SCHEDULE 1

AIDED PUPIL SCHEME

PART I

ELIGIBILITY FOR AIDED PLACES

General

1.—(1) The school shall select children to hold aided places thereat but a child shall only be eligible for such selection if all the conditions mentioned in this Part are, so far as relevant, satisfied in his case:

Provided that in relation to the Royal Ballet School or the Yehudi Menuhin School, the said conditions shall not apply in the case of a pupil at the school in question before 1st September 1981 in respect of whom fees were remitted in accordance with arrangements approved by the Secretary of State for the purposes of the Royal Ballet School and the Yehudi Menuhin School (Grants) Regulations 1973.

(2) Nothing in this paragraph shall prevent a child from being selected for an aided place in advance of its being ascertained that such a condition is satisfied if the selection is subject to the condition being satisfied.

Conditions as to residence

2.—(1) It shall be a condition that the child shall either—

- (a) have been ordinarily resident in the British Islands throughout the period of two years preceding 1st January in the calendar year in which he would take up an aided place at the school ("the relevant date"), or
- (b) in the case of such a child as is mentioned in sub-paragraph (2), have been so ordinarily resident in the European Community as constituted during the relevant two year period, or
- (c) in the case of such a child who is a refugee as is mentioned in sub-paragraph (3), have not been ordinarily resident outside the British Islands since he was recognised as a refugee.

(2) The child referred to in sub-paragraph (1)(b) is one who is resident in the British Islands on the relevant date and is the child of a national of a member state of the European Community who—

- (a) where he is employed on the relevant date, is then in employment in the British Islands, or

- (b) where he is not employed on that date, by reason of retirement or otherwise, was last employed in such employment.

(3) The child who is a refugee referred to in sub-paragraph (1)(c) is a child recognised by Her Majesty's government as a refugee within the meaning of the United Nations Convention relating to the Status of Refugees done at Geneva on 28th July 1951 as extended by the Protocol thereto which entered into force on 4th October 1967.

Condition as to furnishing of information

4. It shall be a condition that the parents of the child, when applying to the school for an aided place, shall have furnished the school with such information as is requisite for determining whether he is eligible for selection for such a place.

PART II

GENERAL PROVISIONS RELATING TO AID

Aid questions

5.—(1) Subject to sub-paragraph (2), in the case of each aided pupil questions whether aid should be granted as hereinafter provided by way of—

- (a) remission of fees or charges, or
- (b) grants,

shall be determined by the school for the school year in which he takes up an aided place and for each subsequent school year by reference to the relevant income as respects the pupil, whether or not the parents have been entitled to any aid as respects a previous school year; and such questions and aid are hereinafter referred to, respectively, as “aid questions” and “aid”.

(2) Where either—

- (a) the pupil holds an aided place at the school for part only of the school year or leaves the school part way through the school year, or
- (b) the number of children of the parents who hold aided places (whether at the same or different schools) differs for different parts of the school year,

aid questions shall be determined by the school for that part, or separately for those parts, and the extent to which designated fees (within the meaning of paragraph 11) in respect of part of a school year are to be remitted shall be that proportion of the amount by which the fees for the whole school year would fall to be remitted which is the proportion which the fees for the part bear to the fees for the whole school year.

References to financial years

6.—(1) For the purposes hereof “financial year” means, subject to sub-paragraph (2), a year ending with 5th April and, in relation to a particular school year, “preceding financial year” means the financial year preceding that school year and “current financial year” means the financial year which includes the first day of that school year.

(2) Where the parents of a pupil satisfy the school that their income is wholly or mainly derived from the profits of a business, profession or vocation carried on by either or both of them, then if the parents and the school so agree, any reference herein to a financial year shall be construed as a reference to a year ending with such date as appears to the school expedient having regard to the accounts kept in respect of that business or profession and the periods covered thereby:

Provided that, when that year ends with a date after 5th April but before the beginning of a school year, then, in relation to that year “preceding financial year” shall mean the year last so ending before 6th April in the calendar year in which the school year begins and “current financial year” shall mean the year so ending on or after that 6th April and before the beginning of the school year.

References to income

7.—(1) For the purposes hereof the income of any person for a financial year shall, subject however to the provisions of the Appendix hereto, be taken to be his total income for that year; and, in this sub-paragraph and the said Appendix, “total income” has the same meaning as in section 32 of the Finance Act 1971^(a).

