Alloy wire rod
Round and flat wire
Other wire products (barbed wire, galvanised wire fencing, wire nails and bale ties)
Black plate
Silicon electrical sheet and strip
Tin free steel
Cold-rolled strip
Cold-finished and other bar (cold-formed, not cold-formed and hollow drill steel)
Bar shapes under 3 inches
Reinforcing bars

It also amends Article 3 of the 1985 Order so as not to apply the export prohibition on these additional products to an exportation which is in accordance with a European Community export licence issued by the competent authority of a Member State in conformity with the provisions of Commission Regulation (EEC) No. 2305 and Commission Decision No. 2306/85/ECSC. In the United Kingdom the competent authority is the Secretary of State for Trade and Industry.
