
STATUTORY INSTRUMENTS

1985 No. 967

SOCIAL SECURITY

The Social Security (Industrial Injuries) (Prescribed Diseases) Regulations 1985

<i>Made</i>	- - - -	<i>24th June 1985</i>
<i>Laid before Parliament</i>		<i>10th July 1985</i>
<i>Coming into Operation</i>		<i>31st July 1985</i>

The Secretary of State for Social Services, in exercise of powers conferred by sections 76, 77, 78, 113 and 155 of and Schedule 20 to the Social Security Act 1975, and of all other powers enabling him in that behalf, and for the purpose only of consolidating regulations hereinafter revoked, after consultation with the Council on Tribunals in so far as is required by section 10 of the Tribunals and Inquiries Act 1971, hereby makes the following regulations:—

PART I

GENERAL

Citation, commencement and interpretation

1.—(1) These regulations may be cited as the Social Security (Industrial Injuries) (Prescribed Diseases) Regulations 1985 and shall come into operation on 31st July 1985.

(2) In these regulations, unless the context otherwise requires—

“the Act” means the Social Security Act 1975;

[^{F1}“the 1998 Act” means the Social Security Act 1998;]

“the Workmen's Compensation Acts” means the Workmen's Compensation Acts 1925 to 1945, or the enactments repealed by the Workmen's Compensation Act 1925, or the enactments repealed by the Workmen's Compensation Act 1906;

“the Adjudication Regulations” means the Social Security (Adjudication) Regulations 1984⁽¹⁾;

“the Benefit Regulations” means the Social Security (General Benefit) Regulations 1982⁽²⁾;

⁽¹⁾ amended by S.I. 1984/613, 1991 and 1985/159.

⁽²⁾ relevant amending instruments are S.I. 1983/186, 981.

Status: This revised version has been created from an electronic version contributed by Westlaw which was originally derived from the printed publication. **Read more** (See end of Document for details)**Changes to legislation:** There are currently no known outstanding effects for the The Social Security (Industrial Injuries) (Prescribed Diseases) Regulations 1985. (See end of Document for details)

“the Claims and Payments Regulations” means the Social Security (Claims and Payments) Regulations 1979(3);

F2 ...

“asbestosis” means fibrosis of the parenchyma of the lungs due to the inhalation of asbestos dust;

“asbestos textiles” means yarn or cloth composed of asbestos or of asbestos mixed with any other material;

“coal mine” means any mine where one of the objects of the mining operations is the getting of coal (including bituminous coal, cannel coal, anthracite, lignite, and brown coal);

“diffuse mesothelioma” means the disease numbered D3 in Part I of Schedule 1 to these regulations;

“employed earner” means employed earner for the purposes of industrial injuries benefit and the term “employed earner's employment” shall be construed accordingly;

“foundry” means those parts of industrial premises where the production of metal articles (other than pig iron or steel ingots) is carried on by casting (not being diecasting or other casting in metal moulds), together with any part of the same premises where any of the following processes are carried on incidentally to such production, namely, the drying and subsequent preparation of sand for moulding (including the reclamation of used moulding sand), the preparation of moulds and cores, knock-out operations and dressing or fettling operations;

“grindstone” means a grindstone composed of natural or manufactured sandstone and includes a metal wheel or cylinder into which blocks of natural or manufactured sandstone are fitted;

[^{F3}“knock out and shake out grid” means a grid used for mechanically separating moulding sand from mouldings and castings;]

“a local office” means any office appointed by the Secretary of State as a local office for the purposes of the Act or of these regulations;

F4 ...

“medical board” has the same meaning as in regulation 30 of the Adjudication Regulations;

[^{F5}“medical practitioner” means a medical practitioner who has experience in the issues specified in regulation 12(1) of the Social Security and Child Support (Decisions and Appeals) Regulations 1999;]

[^{F6}“metal” for the purposes of the disease number A10 in Part I of Schedule 1 to these Regulations, does not include stone, concrete, aggregate or similar substances for use in road or railway construction;]

“mine” includes every shaft in the course of being sunk, and every level and inclined plane in the course of being driven, and all the shafts, levels, planes, works, tramways and sidings, both below ground and above ground, in and adjacent to and belonging to the mine, but does not include any part of such premises on which any manufacturing process is carried on other than a process ancillary to the getting or dressing of minerals or the preparation of minerals for sale;

“occupational asthma” means the disease numbered D7 in Part I of Schedule 1 to these regulations;

“occupational deafness” means the disease numbered A10 in Part I of Schedule 1 to these regulations;

“the old regulations” means the Social Security (Industrial Injuries) (Prescribed Diseases) Regulations 1980 , as amended by the Social Security (Industrial Injuries) (Prescribed

(3) relevant amending instruments are S.I. 1980/1621 , 1982/1241, 1344, 1983/1015, 1984/458, 550 and 1985/600.

Status: This revised version has been created from an electronic version contributed by Westlaw which was originally derived from the printed publication. **Read more** (See end of Document for details)**Changes to legislation:** There are currently no known outstanding effects for the The Social Security (Industrial Injuries) (Prescribed Diseases) Regulations 1985. (See end of Document for details)

Diseases) Amendment Regulations 1980, the Social Security (Industrial Injuries) (Prescribed Diseases) Amendment Regulations 1982 and the Social Security (Industrial Injuries) (Prescribed Diseases) Amendment (No. 2) Regulations 1982;

“prescribed disease” means a disease or injury prescribed under Part II of these regulations, and references to a prescribed disease being contracted shall be deemed to include references to a prescribed injury being received;

[^{F7}“primary carcinoma of the lung” means the diseases numbered D8, [^{F8}D8A,] D10 and D11 in Schedule 1 to these Regulations;]

“the Secretary of State” means the Secretary of State for Social Services;

“silica rock” means quartz, quartzite, ganister, sandstone, gritstone and chert, but not natural sand or rotten rock;

[^{F3}“skid transfer bank” means the area of a steel mill where the steel product is moved from the area of its formation to the finishing area;]

^{F2} ...

^{F2} ...

“tuberculosis” in the description of the disease numbered B5 in Part I of Schedule 1 to these regulations means disease due to tuberculous infection, but when used elsewhere in these regulations in connection with pneumoconiosis means tuberculosis of the respiratory system only;

and other expressions have the same meanings as in the Act.

(3) Unless the context otherwise requires, any reference in these regulations—

- (a) to a numbered section or Schedule is to the section of or, as the case may be, the Schedule to the Act bearing that number; and
- (b) to a numbered regulation is a reference to the regulations bearing that number in these regulations, and any reference in a regulation to a numbered paragraph is a reference to the paragraph of that regulation bearing that number; and
- (c) to any provision made by or contained in any enactment or instrument shall be construed as including a reference to any provision which it re-enacts or replaces, with or without modification.

[^{F9}(4) In these Regulations, any reference to death benefit shall be taken as including also a reference to any benefit in respect of which contribution conditions are taken as having been satisfied in accordance with paragraph 10 of Schedule 3 to the Social Security Act 1986.]

PART II

PRESCRIPTION OF DISEASES AND PRESUMPTION AS TO THEIR ORIGIN

Prescription of diseases and injuries and occupations for which they are prescribed

2. For the purposes of Chapter V of Part II of the Act—

- (a) subject to [^{F10}the following paragraphs] of this regulation and to regulation 43(3), (5) and (6), each disease or injury set out in the first column of Part I of Schedule 1 hereto is prescribed in relation to all persons who have been employed on or after 5th July 1948 in employed earner's employment in any occupation set against such disease or injury in the second column of the said Part;
- (b) pneumoconiosis is prescribed—
- (i) in relation to all persons who have been employed on or after 5th July 1948 in employed earner's employment in any occupation set out in Part II of the said Schedule; and
- (ii) in relation to all other persons who have been so employed in any occupation involving exposure to dust and who have not worked at any time (whether in employed earner's employment or not) in any occupation in relation to which pneumoconiosis is prescribed by virtue of regulations (apart from this sub-paragraph) in force—
- (a) in the case of any claim for disablement benefit or a claim for death benefit in respect of the death of a person to whom disablement benefit has been awarded in respect of pneumoconiosis, on the date of the claim for disablement benefit;
- (b) in the case of a claim for death benefit in respect of the death of any other person, on the date of the death of that person;
- (c) occupational deafness is prescribed in relation to all persons who have been employed in employed earner's employment—
- (i) at any time on or after 5th July 1948; and
- (ii) for a period or periods (whether before or after 5th July 1948) amounting in the aggregate to not less than 10 years
- in one or more of the occupations set out in the second column of paragraph A10 of Part I of Schedule 1 to these regulations ^{F11}...
- [^{F12}(d) the disease specified in paragraph D12 of Part I of Schedule 1 is not prescribed in relation to persons to whom regulation 22 applies.]
- [^{F13}(e) cataract is not prescribed unless the person was employed in employed earner's employment in an occupation set out in the second column of paragraph A2 of Part I of

Status: This revised version has been created from an electronic version contributed by Westlaw which was originally derived from the printed publication. **Read more** (See end of Document for details) **Changes to legislation:** There are currently no known outstanding effects for the The Social Security (Industrial Injuries) (Prescribed Diseases) Regulations 1985. (See end of Document for details)

Schedule 1 to these regulations for a period or periods amounting in aggregate to not less than 5 years.]

- F10** Words in reg. 2(a) substituted (10.7.2000) by [The Social Security \(Industrial Injuries\) \(Prescribed Diseases\) Amendment Regulations 2000 \(S.I. 2000/1588\)](#), regs. 1, **2(2)**
- F11** Words in reg. 2(c) omitted (14.3.2005) by virtue of [The Social Security \(Industrial Injuries\) \(Prescribed Diseases\) Amendment Regulations 2005 \(S.I. 2005/324\)](#), regs. 1(1), **2(1)**
- F12** Reg. 2(d) inserted (13.9.1993) by [The Social Security \(Industrial Injuries\) \(Prescribed Diseases\) Amendment \(No. 2\) Regulations 1993 \(S.I. 1993/1985\)](#), regs. 1, **2**
- F13** Reg. 2(e) inserted (10.7.2000) by [The Social Security \(Industrial Injuries\) \(Prescribed Diseases\) Amendment Regulations 2000 \(S.I. 2000/1588\)](#), regs. 1, **2(3)** (with reg. 7)

Sequelae or resulting conditions

3. Where a person—

- (a) is or was in employed earner's employment and a disease is or was prescribed under the Act and these regulations in relation to him in such employment; and
- (b) is suffering from a condition which, in his case, has resulted from that disease;

the provisions of Chapter V of Part II of the Act and of these regulations shall apply to him as if he were suffering from that disease, whether or not the condition from which he is suffering is itself a prescribed disease.