(2) For the purposes hereof “relevant income” as respects an aided pupil means, in relation to any financial year, his parents’ income for that year aggregated with the unearned income for that year, if any, of the pupil himself and of any other of the parents’ children who are wholly or mainly dependent on them at the time the relevant income is calculated less, where sub-paragraph (3) applies, the sum there mentioned.

In this sub-paragraph the reference to unearned income is a reference to income other than such as arises from gainful employment.

(3) The relevant income, calculated as aforesaid, shall be reduced by £600 in respect of each person other than the aided pupil who—

- (a) is wholly or mainly dependent on the parents at the time the relevant income is calculated, and
- (b) is a child or other relative of one or both of the parents.

Application for aid etc.

8. Applications for aid shall be made, and declarations of relevant income or estimated income and other information requisite for determining aid questions shall be furnished, by such time and in such manner and form, if any, as may be specified for the purposes hereof by the Secretary of State.

Restrictions on aid

9.—(1) The parents of an aided pupil shall not be entitled to any aid in respect of a period before the pupil took up his aided place or after he has left the school or, if he so remains at the school, after the end of the school year in which he attains the age of twenty years without prejudice, however, to the provisions of the proviso to paragraph 15(4) and of paragraph 19(2); and, without prejudice to the generality of the foregoing provision, the parents shall not be entitled to remission of fees or charges payable in lieu of notice of the withdrawal of an aided pupil from the school.

(2) The parents of an aided pupil shall be under no obligation to apply for aid as respects a particular school year if they consider themselves not entitled thereto but if, as respects such a year, they do not—

- (a) duly apply to the school for aid for that year, or
- (b) subject to paragraph 10(4), duly furnish the school with the information and supporting documentary and other evidence requisite for determining aid questions,

they shall not be entitled to any aid for that year.

(3) If the Secretary of State is satisfied that, in the case of a particular pupil holding an aided place at any of the schools, his parents have furnished information required for determining aid questions which they know to be false in a material particular, or have recklessly furnished such information which is false in a material particular, he may direct that those parents shall not be entitled to any aid in the case of that pupil and, if he so directs, in the case of any other of their children who hold aided places at any of the schools, as respects a specified school year and, if he so directs, any subsequent school year.

Provided that—

- (a) the Secretary of State shall not give a direction for the purposes hereof without affording the parents concerned an opportunity to make representations or without considering such representations;
- (b) the giving of a direction for the purposes hereof shall be without prejudice to its variation or revocation by a subsequent direction.

(4) This paragraph shall have effect notwithstanding anything in paragraph 5 or any other provision hereof.

^(a) 1971 c.68.

Calculation of aid

10.—(1) Subject to sub-paragraphs (2), (3) and (4), aid questions shall be determined by reference to relevant income in the preceding financial year.

(2) Where one of the pupil's parents has died in either the preceding financial year or the current financial year and the school are satisfied that the income of the surviving parent in the current financial year, when aggregated with that of the deceased parent where he died in that year, is likely to be less than their aggregate income in the preceding financial year, the aid questions shall be determined by reference to the current financial year; and, in such case, sub-paragraph (1) shall have effect as if the reference therein to the preceding financial year were a reference to the current financial year and, if the deceased parent died in that year, the reference to the pupil's parents in paragraph 7(2) included a reference to the deceased parent.

(3) Where in a case not falling within sub-paragraph (2) the school are satisfied that the relevant income in the current financial year is likely to be so much less than the relevant income in the preceding financial year that financial hardship would result from remission questions being determined by reference to that year then, if the Secretary of State so approves, those questions shall be determined in relation to the school year in question and, unless and until he otherwise directs, any subsequent school year by reference to the current financial year; and, in such case, sub-paragraph (1) shall have effect as if the reference therein to the preceding financial year were a reference to the current financial year.

(4) Where it is not reasonably practicable for the parents to furnish before the beginning of a school year the requisite information as to relevant income for the appropriate financial year then, in relation to that school year, aid questions may be determined provisionally, having regard to relevant income for earlier financial years, as the school think fit, but—

- (a) in relation to the first year in which aid is granted in the case of a pupil, no such provisional determination shall be made unless his parents have furnished information as to relevant income for the financial year before the appropriate financial year;
- (b) no such provisional determination shall be more favourable to the parents than one arrived at by reference to an estimate furnished by the parents of relevant income for the appropriate financial year;
- (c) a provisional determination shall cease to have effect when the parents have furnished the requisite information or if the school are satisfied that it has become reasonably practicable for them to do so but they have failed to furnish it, and
- (d) within three months of the final determination of the aid questions any over-remission or under-remission of fees or charges shall be adjusted by payments between the parents and the school.

