powers as the Board under the last foregoing paragraph.

(4) In the case of an establishment that ceases to carry on business in the fifteenth levy period on any day after the date of the service of the relevant assessment notice, the foregoing provisions of this Article shall have effect as if for the period of four months from the date of the service of the assessment notice mentioned in paragraph (2) of this Article there were substituted the period of six months from the date of the cessation of business.

(5) An appeal or an application to an appeal tribunal under this Article shall be made in accordance with the Industrial Tribunals (England and Wales) Regulations 1965(a) except where the establishment to which the relevant assessment relates is wholly in Scotland in which case the appeal or application shall be made in accordance with the Industrial Tribunals (Scotland) Regulations 1965(b).

(b) S.I. 1965/1157, amended by S.I. 1967/302.

(6) The powers of an appeal tribunal under paragraph (3) of this Article may be exercised by the President of the Industrial Tribunals (England and Wales) or by the President of the Industrial Tribunals (Scotland) as the case may be.

Evidence

8.—(1) Upon the discharge by a person assessed to the levy of his liability under an assessment the Board shall if so requested issue to him a certificate to that effect.

(2) The production in any proceedings of a document purporting to be certified by the Secretary of the Board to be a true copy of an assessment or other notice issued by the Board or purporting to be a certificate such as is mentioned in the foregoing paragraph of this Article shall, unless the contrary is proved, be sufficient evidence of the document and of the facts stated therein.
