EXPLANATORY NOTE

(This Note is not part of the Order.)

This Order imposes a definitive anti-dumping duty on imports into the United Kingdom of certain sheets and plates of iron or steel as described in the Order, originating in Brazil.

The United Kingdom is under a Community obligation to impose the duty by virtue of Commission Recommendation 2975/82/ECSC which fixes the rate of duty as equal to 82.77 European Currency Units (ECU) per 1,000 kilogrammes net but also provides that where the importer establishes to the satisfaction of the competent national authorities (in the United Kingdom the Commissioners of Customs and Excise) that the quality of the goods is inferior to the lowest quality described in the last publication of the basic prices by the Commission the rate of duty shall be reduced. For the period until 1st December 1982, the basic prices for iron and steel products published by the Commission are contained in OJ No. L372, 29.12.1981, p.1 which also sets the equivalent value of one ECU as £0.582920. The Commission has published (in OJ No. L321, 17.11.1982, p.1) the basic prices which are effective from 1st December 1982 and this publication also sets the equivalent value of one ECU from that date as £0.551012, but the Commission may adjust these figures from time to time.

The Order replaces the Customs Duties (ECSC) Provisional Anti-Dumping Order 1982 ("the original Order") and duty is now payable by virtue of this Order and the Anti-Dumping and Countervailing Duties Order 1978 (S.I. 1978/1147) subject to reduction as specified above. The duty charged under the original Order (but which, in accordance with Article 2 of the Anti-Dumping and Countervailing Duties Order 1978, was not collected on importation where the importer gave security for the amount of the duty to the Commissioners of Customs and Excise) will now be payable to the extent that it does not exceed the rate of duty equal to 82.77 ECU per 1000 kilogrammes net.

The rate of duty chargeable on goods imported into the United Kingdom on or after 10th November 1982 is the rate provided for by this Order. Section 6(2)(d) of the Finance Act 1978 enables provision to be made in respect of goods imported into the United Kingdom before the Order comes into force.