PART III

REMISSION OF FEES AND CHARGES

11. Paragraph 12 or, as the case may be, paragraph 13, shall apply to the remission of fees and other charges payable by the parents of an aided pupil being fees and charges (other than such as are mentioned in paragraph 14) which are designated for the purposes hereof by the school with the approval of the Secretary of State for the purposes of paragraph 4(3) of Schedule 2; and all such fees and charges are hereinafter referred to as designated fees.

- (a) for the whole of that school year, where they are satisfied as aforesaid at or before the beginning thereof, or
- (b) for the remainder of the school year where they are so satisfied in the course thereof,

notwithstanding that the parents may cease to be in receipt of supplementary benefit or family income supplement between the school being so satisfied and the end of the school year in question.

(3) Uniform grant shall not be payable by the school in the case of a particular pupil thereat more frequently than every other school year and, accordingly, if a uniform grant is paid in a particular school year no such grant shall be paid in the next following school year.

(4) Unless an aided pupil has been a pupil at the school before taking up an aided place, in a pupil's first year at the school, uniform grant shall be payable in the case of an aided pupil as respects whom the relevant income does not exceed £5,200 and in such case the grant shall be of an amount equal to so much of the clothing expenditure as does not exceed—

(5) Except where sub-paragraph (4) applies, in any school year in which uniform grant is payable having regard to sub-paragraph (3), it shall be payable in the case of an aided pupil as respects whom the relevant income does not exceed £4,800 and in such case the grant shall be of an amount equal to so much of the clothing expenditure (disregarding expenditure in respect of which a previous grant has been paid) as does not exceed—

- (a) £40, where the relevant income does not exceed £4,600;
- (b) £20, where that income exceeds £4,600 but does not exceed £4,800.

(6) Where a pupil has been a pupil at the school before taking up an aided place thereat, no grant shall be paid to his parents in respect of clothing expenditure incurred before he took up the aided place.

Provided that for the purposes hereof and of paragraph 19—

- (a) where a pupil's expenses are in respect of journeys by public transport and they are in excess of what they would have been if advantage had been taken of available arrangements for reduced or concessionary fares, the excess shall be disregarded;
- (b) where a pupil's expenses are in respect of journeys by air and they are in excess of what they would have been if advantage had been taken of available train, boat or hovercraft services and arrangements for reduced or concessionary fares, the excess shall be disregarded;
- (c) where a visit is to a place other than the pupil's home and his expenses are in excess of what they would have been if the visit had been to his home, the excess shall be disregarded;
- (d) where a visit is to a place outside the British Islands, so much of the expenses as are in respect of a journey between a port, hoverport or airport within the British Islands and that place shall be disregarded.

School travel grants—day pupils

(2) Subject to and in accordance with paragraph 19, where an aided pupil's walking distance between home and school exceeds three miles the school shall, in respect of each school year, pay a school travel grant to the parents of the pupil in relation to school travel expenditure incurred in respect of journeys between home and school in that year:

Provided that for the purposes hereof and of paragraph 19—

- (a) where a pupil's expenses are in respect of journeys in excess of twenty-five miles each way by such transport as is mentioned in paragraph 16, account shall be taken of only so much of the expenses as bears the same proportion to the full amount thereof as twenty-five miles bears to the length in miles of the journey in question;
- (b) where a pupil's expenses are in respect of journeys by public transport and they are in excess of what they would have been if advantage had been taken of available arrangements for season tickets or reduced or concessionary fares, the excess shall be disregarded.

Amount and payment of school travel grants

19.—(1) The amount, if any, of the school travel grant for a school year payable in the case of an aided pupil shall be determined as follows by reference to the school travel expenditure for that year in relation to which it is paid and the relevant income as respects the pupil—

- (a) where the relevant income does not exceed £4,779, the school travel grant shall be of an amount equal to that of the school travel expenditure to which it relates;
- (b) in any other case the school travel grant shall be of the amount, if any, by which the school travel expenditure to which it relates exceeds an amount (rounded down to the nearest multiple of £3) equal to one-twelfth of that part of the relevant income which exceeds £4,600.

(2) The school may, in the course of, or immediately before, a school year, make payments on account of the grant which it appears to them will be payable for that year but, where payments on account are made, within three months of the final determina-

tion of the amount (if any) of the grant, any over-payment or under-payment of grant for the year in question shall be adjusted by payments between the parents and the school.