[^{F14}Presumption that a disease is due to the nature of employment

4.—(1) Where a person has developed a disease which is prescribed in Part I of Schedule 1 in paragraphs A3(a), A4, A5, A6, A7, A8, A11, B1(a), B3, B4(a), B9, B10, B11, B12, B14, B15, C3, C24A, D4 or D7, that disease shall, unless the contrary is proved, be presumed to be due to the nature of that person's employed earner's employment if—

- (a) that employment was in any occupation set against that disease in the second column of that Part; and
- (b) the person was so employed on, or at any time within one month immediately preceding, the date on which, under these Regulations, that person is treated as having developed the disease.

(2) Where a person has developed a disease which is prescribed in Part I of Schedule 1 in paragraphs A1, A2, A3(b), A10, A13, A14, [^{F15}A15,] B2, B6, B8B, B13, C17, C18, C22(a), C24, C31, C32, [^{F16}C34,] D2, D3, D6, D8, D8A, D9, D10, D11, D12 or D13, that disease shall, unless the contrary is proved, be presumed to be due to the nature of that person's employed earner's employment if that employment was in any occupation set against that disease in the second column of that Part.

(3) Where a person in relation to whom tuberculosis is prescribed in paragraph B5 of Part I of Schedule 1 in respect of the occupation set out in sub-paragraph (a) in the second column of the entry relating to that disease, develops that disease, that disease shall, unless the contrary is proved, be presumed to be due to the nature of that person's employed earner's employment if the date on which, under these Regulations, that person is treated as having developed the disease is—

- (a) not less than six weeks after the date on which that person was first employed in that occupation; and
- (b) not more than two years after the date on which that person was last so employed in that occupation.

Status: This revised version has been created from an electronic version contributed by Westlaw which was originally derived from the printed publication. **Read more** (See end of Document for details)**Changes to legislation:** There are currently no known outstanding effects for the The Social Security (Industrial Injuries) (Prescribed Diseases) Regulations 1985. (See end of Document for details)

(4) Where a person has developed a disease which is prescribed in Part I of Schedule 1 in paragraphs B1(b), B4(b), B7 and B8A, that disease shall, unless the contrary is proved, be presumed to be due to the nature of that person's employed earner's employment if—

- (a) that employment was in any occupation set against that disease in the second column of that Part; and
- (b) that person was so employed—
 - (i) on the date on which, under these Regulations, that person is treated as having developed the disease; or
 - (ii) on a date at any time within—
 - (aa) in the case of B1(b) or B8A, two months;
 - (bb) in the case of B7, six months; or
 - (cc) in the case of B4(b), twelve months

immediately preceding the date on which, under these Regulations, that person is treated as having developed the disease.

(5) Where a person in relation to whom carpal tunnel syndrome is prescribed in paragraph A12 of Part I of Schedule 1 in respect of the occupation set out in sub-paragraph (b) in the second column of the entry relating to that disease, develops that disease, it shall, unless the contrary is proved, be presumed to be due to the nature of that person's employed earner's employment if that person was employed in that occupation on the date, or at any time within one month immediately preceding the date, on which under these Regulations that person is treated as having developed the disease.

(6) Where a person in relation to whom primary neoplasm of the epithelial lining of the urinary tract is prescribed in paragraph C23 of Part I of Schedule 1 in respect of the occupation set out in sub-paragraph (a), (b) or (e) in the second column of the entry relating to that disease, develops that disease, it shall, unless the contrary is proved, be presumed to be due to the nature of that person's employed earner's employment.

(7) Where a person in relation to whom pneumoconiosis is prescribed in regulation 2(b)(i) develops pneumoconiosis, the disease shall, unless the contrary is proved, be presumed to be due to the nature of that person's employed earner's employment if that person has been employed in either of the occupations set out in Part II of Schedule 1 for a period or periods amounting in aggregate to not less than 2 years in employment which either was employed earner's employment or would have been employed earner's employment if it had taken place on or after 5th July 1948.]

- F16** Word in reg. 4(2) inserted (30.3.2017) by [The Social Security \(Industrial Injuries\) \(Prescribed Diseases\) Amendment Regulations 2017 \(S.I. 2017/232\)](#), regs. 1(1), **2**

PART III

DATE OF ONSET AND RECRUDESCENCE

Development of disease

5.—^[F17(1)] If on a claim for benefit under Chapter V of Part II of the Act in respect of a prescribed disease a person is found to be or to have been suffering from the disease, or to have died as the

Status: This revised version has been created from an electronic version contributed by Westlaw which was originally derived from the printed publication. **Read more** (See end of Document for details) **Changes to legislation:** There are currently no known outstanding effects for the The Social Security (Industrial Injuries) (Prescribed Diseases) Regulations 1985. (See end of Document for details)

result thereof, the disease shall, for the purposes of such claim, be treated as having developed on a date (hereafter in these regulations referred to as “the date of onset”) determined in accordance with the provisions of the next 2 following regulations.

[^{F18}(2) Where a person claims benefit under Part V of the Contributions and Benefits Act and it is decided that he is not entitled on the basis of a finding that he was not suffering from a prescribed disease, the finding shall be conclusive for the purpose of a decision on a subsequent claim of that kind in respect of the same disease and the same person.]

- F17** Reg. 5(1): reg. 5 renumbered as reg. 5(1) (18.3.2005) by [The Social Security, Child Support and Tax Credits \(Miscellaneous Amendments\) Regulations 2005 \(S.I. 2005/337\)](#), regs. 1, 5
- F18** Reg. 5(2) added (18.3.2005) by [The Social Security, Child Support and Tax Credits \(Miscellaneous Amendments\) Regulations 2005 \(S.I. 2005/337\)](#), regs. 1, 5

Date of onset

6.—(1) For the purposes of the first claim in respect of a prescribed disease suffered by a person, the date of onset shall be determined in accordance with the following provisions of this regulation, and, save as provided in regulation 7, that date shall be treated as the date of onset for the purposes of any subsequent claim in respect of the same disease suffered by the same person, so however that—

- (a) ^{F19}... any date of onset determined for the purposes of that claim shall not preclude fresh consideration of the question whether the same person is suffering from the same disease on any subsequent claim for or award of benefit; and
 - (b) if, on the consideration of a claim, [^{F20}the degree of disablement is assessed at less than one per cent], any date of onset determined for the purposes of that claim shall be disregarded for the purposes of any subsequent claim.
- (2) Where the claim for the purposes of which the date of onset is to be determined is—
- (a) a claim for sickness benefit made by virtue of section 50A of the Act⁽⁴⁾ by a person to whom regulation 8(1) applies (except in respect of pneumoconiosis, byssinosis, diffuse mesothelioma, occupational deafness, occupational asthma, [^{F21}primary carcinoma of the lung][^{F22}, bilateral diffuse pleural thickening or [^{F23}chronic obstructive pulmonary disease]] the date of onset shall be the first day on which the claimant was incapable of work as the result of the disease on or after 5th July 1948;
 - (b) a claim for disablement benefit (except in respect of occupational deafness), the date of onset shall be the day on which the claimant first suffered from the relevant loss of faculty on or after 5th July 1948; and the date of onset so determined shall be the date of onset for the purposes of a claim for sickness benefit made by virtue of section 50A of the Act in respect of pneumoconiosis, byssinosis, diffuse mesothelioma, occupational asthma, [^{F21}primary carcinoma of the lung][^{F24}, bilateral diffuse pleural thickening or [^{F25}chronic obstructive pulmonary disease]] ;
 - (c) a claim for disablement benefit in respect of occupational deafness, the date of onset shall be the day on which the claimant first suffered from the relevant loss of faculty on or after 3rd February 1975; or, if later—
 - (i) 3rd September 1979 in the case of a claim made before that date which results in the payment of benefit commencing on that date, and
 - (ii) in any other case, the date on which such claim is made as results in the payment of benefit; or

(4) Section 50A was inserted by the Social Security and Housing Benefits Act 1982 (c.24), section 39(4) .

Status: This revised version has been created from an electronic version contributed by Westlaw which was originally derived from the printed publication. **Read more** (See end of Document for details)
Changes to legislation: There are currently no known outstanding effects for the The Social Security (Industrial Injuries) (Prescribed Diseases) Regulations 1985. (See end of Document for details)

(d) a claim for death benefit, the date of onset shall be the date of death.

Recrudescence

7.—(1) [^{F26}Where in respect of a prescribed disease other than pneumoconiosis, byssinosis, diffuse mesothelioma, occupational deafness, occupational asthma, [^{F27}primary carcinoma of the lung][^{F28}, bilateral diffuse pleural thickening or [^{F29}chronic obstructive pulmonary disease]], a person's disablement has been assessed at not less than one per cent. and he] suffers from another attack of the same disease, or dies as a result thereof, then—

- (a) if the further attack commences or the death occurs during a period taken into account by [^{F30}that assessment] (which period is in this regulation referred to as a “relevant period”) the disease shall be treated as a recrudescence of the attack to which the relevant period relates, unless it is otherwise determined in the manner referred to in the following subparagraph;
- (b) if the further attack commences or the death occurs otherwise than during a relevant period, or if it is determined^{F31}... that the disease was in fact contracted afresh, it shall be treated as having been so contracted.

(2) For the purposes of paragraph (1), a further attack of a prescribed disease shall be deemed to have commenced on the date on which the person concerned was first incapable of work or first suffered from the relevant loss of faculty, whichever is earlier, as a result of that further attack.

(3) Where, under the foregoing provisions of this regulation, a disease is treated as having been contracted afresh, the date of onset of the disease in relation to the fresh contraction shall be the date on which the person concerned was first incapable of work or first suffered from the relevant loss of faculty, whichever is earlier, as a result of the further attack, or in the event of his death, the date of death.

(4) Where, under the provisions aforesaid, a disease is treated as a recrudescence, any assessment of disablement in respect of the recrudescence during a period taken into account by a previous assessment of disablement shall be by way of [^{F32}a supersession of the assessment relating to the relevant period.]

(5) This regulation shall not apply in relation to a claim for sickness benefit made by virtue of section 50A of the Act except where such a claim is made by a person to whom regulation 8(1) applies.

