- (a) by a harbour authority or lighthouse authority, or
 - (b) by any other person, if the consent of a harbour authority or lighthouse authority is required.
- 20.** Deposit of any article or substance in the maintenance of harbour, coast protection (other than beach replenishment), drainage or flood control works, if made on the site of the works.
- 21.** Deposit for the purpose of treating oil on the surface of the sea of any substance produced for that purpose subject to the conditions—
- (a) that the substance is a substance the use of which is for the time being approved by the licensing authority;
 - (b) that the substance is used in accordance with any conditions to which the approval was subject; and
 - (c) that no deposit is made in an area of the sea of a depth of less than 20 metres or within one mile of any such area save with the approval of the licensing authority.
- 22.** Deposit of any equipment for the purpose of controlling, containing or recovering oil, mixtures containing oil, flotsam or algal blooms on or near to the surface of the sea.
- 23.** Deposit of any scientific instrument or associated equipment (otherwise than for the purpose of disposal) in connection with scientific experiment or survey.
- 24.** Launching of vessels or marine structures.
- 25.** Deposit under the sea-bed of any substance or article (otherwise than for the purpose of disposal) in connection with the construction or operation of a bored tunnel subject to the conditions—
- (a) that notice of intention to construct the tunnel is first given to the licensing authority; and
 - (b) that the approval of the licensing authority is first obtained to the doing of anything which might disturb the marine environment or the living resources which it supports.

EXPLANATORY NOTE

This order, which does not apply to Northern Ireland or to United Kingdom waters adjacent to Northern Ireland, exempts specified operations from the licensing requirements of Part II of the Food and Environment Protection Act 1985 (deposits in the sea).