APPENDIX TO AIDED PUPIL SCHEME COMPUTATION OF INCOME

1.—(1) This Appendix shall have effect for the purposes of determining a person's income for the purposes of the Scheme by reference to his total income.

his income for the purposes of the Scheme shall be computed as though those deductions did not fall to be made.

4. Where income by way of mobility allowance within the meaning of section 37A of the Social Security Act 1975(f) or section 37A of the Social Security (Northern Ireland) Act 1975(g) is included in a person's total income, his income for the purposes of these Regulations shall be computed as though it were not so included.

SCHEDULE 2

CONDITIONS OF PAYMENT OF GRANT

Total number of aided places

1.—(1) This paragraph shall apply if the Secretary of State, for the purposes hereof, specifies the total number of pupils who may hold aided places at a particular school and different total numbers may be specified for boarding pupils and for day pupils; and in this paragraph “the specified number” means a number for the time being so specified by him.

(2) If and so long as the total number of pupils holding aided places at the school or, as the case may be, the total number of boarding pupils or of day pupils holding such places, is not less than the specified number then no further aided places or, as the case may require, no further boarding or day aided places, shall be granted at the school.

Number of aided places granted each year

2. If the Secretary of State, for the purposes hereof, specifies the number of aided places which may be granted at a particular school to be taken up in a particular school year then that school shall not so grant a greater number of such places.

Selection of aided pupils

3.—(1) Aided places shall only be granted in the case of children who will be provided—

- (a) at a school other than the Royal Ballet School, with education in music (otherwise than wholly or mainly in connection with singing in a choir);
- (b) at the Royal Ballet School, with education in ballet dancing.

(2) An aided place shall not be granted by a school to a child who was a pupil thereat before 1st September 1981:

Provided that this condition shall not apply in relation to the grant of an aided place by the Royal Ballet School or the Yehudi Menuhin School to a pupil in respect of whom fees were remitted before the said date in accordance with arrangements approved by the Secretary of State for the purposes of the Royal Ballet School and Yehudi Menuhin School (Grants) Regulations 1973.

Fees

4.—(1) Subject to sub-paragraph (2) the tuition fees and other fees and charges payable in respect of pupils attending a particular school shall be such as are for the time being approved by the Secretary of State.

(2) The Secretary of State may waive the condition in sub-paragraph (1) in the case of a school either generally or in relation to particular fees or charges but any such waiver shall be subject to revocation by him and may be subject to the school fulfilling such other conditions relating to fees and charges as may for the time being be specified by him including, in particular, conditions requiring that he be given notice of proposals to increase fees or charges.

(3) No fee or other charge shall be designated for remission in accordance with paragraph 12 or 13 of the Scheme specified in Schedule 1 without the approval of the Secretary of State.

Publication of information

5.—(1) A school shall publish—

- (a) particulars of the Scheme;
- (b) annual particulars of the number of aided places likely to be offered in the year in question together with information as to the making of applications therefor and as to arrangements for selection, admission and the remission of fees and charges, and
- (c) such other information as may be specified for the purposes hereof by the Secretary of State.

(2) Subject to any directions given by the Secretary of State for the purposes hereof, either in the case of a named school or all the schools, anything required to be published under sub-paragraph (1) shall be published in such manner, and at such time or times, as appears to the school appropriate for the purpose of bringing the particulars or information to the attention of parents likely to be interested therein.

Returns etc. required by the Secretary of State

6. A school shall furnish the Secretary of State with such periodic returns and information as he may require relating to the school or aided pupils thereat including, in particular, information relevant to an intended increase in fees or charges for aided pupils.

School accounts

7.—(1) The accounts of a school shall—

- (a) if the Secretary of State so requires, be kept in a form specified by him;
- (b) be audited by an independent auditor.

(2) At the request of the Secretary of State, a school shall furnish him with copies of their accounts for such periods as he may specify together with copies of the auditor's certificate relating thereto.

Teachers

8. A school shall comply with any prohibition or restriction imposed for the purposes hereof by the Secretary of State on the employment of a person as a teacher where the person has been convicted of a criminal offence or has otherwise misconducted himself so as to render such a prohibition or restriction expedient in the opinion of the Secretary of State.