Workmen's compensation cases

8.—(1) If under the foregoing provisions of this Part of these regulations a date of onset has to be determined for the purposes of a claim for benefit in respect of a prescribed disease, other than pneumoconiosis or byssinosis, suffered by a person to whom compensation under the Workmen's Compensation Acts has been awarded or paid in respect of the same disease and, at the date of such claim for benefit, or, if it is a claim for death benefit, at the date of death—

- (a) that person was in receipt of weekly payments in respect of such compensation; or
- (b) any liability or alleged liability for such compensation had been redeemed by the payment of a lump sum, or had been the subject of a composition agreement under the provisions of the said Acts;

the disease in respect of which the claim is made shall be treated for the purposes of these regulations as a recrudescence of the disease in respect of which such compensation was awarded or paid and not as having developed on or after 5th July 1948 unless it is determined ^{F33}... that the disease was in fact contracted afresh.

(2) If it is determined as provided in the foregoing paragraph that the disease was contracted afresh, or if compensation is not being or has not been paid as provided in sub-paragraph (a) or (b) thereof, the date of onset shall be determined in accordance with regulations 5 to 7 as if no compensation under the Workmen's Compensation Acts had been paid in respect of that disease.

(3) If the date of onset has to be determined as aforesaid in respect of pneumoconiosis or byssinosis suffered by a person to whom compensation has been awarded or paid in respect of the same disease or in respect of whose death compensation has been awarded or paid under the provisions of any scheme made under the provisions of the Workmen's Compensation Acts relating to compensation for silicosis, asbestosis, pneumoconiosis or byssinosis, the disease in respect of which the claim is made shall (subject to the provisions of regulation 9(2)(b)) be treated for the purposes of these regulations as not having developed on or after 5th July 1948.

(4) If, after the date of a claim for benefit in respect of a prescribed disease, the claimant receives a weekly payment of compensation in respect of that disease under the Workmen's Compensation Acts which he was not receiving at the date of such claim, or if the amount of any such weekly payment which he was receiving at that date is increased, then any decision on any [^{F34}issue] arising in connection with that claim, if given before the date of, or in ignorance of the fact of, the receipt of such weekly payment or increased weekly payment, may be [^{F34}revised or superseded] as if it had been given in ignorance of a material fact, and on such [^{F34}revision or supersession] the [^{F34}issue] may be decided as if the claimant had been in receipt of such weekly payment or increased

(See end of Document for details)

weekly payment at the date of the claim, and the foregoing provisions of this regulation shall apply accordingly.

(5) For the purposes of this regulation, a person shall be deemed to be, or to have been, in receipt of a weekly payment of compensation if—

- (a) he is or was in fact receiving such payment; or
- (b) he is or was entitled thereto under an award or agreement made under the Workmen's Compensation Acts.

(6) This regulation shall apply to compensation under any contracting out scheme duly certified under the Workmen's Compensation Acts as it applies to compensation under those Acts.

Re-employment of pneumoconiotics and special provisions for benefit (workmen's compensation cases)

9.—(1) Where a person—

- (a) has been certified by a medical board under the provisions of any scheme made under the provisions of the Workmen's Compensation Acts to be suffering from silicosis or pneumoconiosis not accompanied in either case by tuberculosis and has been awarded or paid compensation under the provisions of any such scheme, and by reason of such certification has been suspended from employment in any industry or process or in any particular operation or work in any industry, and
- (b) wishes to start work in employed earner's employment in any occupation involving work underground in any coal mine, or the working or handling above ground at any coal mine of any minerals extracted therefrom, or any operation incidental thereto, being an occupation in which he is allowed by certificate of the medical board under the provisions of the scheme to engage,

he shall, before starting any such work, submit himself under arrangements made or approved by the Secretary of State for medical examination by a [^{F35}medical practitioner].

(2) Where a person submits himself for medical examination in accordance with the provisions of the foregoing paragraph, the provisions of the Act and the regulations made thereunder shall apply to him subject to the following modifications:—

- [^{F36}(a) A medical practitioner shall provide a report to the Secretary of State to enable him to determine at what degree the extent of disablement resulting from pneumoconiosis should be assessed in his case.]
- (b) Where the extent of disablement has been determined in his case in accordance with the provisions of the foregoing sub-paragraph by [^{F37}the Secretary of State or an appeal tribunal], and he starts any such work as is mentioned in the foregoing paragraph, the provisions of regulation 38(a) (periodical examinations) shall apply to him as if he were making a claim for benefit in respect of pneumoconiosis, and the provisions of regulation 8(3) (pneumoconiosis shall in certain cases be treated as not having developed on or after 5th July 1948) shall cease to apply to him as from the date of starting such work.
- (c) If, after having started work as aforesaid, he makes a claim at any time for disablement benefit in respect of pneumoconiosis, the extent of disablement in his case shall be assessed

Status: This revised version has been created from an electronic version contributed by Westlaw which was originally derived from the printed publication. **Read more** (See end of Document for details)**Changes to legislation:** There are currently no known outstanding effects for the The Social Security (Industrial Injuries) (Prescribed Diseases) Regulations 1985. (See end of Document for details)

as if, ^{F38}to the extent decided by the Secretary of State or an appeal tribunal] his disabilities resulting from pneumoconiosis were contracted before the date of onset and were not incurred as the result of the relevant loss of faculty.

- (d) A person to whom a disablement pension is payable in respect of an assessment made in accordance with the provisions of the last foregoing sub-paragraph and who requires constant attendance shall, if the sum of that assessment and the assessment made in his case in accordance with the provisions of sub-paragraph (a) of this paragraph is not less than 100 per cent, have the like right to payments in respect of the need of such constant attendance as if the disablement pension were payable in respect of an assessment of 100 per cent.

(3) Where a person to whom sub-paragraph (a) of paragraph (1) applies has started any such work as is mentioned in sub-paragraph (b) thereof without having submitted himself for medical examination in accordance with the provisions of that paragraph, he may nevertheless, at any time whilst he is engaged in any such work, so submit himself for medical examination, and the provisions of the foregoing paragraph shall, if he continues thereafter to be engaged in any such work, apply to him as if he had started that work immediately after the medical examination.

(4) The Secretary of State, in making or approving any such arrangements for medical examination of any person as are mentioned in paragraph (1) shall, as far as possible, co-ordinate those arrangements with any arrangements for medical examination of that person made or approved under Part V of these regulations or under the Workmen's Compensation Acts.

PART IV

APPLICATION OF CHAPTERS IV AND VI OF PART II OF THE ACT AND OF REGULATIONS MADE THEREUNDER

Definition of “relevant disease”

10. In this Part of these regulations, unless the context otherwise requires, the expression “relevant disease” means, in relation to any claim for benefit in respect of a prescribed disease, the prescribed disease in respect of which benefit is claimed, but does not include any previous or subsequent attack of that disease, suffered by the same person, which, under the provisions of Part III of these regulations, is or has been treated—

- (a) as having developed on a date other than the date which, under the said provisions, is treated as the date of onset for the purposes of the claim under consideration;

Status: This revised version has been created from an electronic version contributed by Westlaw which was originally derived from the printed publication. **Read more** (See end of Document for details) **Changes to legislation:** There are currently no known outstanding effects for the The Social Security (Industrial Injuries) (Prescribed Diseases) Regulations 1985. (See end of Document for details)

- (b) as a recrudescence of a disease for which compensation has been paid or awarded under the Workmen's Compensation Acts.

Application of Chapters IV and VI of Part II of the Act

11. The provisions of Chapters IV and VI of Part II of the Act which relate to industrial injuries benefit and sickness benefit made by virtue of section 50A of the Act shall, in relation to prescribed diseases, be subject to the following provisions of this Part of these regulations, and, subject as aforesaid, to the additions and modifications set out in Schedule 2 hereto.

Application of Claims and Payments Regulations and Benefit Regulations

12.—(1) Save in so far as they are expressly varied or excluded by, or are inconsistent with, the provisions of this Part of these regulations or of regulation 25 or 36, the Claims and Payments Regulations and the Benefit Regulations shall apply in relation to prescribed diseases as they apply in relation to accidents.

(2) Save as provided in this Part of these regulations or where the context otherwise requires, references in the aforesaid regulations to accidents shall be construed as references to prescribed diseases, references to the relevant accident shall be construed as references to the relevant disease, references to the date of the relevant accident shall be construed as references to the date of onset of the relevant disease, and in regulation 17 of the Benefit Regulations (increase of disablement pension in cases of special hardship), the reference to the effects of the relevant injury shall be construed as a reference to the effects of the relevant disease.

Benefit not payable in cases covered by the Industrial Injuries and Diseases (Old Cases) Act 1975

13. Benefit shall not be payable by virtue of the provisions of these regulations in respect of the incapacity, disablement or death of any person as a result of any disease, if an award of benefit under the provisions of any Scheme made under the Industrial Injuries and Diseases (Old Cases) Act 1975 (not being an award which is subsequently [^{F39}revised or superseded so as to terminate entitlement]) has at any time been made in respect of any attack of the disease suffered by him, or in respect of his death.

F39 Words in reg. 13 substituted (4.7.1999) by [The Social Security Act 1998 \(Commencement No. 8, and Savings and Consequential and Transitional Provisions\) Order 1999 \(S.I. 1999/1958\)](#), art. 4, [Sch. 8 para. 5](#)

Diseases contracted outside Great Britain

14. For section 50(5) (accidents happening outside Great Britain) there shall be substituted the provision that, subject to the provisions of sections 129, 131 and 132, for the purpose of determining whether a prescribed disease is, or, under the provisions of Part II of these regulations is to be presumed to be, due to the nature of the person's employed earner's employment, that person shall be regarded as not being or as not having been in employed earner's employment during any period for which he is or was outside Great Britain, and accordingly benefit shall not be payable in respect of a prescribed disease which is due to the nature of employment in an occupation in which the person has only been engaged outside Great Britain.

