EXPLANATORY NOTE

(This Note is not part of the Scheme.)

This scheme varies the Plant Breeders' Rights (Trees, Shrubs and Woody Climbers) Scheme 1969 by adding (in paragraph 2) *Choisya* Kunth to the genera and species of which plant varieties may be the subject of plant breeders' rights under Part I of the Plant Varieties and Seeds Act 1964, twenty-five years being prescribed as the period during which the rights may be exercised. The 1969 Scheme, as read with the 1964 Act, and as varied by this scheme, provides that infringements of the rights in the registered name of a variety of *Choisya* Kunth may be the subject of legal proceedings when committed in connection with any variety of *Choisya*.

This scheme also provides (in paragraph 2) that a compulsory licence granted by the Controller of Plant Variety Rights in respect of a variety of *Choisya* shall not have effect during the period of three years from the date of the grant of rights in that variety.

Plant breeders' rights in respect of varieties of *Choisya* are not extended to the production or propagation of the varieties for the purpose of selling cut blooms, foliage or stems thereof.