School governing body

9.—(1) If, after consultation with a particular school, the Secretary of State so directs, as from a date specified by him whichever of the following conditions as is specified in his direction shall apply in the case of that school, namely—

- (a) the governing body shall include one or two members, as he may specify, appointed by him, or
- (b) one or two persons representing him, as he may specify, shall be entitled to attend, and take part in any discussions at, meetings of the governing body notwithstanding that they are not members thereof and have no say in any decision taken.

(2) This paragraph shall apply in relation to a committee or sub-committee of the governing body of a school and the meetings thereof as it applies in relation to the governing body and that body's meetings.

- (b) to make alterations to existing premises,

shall be notified to the Secretary of State.

(2) If in the case of any such proposals he so requires, the proposals shall not be implemented without his approval which may be given either unconditionally or subject to conditions specified by him being fulfilled.

Proposals relating to boarding arrangements

11.—(1) Any proposals by a school—

- (a) to make arrangements for boarding pupils, or
- (b) to change existing arrangements for such pupils,

shall, if the Secretary of State so requires, be notified to him.

(2) If in the case of any such proposals he so requires, the proposals shall not be implemented without his approval which may be given either unconditionally or subject to conditions specified by him being fulfilled.

Mark Carlisle,
Secretary of State for
Education and Science.

19th May 1981.

EXPLANATORY NOTE

(This Note is not part of the Regulations.)

These Regulations provide, first, for the payment of grant to the schools mentioned in Regulation 4 (the Chetham's School of Music, the Purcell School, the Lower Division of the Royal Ballet School, the Wells Cathedral School and the Yehudi Menuhin School) by way of reimbursement of their expenditure in operating the aided pupils scheme specified in Schedule 1 (*Regulation 6*). Secondly, they revoke the Royal Ballet School and Yehudi Menuhin School (Grants) Regulations 1973, which provide for the payment of grants in respect of expenditure arising out of fee remission arrangements approved by the Secretary of State (*Regulation 2*). In the case of pupils who enjoyed the benefit of those arrangements certain transitional provisions apply (*paragraph 1(1) of Schedule 1 and paragraph 3(2) of Schedule 2*).

Payment of grant to a school is subject to the conditions set out in Schedule 2 (*Regulation 7*). In particular, the Secretary of State is enabled to control the number of aided places granted at a school and the level of fees and charges thereat (*paragraphs 1, 2 and 4*), aided places are only to be granted to children who will be educated in music or, as the case may be, ballet dancing (*paragraph 3(1)*) and, subject to the transitional provisions mentioned above, a school is not to grant aided places to children who were attending that school before 1st September 1981 (*paragraph 3(2)*). Further, the Secretary of State may require that he be represented on, or at meetings of, a school governing body (*paragraph 9*).

Part I of the Scheme in Schedule 1 deals with eligibility for aided places. In particular, a child must have been ordinarily resident in the United Kingdom, the Channel Islands or the Isle of Man throughout the two years preceding 1st January before he would take up an aided place except that special provision is made for children of certain European Community nationals and for refugee children (*paragraph 2*). He must have attained the age of 8 years or had his eighth birthday before 1st August next following his taking up an aided place (*paragraph 3*).

Part II contains general provisions relating to aid, whether by way of remission of fees and charges in pursuance of Part III or by way of uniform and school travelling grants in pursuance of Part IV. The fees and charges qualifying for remission (other than meal charges for day pupils) are those designated by the school in question with the approval of the Secretary of State (*paragraph 11*). The extent of remission is determined by reference to relevant income (defined in *paragraph 7*) but the entire fees and charges fall to be remitted where that income does not exceed £4,150, in the case of a boarder, or £5,150, in the case of a day pupil (*paragraphs 12 and 13*). In the case of meal charges for day pupils, a half of the charges are to be remitted where the relevant income does not exceed £4,000 except that the whole of those charges is to be remitted if the pupil's parents are in receipt of supplementary benefit or family income supplement. School uniform grants are payable every other year, in the case of a pupil's first year, where the relevant income does not exceed £5,200 and, in the case of a subsequent year, where it does not exceed £4,800 (*paragraph 15*). Expenses incurred in respect of journeys to and from school by public and certain other forms of transport qualify for school travel grants (*paragraph 16*). In the case of a boarding pupil, grant is in respect of six return journeys a year (*paragraph 17*). In the case of a day pupil, it is in respect of journeys between home and school where the walking distance exceeds three miles subject, however, to a limitation where the journey exceeds twenty-five miles (*paragraph 18*). The amount, if any, of a school travel grant falls to be determined by reference to relevant income (*paragraph 19*).