Status: This revised version has been created from an electronic version contributed by Westlaw which was originally derived from the printed publication. **Read more** (See end of Document for details) **Changes to legislation:** There are currently no known outstanding effects for the The Social Security (Industrial Injuries) (Prescribed Diseases) Regulations 1985. (See end of Document for details)

[^{F40}Modification of paragraph 11(1) of Schedule 7 to the Social Security Contributions and Benefits Act 1992

14A. The provisions of paragraph 11(1) of Schedule 7 to the Social Security Contributions and Benefits Act 1992 shall be modified by adding after the words “(the day on which section 3 of the Social Security Act 1990 came into force)” the words

“and a person shall not be entitled to reduced earnings allowance—

- (i) in relation to a disease prescribed on or after 10th October 1994 under section 108(2) above; or
- (ii) in relation to a disease prescribed before 10th October 1994 whose prescription is extended on or after that date under section 108(2) above but only in so far as the prescription has been so extended”]

F40 Reg. 14A inserted (10.10.1994) by [The Social Security \(Industrial Injuries\) \(Prescribed Diseases\) Amendment Regulations 1994 \(S.I. 1994/2343\)](#), regs. 1, 3

Assessment of extent of disablement

15. For the purposes of paragraph 1(b) of Schedule 8 (disabilities to be taken into account in assessing the extent of the claimant's disablement) and of regulation 11 of the Benefit Regulations (which further defines the principles of assessment of disablement), an injury or disease other than the relevant disease shall be treated as having been received or contracted before the relevant disease if it was received or contracted on or before the date of onset, and as having been received or contracted after the relevant disease if it was received or contracted after that date.

[^{F41}Aggregation of Percentages of Disablement

15A.—(1) After the extent of an employed earner's disablement resulting from the relevant disease has been determined, the [^{F42}Secretary of State] shall add to the percentage of that disablement the assessed percentage of any present disablement of his resulting from

- (a) any accident after 4th July 1948 arising out of and in the course of his employment, being employed earner's employment, or
- (b) any other relevant disease due to the nature of that employment and developed after 4th July 1948,

and in respect of which a disablement gratuity was not paid to him under the Act after a final assessment of disablement.

(2) In determining the extent of an employed earner's disablement for the purposes of section 57 of the Act there shall be added to the percentage of disablement resulting from any relevant accident the assessed percentage of any present disablement of his resulting from any disease or injury prescribed for the purposes of Chapter V of Part II of the Act, which was both due to the nature of the employment and developed after 4th July 1948, and in respect of which a disablement gratuity was not paid to him under the Act after a final assessment of his disablement.

(3) This regulation is subject to the provisions of regulation 15B(3).]

F41 Regs. 15A-15B inserted (1.10.1986) by [The Social Security \(Industrial Injuries and Diseases\) Miscellaneous Provisions Regulations 1986 \(S.I. 1986/1561\)](#), regs. 1(1), 3(2)

F42 Words in reg. 15A substituted (4.7.1999) by [The Social Security Act 1998 \(Commencement No. 8, and Savings and Consequential and Transitional Provisions\) Order 1999 \(S.I. 1999/1958\)](#), art. 4, [Sch. 8 para. 6](#)

Status: This revised version has been created from an electronic version contributed by Westlaw which was originally derived from the printed publication. **Read more** (See end of Document for details) **Changes to legislation:** There are currently no known outstanding effects for the The Social Security (Industrial Injuries) (Prescribed Diseases) Regulations 1985. (See end of Document for details)

[^{F41}**Rounding**

15B.—(1) Subject to the provisions of this regulation, where the assessment of disablement is a percentage between 20 and 100 which is not a multiple of 10, it shall be treated—

- (a) if it is a multiple of 5, as being the next higher percentage which is a multiple of 10; and
- (b) if it is not a multiple of 5 as being the nearest percentage which is a multiple of 10,

and where it is 14 per cent. or more but less than 20 per cent. it shall be treated as 20 per cent.

(2) In a case to which regulation 15A (aggregation of percentages of disablement) applies, paragraph (1) shall have effect in relation to the aggregate percentage and not in relation to any percentage forming part of the aggregate.

(3) [^{F43}Where an assessment or a reassessment] states the degree of disablement due to occupational deafness as less than 20 per cent. that percentage shall be disregarded for the purposes of regulation 15A and this regulation.]

F43 Words in reg. 15B(3) substituted (13.12.1990) by [The Social Security \(Industrial Injuries\)\(Prescribed Diseases\) Amendment Regulations 1990](#) (S.I. 1990/2269), regs. 1, **2(3)**

Death benefit for woman having care of deceased's children

16.—(1) Section 73 (the entitlement to death benefit of a woman having the care of a child or children in respect of whom the deceased was entitled to child benefit) shall have effect as if for references to the date of the relevant accident there were substituted references to the relevant date.

(2) For the purposes of the last foregoing paragraph, the relevant date means the date of onset of the relevant disease, or the first day of the period of 26 weeks ending with the date of death, whichever is the later.

[^{F44}**Special provisions as to determination of regular occupation in relation to persons claiming reduced earnings allowance**

17. Where a person who has been assessed as at least one per cent. disabled in respect of a prescribed disease establishes that he has abandoned any occupation as a result of the relevant disease at any time after having been employed in employed earner's employment in any occupation prescribed for that disease but before the first day in respect of which he was so assessed, then for the purpose of determining his right to, or the rate of, reduced earnings allowance under Section 59A, any occupation he has so abandoned may be treated as his regular occupation for the purposes of that section.]

F44 Reg. 17 substituted (1.10.1986) by [The Social Security \(Industrial Injuries and Diseases\) Miscellaneous Provisions Regulations 1986](#) (S.I. 1986/1561), regs. 1(1), **6(2)**

Exception from requirements as to notice

18. Regulation 24 of the Claims and Payments Regulations (giving of notice of accidents in respect of which benefit may be payable) shall not apply in relation to prescribed diseases.

Status: This revised version has been created from an electronic version contributed by Westlaw which was originally derived from the printed publication. **Read more** (See end of Document for details) **Changes to legislation:** There are currently no known outstanding effects for the The Social Security (Industrial Injuries) (Prescribed Diseases) Regulations 1985. (See end of Document for details)

Provisions as to medical examination

19. Those provisions of section 89(1) and (2) which relate to the obligation of claimants to submit themselves to medical examination for the purpose of determining the effect of the relevant accident shall apply also to medical examinations for the purpose of determining whether a claimant or beneficiary is suffering or has suffered from a prescribed disease, and regulation 26 of the Claims and Payments Regulations shall be construed accordingly.

PART V

SPECIAL PROVISIONS AS TO PNEUMOCONIOSIS, BYSSINOSIS, OCCUPATIONAL DEAFNESS AND CERTAIN OTHER DISEASES

SECTION A

BENEFIT

Special conditions for disablement benefit for pneumoconiosis, byssinosis and diffuse mesothelioma

20.—^[F45](1) On a claim for disablement pension in respect of pneumoconiosis ^[F46]or byssinosis] section 57(1) shall apply as if for “14 per cent.” there was substituted “1 per cent.”.

(1A) Where on a claim for disablement pension in respect of pneumoconiosis ^[F47]or byssinosis] the extent of the disablement is assessed at one per cent. or more, but less than 20 per cent., disablement pension shall be payable at the 20 per cent. rate if the resulting degree of disablement is greater than 10 per cent. and if it is not at one-tenth of the 100 per cent. rate, with any fraction of a penny being for this purpose treated as a penny.

(1B) Where immediately before 1st October 1986 a person is entitled to a disablement pension on account of pneumoconiosis ^[F48]or byssinosis] and in determining the extent of his disablement other disabilities were taken into account in accordance with regulation 11 of the Social Security (General Benefit) Regulations 1982, disablement pension shall continue to be payable on or after 1st October 1986 at the weekly rate applicable to the degree of disablement determined on the last assessment made before 1st October 1986 until—

- (a) ^[F49]on a reassessment of the extent of disablement or in consequence of an application for revision or supersession] the degree of disablement is assessed either as less than 1 per cent. or as equal to or more than that determined on that last assessment, or
- (b) the other disability ceases to exist.]

(2) Section 78(4)(b), in so far as it provides that disablement benefit shall not be payable in respect of byssinosis unless the claimant is found to be suffering from loss of faculty which is likely to be permanent, shall not apply.

(3) Notwithstanding paragraph 4(a) of Schedule 8 (period to be taken into account by an assessment of the extent of the claimant's disablement), the period to be taken into account by an assessment of the extent of the claimant's disablement in respect of byssinosis, if not limited by reference to the claimant's life, shall not be less than one year.

^[F50](4) On a claim for disablement pension in respect of diffuse mesothelioma—

- (a) section 103(6) of the Social Security Contributions and Benefits Act 1992 shall apply as if for the words “after the expiry of the period of 90 days (disregarding Sundays) beginning with the day of the relevant accident”, there were substituted the words, “the day on which he first suffers from a loss of faculty due to diffuse mesothelioma”;

Status: This revised version has been created from an electronic version contributed by Westlaw which was originally derived from the printed publication. **Read more** (See end of Document for details) **Changes to legislation:** There are currently no known outstanding effects for the The Social Security (Industrial Injuries) (Prescribed Diseases) Regulations 1985. *Assessment of extent of disablement and rate of disablement
benefit payable in respect of occupational deafness*

34.—(1) Subject to the provisions of Schedule 8 and regulations made thereunder and the following provisions of this regulation, the first assessment of the extent of disablement in respect of occupational deafness made in pursuance of a claim made before 3rd September 1979 by a person to whom disablement benefit in respect of occupational deafness is payable for a period before 3rd September 1979 [^{F72} shall be the percentage calculated by—

- (a) determining the average total hearing loss due to all causes for each ear at 1, 2 and 3 kHz frequencies; and then by
- (b) determining the percentage degree of disablement for each ear in accordance with Part I of Schedule 3; and then by
- (c) determining the average percentage degree of binaural disablement in accordance with the formula set out in Part III of Schedule 3.]

(2) Except in any case to which paragraph (1) applies and subject to the provisions of Schedule 8 and regulations made thereunder and the following provisions of this regulation, the extent of disablement in respect of occupational deafness [^{F73} shall be the percentage calculated by—

- (a) determining the average total hearing loss due to all causes for each ear at 1, 2 and 3 kHz frequencies; and then by
- (b) determining the percentage degree of disablement for each ear in accordance with Part II of Schedule 3; and then by
- (c) determining the average percentage degree of binaural disablement in accordance with the formula set out in Part III of Schedule 3.]

(3) In ^{F74}... Schedule 3 hereto “better ear” means that ear in which the claimant's hearing loss due to all causes is the less and “worse ear” means that ear in which the claimant's hearing loss due to all causes is the more.

[^{F75}(3A) For the purposes of determining the percentage degree of disablement in Parts I and II of Schedule 3 to these Regulations, any fraction of an average hearing loss shall, where the average hearing loss is over 50dB, be rounded down to the next whole figure.]

(4) The extent of disablement in respect of occupational deafness may be subject to such increase or reduction of the degree of disablement as may be reasonable in the circumstances of the case where, having regard to the provisions of Schedule 8 and to regulations made thereunder, that degree of disablement does not provide a reasonable assessment of the extent of disability resulting from the relevant loss of faculty.

