EXPLANATORY NOTE

(This Note is not part of the Order.)

This Order, which comes into operation on 1st July 1982, provides for the administration of the United Kingdom's share of the tariff quota opened for the period of 1st July 1982 to 30th June 1983 by the European Economic Community (EEC), under the provisions of the EEC Regulation specified in the Order, providing exemption from customs duty on import into the United Kingdom for home use of rum, arrack and tafia originating in various African, Caribbean and Pacific States.

This Order modifies the application of the general provisions of the Customs Duties Quota Relief (Administration) Order 1976 so as to require that an application for relief from duty must be accompanied by the necessary origin documents and to ensure that relief from customs duty is restricted to goods entered for home use for both customs duty and excise duty purposes.