[^{F76}(5) Where on re-assessment of the extent of disability in respect of occupational deafness the average sensorineural hearing loss over 1, 2 and 3 kHz frequencies is not 50 db or more in each ear, or where there is such a loss but the loss in one or each ear is not 50 db or more due to occupational noise, the extent of disablement shall be assessed at less than 20 per cent.]

(6) Where the extent of disablement is reassessed at less than 20 per cent disablement benefit [^{F77} or reduced earnings allowance] shall not be payable.

Status: This revised version has been created from an electronic version contributed by Westlaw which was originally derived from the printed publication. **Read more** (See end of Document for details) **Changes to legislation:** There are currently no known outstanding effects for the The Social Security (Industrial Injuries) (Prescribed Diseases) Regulations 1985. (See end of Document for details)

(7) In the case of a person to whom disablement benefit by reason of occupational deafness was payable in respect of a period before 3rd September 1979—

- (a) if no assessment of the extent of his disability has been made, [^{F78}revised or superseded] on or after that date, the rate of any disablement benefit payable to him shall be the rate payable for the degree of disablement assessed in accordance with paragraph (1), but
- (b) if such an assessment has been made, [^{F78}revised or superseded] in respect of a period commencing on or after that date and before 3rd October 1983, the rate of any disablement benefit payable to him shall be either—
 - (i) the rate which would be payable if an assessment were made in accordance with paragraph (2), or
 - (ii) the rate which was payable immediately before the first occasion on which such [^{F78}revision or supersession] took place,

whichever is the more favourable to him.

(8) Where in the case of a person to whom disablement benefit by reason of occupational deafness was payable in respect of a period before 3rd September 1979 the extent of his disability is reassessed and the period taken into account on reassessment begins on or after 3rd October 1983 and—

- (a) immediately before that date, by virtue of paragraph (7) the rate at which disablement benefit was payable to him was higher than the rate which would otherwise have been payable, or,
- (b) the reassessment is the first reassessment for a period commencing after 3rd September 1979,

the rate of disablement benefit payable to him shall be whichever of the rates specified in paragraph (9) is applicable.

(9) The rate of disablement benefit payable in the case of a person to whom paragraph (8) applies shall be—

- (a) if the current rate appropriate to the extent of his disability as reassessed is the same as or more than the rate at which disablement benefit was payable immediately before the beginning of the period taken into account on reassessment, the current rate, or
- (b) if the current rate is less than the rate at which disablement benefit was payable immediately before the beginning of the period taken into account on reassessment, the lower of the following rates—
 - (i) the rate at which benefit would have been payable if the reassessment of the extent of his disability had been made in accordance with paragraph (1), or
 - (ii) the rate at which benefit was payable immediately before the beginning of the period taken into account on reassessment.

Time for claiming benefit in respect of occupational asthma

36.—(1) Subject to paragraphs (2) and (3), disablement benefit and sickness benefit payable by virtue of section 50A shall not be paid in pursuance of a claim in respect of occupational asthma which is made later than 10 years after the latest date, before the date of the claim, on which the claimant or, as the case may be, the person in respect of whom the claim is made worked [^{F80}in employed earner's employment] in an occupation prescribed in relation to occupational asthma.

(2) Paragraph (1) shall not apply to any claim made before 29th March 1983 by or in respect of a person who ceased on or after 29th March 1972 to [^{F81}work in employed earner's employment] in an occupation prescribed in relation to occupational asthma.

(3) Paragraph (1) shall not apply to any claim made by or in respect of a person who has at any time been found to be suffering from asthma as a result of an industrial accident and by virtue of that finding has been awarded disablement benefit either for life or for a period which includes the date on which the aforesaid claim is made.

(4) Subject to paragraphs (5) and (6), industrial death benefit shall not be paid in pursuance of a claim in respect of occupational asthma where the person in respect of whose death the benefit is being claimed died more than 10 years after the latest day on which he worked [^{F82}in employed earner's employment] in an occupation prescribed in relation to occupational asthma.

(5) Paragraph (4) shall not apply to any claim made in respect of the death of a person who died before 29th March 1983 and who on or after 29th March 1972 had not worked [^{F83}in employed earner's employment] in an occupation prescribed in relation to occupational asthma.

(6) Paragraph (4) shall not apply to any claim made in respect of the death of a person who had at any time been found to be suffering either from asthma as a result of an industrial accident or from occupational asthma and by virtue of that finding had been awarded disablement benefit either for life or for a period which included the date of his death.

(7) Regulation 14 of the Claims and Payments Regulations (time for claiming benefit) shall not apply to a claim in respect of occupational asthma made before 29th March 1983.

PART VI

TRANSITIONAL PROVISIONS AND REVOCATION

Transitional provisions regarding relevant dates

43.—(1) Subject to paragraph (2) the “relevant date” , in relation to each disease set out in the first column of Schedule 4 hereto, is the date set against that disease in the second column of that Schedule.

(2) Where a disease set out in the first column of Schedule 4 hereto was prescribed in relation to any person by regulations which came into operation on a date earlier than the date set against that disease in the second column of that Schedule, the “relevant date” in relation to such disease is such earlier date on which the disease was prescribed in relation to the person in question.

(3) It shall be a condition of a person's right to benefit in respect of any disease set out in Schedule 4 that he was—

- (a) incapable of work, or
- (b) suffering from a loss of faculty,

as a result of that disease on or after the relevant date.

(4) The “relevant date” in relation to byssinosis—

- (a) in the case of a person employed in an occupation involving work in any room in which the weaving of cotton or flax or any other process which takes place between, or at the same time as, the winding or beaming and weaving of cotton or flax is carried on in a factory in which any or all of those processes are carried on is 3rd October 1983;
- (b) in any other case, is 6th April 1979 except that where the disease was prescribed in relation to any person by regulations which came into operation on a date earlier than 6th April 1979 the relevant date is that earlier date.

(5) Byssinosis is not prescribed in relation to any person if neither of the following conditions is satisfied, namely:—

- (a) that he was suffering from a loss of faculty as a result of byssinosis on or after the relevant date;
- (b) that he has been employed in employed earner's employment in any occupation mentioned in regulation 2(c) of the old regulations for a period or periods (whether before or after 5th July 1948) amounting in the aggregate to 5 years.

Status: This revised version has been created from an electronic version contributed by Westlaw which was originally derived from the printed publication. **Read more** (See end of Document for details) **Changes to legislation:** There are currently no known outstanding effects for the The Social Security (Industrial Injuries) (Prescribed Diseases) Regulations 1985. (See end of Document for details)

(6) Notwithstanding that a person does not satisfy paragraph (3) infection by leptospira is prescribed in relation to any person if he is or has been either incapable of work or suffering from a loss of faculty as a result of infection by—

- (a) leptospira icterohaemorrhagiae in the case of a person employed in employed earner's employment before 7th January 1980 in any occupation involving work in places which are, or are liable to be, infested by rats, or
- (b) leptospira canicola in the case of a person so employed in any occupation involving work at dog kennels or the care or handling of dogs.

(7) A person who, immediately before 3rd October 1983, was in receipt of benefit in respect of a disease or injury which was prescribed by virtue of the old regulations, or who makes a claim for benefit in respect of a prescribed disease after 2nd October 1983 where the date of onset of the disease or injury was before 3rd October 1983, shall be treated for the purpose only of determining whether the disease or injury is in relation to him a prescribed disease by virtue of the occupation in which he is or was engaged as if the old regulations were still in force and these regulations had not come into operation, if that would be more favourable to him.

Transitional provisions regarding dates of development and dates of onset

44. Where a claim for benefit has been made before 6th April 1983 or a date of onset is determined which is before 6th April 1983 or a claim for injury benefit is made after 5th April 1983 for a day falling or a period beginning before 6th April 1983, these regulations shall take effect subject to the provisions of Schedule 5.

Revocation

45. The regulations specified in Schedule 6 hereto are hereby revoked to the extent mentioned in the third column of that Schedule.

Signed by authority of the Secretary of State for Social Services.

Tony Newton
Minister of State
Department of Health and Social Security

Status: This revised version has been created from an electronic version contributed by Westlaw which was originally derived from the printed publication. **Read more** (See end of Document for details)
Changes to legislation: There are currently no known outstanding effects for the The Social Security (Industrial Injuries) (Prescribed Diseases) Regulations 1985. (See end of Document for details)

SCHEDULE 1

Regulations 2 and 4

PART I

LIST OF PRESCRIBED DISEASES AND THE
OCCUPATIONS FOR WHICH THEY ARE PRESCRIBED

Prescribed disease or injury	Occupation
A. <i>Conditions due to physical agents</i>	Any occupation involving:
[^{F89} A1 Leukaemia (other than chronic lymphocytic leukaemia) or primary cancer of the bone, bladder, breast, colon, liver, lung, ovary, stomach, testis or thyroid.]	[^{F90} Exposure to ionising radiation where the dose is sufficient to double the risk of the occurrence of the condition.]
A2. ^{F91} ... Cataract.	[^{F92} Frequent or prolonged exposure to radiation from red-hot or white-hot material.]
[^{F93} A3.	Subjection to compressed or rarefied air or other respirable gases or gaseous mixtures.
(a) Dysbarism, including decompression sickness, barotrauma and osteonecrosis.	
(b) Osteonecrosis.]	
A4. [^{F94} Task-specific focal dystonia of the hand or forearm.]	[^{F94} Prolonged periods of handwriting, typing or other repetitive movements of the fingers, hand or arm.]
A5. Subcutaneous cellulitis of the hand ^{F95}	Manual labour causing severe or prolonged friction or pressure on the hand.
A6. Bursitis or subcutaneous cellulitis arising at or about the knee due to severe or prolonged external friction or pressure at or about the knee ^{F96}	Manual labour causing severe or prolonged external friction or pressure at or about the knee.
A7. Bursitis or subcutaneous cellulitis arising at or about the elbow due to severe or prolonged external friction or pressure at or about the elbow ^{F97}	Manual labour causing severe or prolonged external friction or pressure at or about the elbow.
A8. Traumatic inflammation of the tendons of the hand or forearm, or of the associated tendon sheaths.	Manual labour, or frequent or repeated movements of the hand or wrist.
A9. ^{F98} ...	^{F98} ...
[^{F99} A10. Sensorineural hearing loss amounting to at least 50 dB in each ear, being the average of hearing losses at 1, 2 and 3 kHz frequencies, and being due in the case of at least one ear to occupational noise (occupational deafness).]	[^{F100} Any occupation involving: The use of, or work wholly or mainly in the immediate vicinity of the use of, a—

Status: This revised version has been created from an electronic version contributed by Westlaw which was originally derived from the printed publication. **Read more** (See end of Document for details)
Changes to legislation: There are currently no known outstanding effects for the The Social Security (Industrial Injuries) (Prescribed Diseases) Regulations 1985. (See end of Document for details)

Regulation 3 (S.I. 2003/2190) amendments shall not apply to a period of assessment which relates to a claim which is made before the commencement date (22nd September 2003).

(a) band saw, circular saw or cutting disc to cut metal in the metal founding or forging industries, circular saw to cut products in the manufacture of steel, powered (other than hand powered) grinding tool on metal (other than sheet metal or plate metal), pneumatic percussive tool on metal, pressurised air arc tool to gouge metal, burner or torch to cut or dress steel based products, skid transfer bank, knock out and shake out grid in a foundry, machine (other than a power press machine) to forge metal including a machine used to drop stamp metal by means of closed or open dies or drop hammers, machine to cut or shape or clean metal nails, or plasma spray gun to spray molten metal;

(b) pneumatic percussive tool:- to drill rock in a quarry, on stone in a quarry works, underground, for mining coal, for sinking a shaft, or for tunnelling in civil engineering works;

(c) vibrating metal moulding box in the concrete products industry, or circular saw to cut concrete masonry blocks;

(d) machine in the manufacture of textiles for:- weaving man-made or natural fibres (including mineral fibres), high speed false twisting of fibres, or the mechanical cleaning of bobbins;

(e) multi-cutter moulding machine on wood, planing machine on wood, automatic or semi-automatic lathe on wood, multiple cross-cut machine on wood, automatic shaping machine on wood, double-end tenoning machine on wood, vertical spindle moulding machine (including a high speed routing machine) on wood, edge banding machine on wood, bandsawing machine (with a blade width of not less than 75 millimetres) on wood, circular sawing machine on wood including one operated by moving the blade towards the material being cut, or chain saw on wood;

(f) jet of water (or a mixture of water and abrasive material) at a pressure above 680 bar, or jet channelling process to burn stone in a quarry;

(g) machine in a ship's engine room, or gas turbine for:- performance testing on a test bed,

Status: This revised version has been created from an electronic version contributed by Westlaw which was originally derived from the printed publication. **Read more** (See end of Document for details)**Changes to legislation:** There are currently no known outstanding effects for the The Social Security (Industrial Injuries) (Prescribed Diseases) Regulations 1985. (See end of Document for details)

installation testing of a replacement engine in an aircraft, or acceptance testing of an Armed Service fixed wing combat aircraft;

(h) machine in the manufacture of glass containers or hollow ware for:- automatic moulding, automatic blow moulding, or automatic glass pressing and forming;

(i) spinning machine using compressed air to produce glass wool or mineral wool;

(j) continuous glass toughening furnace;

(k) firearm by a police firearms training officer; or

(l) shot-blaster to carry abrasives in air for cleaning.]

F103

(i)
(ii)
(iii)

(i)
(ii)
(iii)

A11. Episodic blanching, occurring throughout the year, affecting the middle or proximal

(a) the use of hand-held chain saws [F108 on wood]; or

Status: This revised version has been created from an electronic version contributed by Westlaw which was originally derived from the printed publication. **Read more** (See end of Document for details) **Changes to legislation:** There are currently no known outstanding effects for the The Social Security (Industrial Injuries) (Prescribed Diseases) Regulations 1985. (See end of Document for details)

phalanges or in the case of a thumb the proximal phalanx, of—

- (a)^{F107} Intense blanching of the skin, with a sharp demarcation line between affected and non-affected skin, where the blanching is cold-induced, episodic, occurs throughout the year and affects the skin of the distal with the middle and proximal phalanges, or distal with the middle phalanx (or in the case of a thumb the distal with the proximal phalanx), of—
- (i) in the case of a person with 5 fingers (including thumb) on one hand, any 3 of those fingers, or
 - (ii) in the case of a person with only 4 such fingers, any 2 of those fingers, or
 - (iii) in the case of a person with less than 4 such fingers, any one of them or, as the case may be, the one remaining finger,

where none of the person's fingers was subject to any degree of cold-induced, episodic blanching of the skin prior to the person's employment in an occupation described in the second column in relation to this paragraph, or

(b) significant, demonstrable reduction in both sensory perception and manipulative dexterity with continuous numbness or continuous tingling all present at the same time in the distal phalanx of any finger (including thumb) where none of the person's fingers was subject to any degree of reduction in sensory perception, manipulative dexterity, numbness or tingling prior to the person's employment in an occupation described in the second column in relation to this paragraph,

where the symptoms in paragraph (a) or paragraph (b) were caused by vibration.

(a)

]

[^{F109}A12. Carpal tunnel syndrome.]

(b) the use of hand-held rotary tools in grinding or in the sanding or polishing of metal, or the holding of material being ground, or metal being sanded or polished, by rotary tools; or

Any occupation involving:

(c) the use of hand-held percussive metal-working tools, or the holding of metal being worked upon by percussive tools, in riveting, caulking, chipping, hammering, fettling or swaging; or

(d) the use of hand-held powered percussive drills or hand-held powered percussive hammers in mining, quarrying, demolition, or on roads or footpaths, including road construction; or

(e) the holding of material being worked upon by pounding machines in shoe manufacture.

(a)^{F110} The use, at the time the symptoms first develop, of hand-held powered tools whose internal parts vibrate so as to transmit that vibration to the hand, but excluding those tools which are solely powered by hand; or

Status: This revised version has been created from an electronic version contributed by Westlaw which was originally derived from the printed publication. **Read more** (See end of Document for details)**Changes to legislation:** There are currently no known outstanding effects for the The Social Security (Industrial Injuries) (Prescribed Diseases) Regulations 1985. (See end of Document for details)

(b) repeated palmar flexion and dorsiflexion of the wrist for at least 20 hours per week for a period or periods amounting in aggregate to at least 12 months in the 24 months prior to the onset of symptoms, where “repeated” means once or more often in every 30 seconds.]

[^{F111}A13. Osteoarthritis of the hip.]

[^{F111}Work in agriculture as a farmer or farm worker for a period of, or periods which amount in aggregate to, 10 years or more.]

[^{F112}A14. Osteoarthritis of the knee.]

[^{F112}Work underground in a coal mine for a period of, or periods which amount in aggregate to, at least 10 years in any one or more of the following occupations:

(a) before 1st January 1986 as a coal miner; or

(b) on or after 1st January 1986 as a—

- (i) face worker working on a non-mechanised coal face;
- (ii) development worker;
- (iii) face-salvage worker;
- (iv) conveyor belt cleaner; or
- (v) conveyor belt attendant.

“A non-mechanised coal face” means a coal face without either powered roof supports or a power loader machine which simultaneously cuts and loads the coal or without both.]

[^{F113}Work wholly or mainly fitting or laying carpets or floors (other than concrete floors) for a period of, or periods which amount in aggregate to, 20 years or more.]

[^{F114}A15 Dupuytren’s contracture of the hand
^{F115}...] [^{F116}involving—

- (i) fixed flexion deformity of one or more metacarpophalangeal joints greater than 45 degrees that developed during the period or periods set out in the second column in relation to this paragraph; or
- (ii) fixed flexion deformity of one or more interphalangeal joints that developed during the period or periods set out in the second column in relation to this paragraph; or
- (iii) fixed flexion deformity of one or more metacarpophalangeal joints greater than 45 degrees that developed after the period or periods in the second column in relation to this paragraph

[^{F114}Any occupation involving the use of hand-held powered tools whose internal parts vibrate so as to transmit that vibration to the hand (but excluding those tools which are solely powered by hand) where—

- (a) the use of those tools amounts to a period or periods in aggregate of at least 10 years [^{F117}and];
- (b) within that period or those periods, the use of those tools amounts to at least 2 hours per day for 3 or more days per week[^{F118}.]
- (c) ^{F119}...]

Status: This revised version has been created from an electronic version contributed by Westlaw which was originally derived from the printed publication. **Read more** (See end of Document for details) **Changes to legislation:** There are currently no known outstanding effects for the The Social Security (Industrial Injuries) (Prescribed Diseases) Regulations 1985. (See end of Document for details)

- if there is evidence of the onset of metacarpophalangeal joint involvement or palmar changes (nodules or thickening) during that period or periods; or
- (iv) fixed flexion deformity of one or more interphalangeal joints that developed after the period or periods set out in the second column in relation to this paragraph if there is evidence of the onset of metacarpophalangeal joint involvement or palmar changes (nodules or thickening) during that period or periods.]

B.Conditions due to biological agents

[^{F120}B1

- (a) Cutaneous anthrax;
- (b) Pulmonary anthrax.]

B2. Glanders.

B3. Infection by leptospira.

(a)[^{F121} Contact with anthrax spores, including contact with animals infected by anthrax; or

(b) handling, loading, unloading or transport of animals of a type susceptible to infection with anthrax or of the products or residues of such animals.]

Contact with equine animals or their carcasses.

(a) Work in places which are, or are liable to be, infested by rats, field mice or voles, or other small mammals; or

(b) work at dog kennels or the care or handling of dogs; or

(c) contact with bovine animals or their meat products or pigs or their meat products.

[^{F122}B4

- (a) Cutaneous larva migrans;
- (b) Iron deficiency anaemia caused by gastrointestinal infection by hookworm.]

B5. Tuberculosis.

[^{F123}Contact with a source of ankylostomiasis.]

[^{F124}Contact with a source of tuberculosis while undertaking—

(a) work in a hospital, mortuary in which post mortems are conducted, or laboratory; or

(b) work in any other workplace.]

B6. Extrinsic allergic alveolitis
^{F125}

....

Exposure to moulds or fungal spores or heterologous proteins [^{F126}or any other biological substance that causes extrinsic allergic alveolitis] by reason of employment in: —

Status: This revised version has been created from an electronic version contributed by Westlaw which was originally derived from the printed publication. **Read more** (See end of Document for details)
Changes to legislation: There are currently no known outstanding effects for the The Social Security (Industrial Injuries) (Prescribed Diseases) Regulations 1985. (See end of Document for details)

	(a) agriculture, horticulture, forestry, cultivation of edible fungi or malt-working; or
	(b) loading or unloading or handling in storage mouldy vegetable matter or edible fungi; or
	(c) caring for or handling birds; or
	(d) handling bagasse [^{F127} or
	(e) work involving exposure to metalworking fluid mists][^{F126} ; or
	(f) any other workplace]
B7. Infection by organisms of the genus brucella.	Contact with—
	(a) animals infected by brucella, or their carcasses or parts thereof, or their untreated products; or
	(b) laboratory specimens or vaccines of, or containing, brucella.
[^{F128} B8A. Infection by hepatitis A virus.]	[^{F128} Contact with raw sewage.]
[^{F128} B8B. Infection by hepatitis B or C virus.]	[^{F128} Contact with—]
	[^{F128} (a) human blood or human blood products; or]
	[^{F128} (b) any other source of hepatitis B or C virus.]
B9. Infection by Streptococcus suis.	Contact with pigs infected by Streptococcus suis, or with the carcasses, products or residues of pigs so infected.
[^{F129} B10. (a) Avian chlamydiosis]	[^{F129} Contact with birds infected with chlamydia psittaci, or with the remains or untreated products of such birds.]
[^{F129} B10. (b) Ovine chlamydiosis]	[^{F129} Contact with sheep infected with chlamydia psittaci, or with the remains or untreated products of such sheep.]
[^{F129} B11. Q fever.]	[^{F129} Contact with animals, their remains or their untreated products.]
[^{F130} B12. Orf.]	[^{F130} Contact with sheep, goats or with the carcasses of sheep or goats.]
[^{F130} B13. Hydatidosis.]	[^{F130} Contact with dogs.]

Status: This revised version has been created from an electronic version contributed by Westlaw which was originally derived from the printed publication. **Read more** (See end of Document for details) **Changes to legislation:** There are currently no known outstanding effects for the The Social Security (Industrial Injuries) (Prescribed Diseases) Regulations 1985. (See end of Document for details)

[^{F131} B14. Lyme disease.]	[^{F131} Exposure to deer or other mammals of a type liable to harbour ticks harbouring <i>Borrelia</i> bacteria.]
[^{F131} B15. Anaphylaxis.]	[^{F131} [^{F132} Contact] with products made with natural rubber latex.]
<i>C. Conditions due to chemical agents</i>	
[^{F133} C1.	The use or handling of, or exposure to the fumes, dust or vapour of, lead or a compound of lead, or a substance containing lead.
(a) Anaemia with a haemoglobin concentration of 9g/dL or less, and a blood film showing punctate basophilia;	
(b) peripheral neuropathy;	
(c) central nervous system toxicity.]	
[^{F134} C2. Central nervous system toxicity characterised by parkinsonism.]	The use or handling of, or exposure to the fumes, dust or vapour of, manganese or a compound of manganese, or a substance containing manganese.
[^{F135} C3.	[^{F135} Work involving the use or handling of, or exposure to, white phosphorus.
(a) Phossy Jaw.	
(b) Peripheral polyneuropathy or peripheral polyneuropathy with pyramidal involvement of the central nervous system, caused by organic compounds of phosphorus which inhibit the enzyme neuropathy target esterase.]	Work involving the use or handling of, or exposure to, organic compounds of phosphorus.]
[^{F136} C4. Primary carcinoma of the bronchus or lung.]	[^{F136} Exposure to the fumes, dust or vapour of arsenic, a compound of arsenic or a substance containing arsenic.]
[^{F137} C5A. Central nervous system toxicity characterised by tremor and neuropsychiatric disease.]	[^{F137} Exposure to mercury or inorganic compounds of mercury for a period of, or periods which amount in aggregate to, 10 years or more.]
[^{F137} C5B. Central nervous system toxicity characterised by combined cerebellar and cortical degeneration.]	[^{F137} Exposure to methylmercury.]
[^{F138} C6. Peripheral neuropathy]	[^{F138} The use or handling of, or exposure to, carbon disulphide (also called carbon disulfide).]
[^{F139} C7. Acute non-lymphatic leukaemia.]	[^{F139} Exposure to benzene.]
C8. ^{F140} ...	^{F140} ...
C9. ^{F141} ...	^{F141} ...

Status: This revised version has been created from an electronic version contributed by Westlaw which was originally derived from the printed publication. **Read more** (See end of Document for details)**Changes to legislation:** There are currently no known outstanding effects for the The Social Security (Industrial Injuries) (Prescribed Diseases) Regulations 1985. (See end of Document for details)

C10. ^{F142} ...	^{F142} ...
C11. ^{F143} ...	^{F143} ...
[^{F144} C12.	[^{F144} Exposure to methyl bromide (also called bromomethane).]
(a) Peripheral neuropathy;	
(b) central nervous system toxicity.]	
[^{F145} C13. Cirrhosis of the liver.]	[^{F145} Exposure to chlorinated naphthalenes.]
C14. ^{F146} ...	^{F146} ...
C15. ^{F147} ...	^{F147} ...
[^{F148} C16.	[^{F148} Exposure to the dust of gonioma kamassi.]
(a) Neurotoxicity;	
(b) cardiotoxicity.]	
[^{F149} C17. Chronic beryllium disease.]	[^{F149} Inhalation of beryllium or a beryllium compound.]
[^{F150} C18. Emphysema.]	[^{F150} Inhalation of cadmium fumes for a period of, or periods which amount in aggregate to, 20 years or more.]
[^{F151} C19.	[^{F151} Exposure to acrylamide.]
(a) Peripheral neuropathy; monomer.	
(b) central nervous system toxicity.]	
C20. Dystrophy of the cornea	[^{F152} Exposure to quinone or hydroquinone.]
[^{F153} C21. Primary carcinoma of the skin.]	[^{F153} Exposure to arsenic or arsenic compounds, tar, pitch, bitumen, mineral oil (including paraffin) or soot.]
[^{F154} C22.	[^{F154} Work before 1950 in the refining of nickel involving exposure to oxides, sulphides or water-soluble compounds of nickel.]
(a) Primary carcinoma of the mucous membrane of the nose or paranasal sinuses;	
(b) primary carcinoma of the bronchus or lung.]	
[^{F155} C23. Primary neoplasm of the epithelial lining of the urinary tract.]	[^{F155} (a) The manufacture of 1-naphthylamine, 2-naphthylamine, benzidine, auramine, magenta or 4-aminobiphenyl (also called biphenyl-4-ylamine);
	(b) work in the process of manufacturing methylene-bis-orthochloroaniline (also called MbOCA) for a period of, or periods which amount in aggregate to, 12 months or more;

Status: This revised version has been created from an electronic version contributed by Westlaw which was originally derived from the printed publication. **Read more** (See end of Document for details)
Changes to legislation: There are currently no known outstanding effects for the The Social Security (Industrial Injuries) (Prescribed Diseases) Regulations 1985. (See end of Document for details)

	(c) exposure to 2-naphthylamine, benzidine, 4-aminobiphenyl (also called biphenyl-4-ylamine) or salts of those compounds otherwise than in the manufacture of those compounds;
	(d) exposure to orthotoluidine, 4-chloro-2-methylaniline or salts of those compounds; or
	(e) exposure for a period of, or periods which amount in aggregate to, 5 years or more, to coal tar pitch volatiles produced in aluminium smelting involving the Soderberg process (that is to say, the method of producing aluminium by electrolysis in which the anode consists of a paste of petroleum coke and mineral oil which is baked <i>in situ</i>).]
C24. (a) [F156	[F156Exposure to vinyl chloride monomer in the manufacture of polyvinyl chloride.
(b) osteolysis of the terminal phalanges of the fingers; or	
(c) sclerodermatous thickening of the skin of the hand; or	
(d) liver fibrosis,	
due to exposure to vinyl chloride monomer.	
24A. Raynaud's phenomenon due to exposure to vinyl chloride monomer.]	Exposure to vinyl chloride monomer in the manufacture of polyvinyl chloride before 1st January 1984.]
C25. [F157	[F157The use or handling of, or exposure to, paratertiary-butylphenol (also called 4-tert-butylphenol), paratertiary-butylcatechol (also called 4-tert-butylcatechol), para-amyphenol (also called <i>p</i> -pentyl phenol isomers), hydroquinone, monobenzyl ether of hydroquinone (also called 4-benzyloxyphenol) or mono-butyl ether of hydroquinone (also called 4-butoxyphenol).]
[F158	[F159The use or handling of, or exposure to, carbon tetrachloride (also called tetrachloromethane).]
C26.	
[F159(a) Liver toxicity;	
(b) kidney toxicity.]]	
[F160C27. [F161	[F161The use or handling of, or exposure to, trichloromethane (also called chloroform).]
Liver toxicity.]]	
F162 ...	F162 ...

Status: This revised version has been created from an electronic version contributed by Westlaw which was originally derived from the printed publication. **Read more** (See end of Document for details)**Changes to legislation:** There are currently no known outstanding effects for the The Social Security (Industrial Injuries) (Prescribed Diseases) Regulations 1985. (See end of Document for details)

[^{F163}C29. [^{F164}Peripheral neuropathy.]]

[^{F164}The use or handling of, or exposure to, n-hexane or n-butyl methyl ketone.]

[^{F165}C30. (a)[^{F166}Dermatitis;

[^{F166}The use or handling of, or exposure to, chromic acid, chromates or dichromates.]]

(b) ulceration of the mucous membrane or the epidermis.]

[^{F167}C31. Bronchiolitis obliterans.

[^{F167}The use or handling of, or exposure to, diacetyl (also called butanedione or 2,3-butanedione) in the manufacture of—
(a) diacetyl; or
(b) food flavouring containing diacetyl; or
(c) food to which food flavouring containing diacetyl is added.

C32.Carcinoma of the nasal cavity or associated air sinuses (nasal carcinoma).]

(a) The manufacture of inorganic chromates; or
(b) work in hexavalent chrome plating.]

[^{F168}C33 Chloracne.]

[^{F169}Exposure to a substance causing chloracne.]

[^{F170}C34 Extrinsic allergic alveolitis.]

[^{F171}Exposure to airborne isocyanates; or to any other chemical substance that causes extrinsic allergic alveolitis.]

D. Miscellaneous Conditions

D1. Pneumoconiosis.

Any occupation—

(a) set out in Part II of this Schedule;

(b) specified in regulation 2(b)(ii).

D2. Byssinosis.

Any occupation involving:

Work in any room where any process up to and including the weaving process is performed in a factory in which the spinning or manipulation of raw or waste cotton or of flax, or the weaving of cotton or flax, is carried on.

D3. Diffuse mesothelioma (primary neoplasm of the mesothelium of the pleura or of the pericardium or of the peritoneum).

[^{F172}Exposure to asbestos, asbestos dust or any admixture of asbestos at a level above that commonly found in the environment at large.]

D4. [^{F173}Allergic rhinitis which is due to exposure to any of the following agents—

[^{F173}Exposure to any of the agents set out in column 1 of this paragraph.]

(a) isocyanates;

(b) platinum salts;

(c) fumes or dusts arising from the manufacture, transport or use of hardening agents (including epoxy resin curing

Status: This revised version has been created from an electronic version contributed by Westlaw which was originally derived from the printed publication. **Read more** (See end of Document for details)**Changes to legislation:** There are currently no known outstanding effects for the The Social Security (Industrial Injuries) (Prescribed Diseases) Regulations 1985. (See end of Document for details)

agents) based on phthalic anhydride, tetrachlorophthalic anhydride, trimellitic anhydride or triethylenetetramine;

(d) fumes arising from the use of rosin as a soldering flux;

(e) proteolytic enzymes;

(f) animals including insects and other arthropods used for the purposes of research or education or in laboratories;

(g) dusts arising from the sowing, cultivation, harvesting, drying, handling, milling, transport or storage of barley, oats, rye, wheat or maize, or the handling, milling, transport or storage of meal or flour made therefrom;

(h) antibiotics;

(i) cimetidine;

(j) wood dust;

(k) ispaghula;

(l) castor bean dust;

(m) ipecacuanha;

(n) azodicarbonamide;

(o) animals including insects and other arthropods or their larval forms, used for the purposes of pest control or fruit cultivation, or the larval forms of animals used for the purposes of research or education or in laboratories;

(p) glutaraldehyde;

(q) persulphate salts or henna;

(r) crustaceans or fish or products arising from these in the food processing industry;

(s) reactive dyes;

(t) soya bean;

(u) tea dust;

Status: This revised version has been created from an electronic version contributed by Westlaw which was originally derived from the printed publication. **Read more** (See end of Document for details)
Changes to legislation: There are currently no known outstanding effects for the The Social Security (Industrial Injuries) (Prescribed Diseases) Regulations 1985. (See end of Document for details)

(v) green coffee bean dust;

(w) fumes from stainless steel welding.]

(x)[^{F174} products made with natural rubber latex.]

D5.

Non-infective dermatitis of external origin (^{F175}... excluding dermatitis due to ionising particles or electro-magnetic radiations other than radiant heat).

Exposure to dust, liquid or vapour or any other external agent

[^{F176}except chromic acid, chromates or bi-chromates,] capable of irritating the skin (including friction or heat but excluding ionising particles or electro-magnetic radiations other than radiant heat).

D6. Carcinoma of the nasal cavity or associated air sinuses (nasal carcinoma).

(a) Attendance for work [^{F177}at a workplace] where wooden goods [^{F178}or products made wholly or partially of wood] are manufactured or repaired; or

(b) attendance for work in a building used for the manufacture of footwear or components of footwear made wholly or partly of leather or fibre board; or

(c) attendance for work at a place used wholly or mainly for the repair of footwear made wholly or partly of leather or fibre board[^{F179};or

(d) exposure to wood dust in the course of the machine processing of wood.]

D7. Asthma which is due to exposure to any of the following agents:—

Any occupation involving:

Exposure to any of the agents set out in column 1 of this paragraph.

(a) isocyanates;

(b) platinum salts;

(c) fumes or dusts arising from the manufacture, transport or use of hardening agents (including epoxy resin curing agents) based on phthalic anhydride, tetrachlorophthalic anhydride, trimellitic anhydride or triethylenetetramine;

(d) fumes arising from the use of rosin as a soldering flux;

(e) proteolytic enzymes;

Status: This revised version has been created from an electronic version contributed by Westlaw which was originally derived from the printed publication. **Read more** (See end of Document for details)**Changes to legislation:** There are currently no known outstanding effects for the The Social Security (Industrial Injuries) (Prescribed Diseases) Regulations 1985. (See end of Document for details)

(f) [^{F180}animals including insects and other arthropods used for the purposes of research or education or in laboratories]

(g) dusts arising from the sowing, cultivation, harvesting, drying, handling, milling, transport or storage of barley, oats, rye, wheat or maize, or the handling, milling, transport or storage of meal or flour made therefrom

[^{F181}(h) antibiotics;

(i) cimetidine;

(j) wood dust;

(k) ispaghula;

(l) castor bean dust;

(m) ipecacuanha;

(n) azodicarbonamide]

[^{F182}(o) animals including insects and other arthropods or their larval forms, used for the purposes of pest control or fruit cultivation, or the larval forms of animals used for the purposes of research, education or in laboratories;]

(p) [^{F182}glutaraldehyde;]

(q) [^{F182}persulphate salts or henna;]

(r) [^{F182}crustaceans or fish or products arising from these in the food processing industry;]

(s) [^{F182}reactive dyes;]

(t) [^{F182}soya bean;]

(u) [^{F182}tea dust;]

(v) [^{F182}green coffee bean dust;]

(w) [^{F182}fumes from stainless steel welding;]

[^{F183}(wa) products made with natural rubber latex;]

Status: This revised version has been created from an electronic version contributed by Westlaw which was originally derived from the printed publication. **Read more** (See end of Document for details)**Changes to legislation:** There are currently no known outstanding effects for the The Social Security (Industrial Injuries) (Prescribed Diseases) Regulations 1985. (See end of Document for details)

[^{F182}(x) any other sensitising agent.]

(occupational asthma).

D8. [^{F184}Primary carcinoma of the lung where there is accompanying evidence of asbestosis.

(a) [^{F184}The working or handling of asbestos or any admixture of asbestos; or

(b) the manufacture or repair of asbestos textiles or other articles containing or composed of asbestos; or

(c) the cleaning of any machinery or plant used in any of the foregoing operations and of any chambers, fixtures and appliances for the collection of asbestos dust; or

(d) substantial exposure to the dust arising from any of the foregoing operations.

D8A. Primary carcinoma of the lung.]

Exposure to asbestos in the course of—

(a) the manufacture of asbestos textiles; or

(b) spraying asbestos; or

(c) asbestos insulation work; or

(d) applying or removing materials containing asbestos in the course of shipbuilding,

where all or any of the exposure occurs before 1st January 1975, for a period of, or periods which amount in aggregate to, five years or more, or otherwise, for a period of, or periods which amount in aggregate to, ten years or more.]

D9.[^{F185} Unilateral or bilateral diffuse pleural thickening ^{F186}....]

(a) The working or handling of asbestos or any admixture of asbestos; or

(b) the manufacture or repair of asbestos textiles or other articles containing or composed of asbestos; or

(c) the cleaning of any machinery or plant used in any of the foregoing operations and of any chambers, fixtures and appliances for the collection of asbestos dust; or

Any occupation involving:

(d) substantial exposure to the dust arising from any of the foregoing operations.

Status: This revised version has been created from an electronic version contributed by Westlaw which was originally derived from the printed publication. **Read more** (See end of Document for details)
Changes to legislation: There are currently no known outstanding effects for the The Social Security (Industrial Injuries) (Prescribed Diseases) Regulations 1985. (See end of Document for details)

- [^{F187}D10. [^{F188}Primary carcinoma of the lung]] (a) [^{F189}Work underground in a tin mine; or]
- (b) [^{F189}exposure to bis(chloromethyl)ether produced during the manufacture of chloromethyl methyl ether; or]
- (c) [^{F189}exposure to zinc chromate calcium chromate or strontium chromate in their pure forms[^{F190}; or]
- (d) employment wholly or mainly as a coke oven worker:
- (i) for a period of, or periods which amount in aggregate to, 15 years or more; or
- (ii) in top oven work, for a period of, or periods which amount in aggregate to, 5 years or more; or
- (iii) in a combination of top oven work and other coke oven work for a total aggregate period of 15 years or more where one year working in top oven work is treated as equivalent to 3 years in other coke oven work.]
- D11.[^{F191}Primary carcinoma of the lung where there is accompanying evidence of silicosis.] [^{F191}Exposure to silica dust in the course of—
- (a) the manufacture of glass or pottery;
- (b) tunnelling in or quarrying sandstone or granite;

Regulations 2, 4, 38 and 40

PART II

OCCUPATIONS FOR WHICH PNEUMOCONIOSIS IS PRESCRIBED

1. Any occupation involving—
 - (a) the mining, quarrying or working of silica rock or the working of dried quartzose sand or any dry deposit or dry residue of silica or any dry admixture containing such materials (including any occupation in which any of the aforesaid operations are carried out incidentally to the mining or quarrying of other minerals or to the manufacture of articles containing crushed or ground silica rock);
 - (b) the handling of any of the materials specified in the foregoing sub-paragraph in or incidental to any of the operations mentioned therein, or substantial exposure to the dust arising from such operations.
2. Any occupation involving the breaking, crushing or grinding of flint or the working or handling of broken, crushed or ground flint or materials containing such flint, or substantial exposure to the dust arising from any of such operations.
3. Any occupation involving sand blasting by means of compressed air with the use of quartzose sand or crushed silica rock or flint, or substantial exposure to the dust arising from sand and blasting.
4. Any occupation involving work in a foundry or the performance of, or substantial exposure to the dust arising from, any of the following operations:—
 - (a) the freeing of steel castings from adherent siliceous substance;
 - (b) the freeing of metal castings from adherent siliceous substance—
 - (i) by blasting with an abrasive propelled by compressed air, by steam or by a wheel; or
 - (ii) by the use of power-driven tools.
5. Any occupation in or incidental to the manufacture of china or earthenware (including sanitary earthenware, electrical earthenware and earthenware tiles), and any occupation involving substantial exposure to the dust arising therefrom.
6. Any occupation involving the grinding of mineral graphite, or substantial exposure to the dust arising from such grinding.
7. Any occupation involving the dressing of granite or any igneous rock by masons or the crushing of such materials, or substantial exposure to the dust arising from such operations.

Status: This revised version has been created from an electronic version contributed by Westlaw which was originally derived from the printed publication. **Read more** (See end of Document for details) **Changes to legislation:** There are currently no known outstanding effects for the The Social Security (Industrial Injuries) (Prescribed Diseases) Regulations 1985. (See end of Document for details)

8. Any occupation involving the use, or preparation for use, of a grindstone, or substantial exposure to the dust arising therefrom.

9. Any occupation involving—

- (a) the working or handling of asbestos or any admixture of asbestos;
- (b) the manufacture or repair of asbestos textiles or other articles containing or composed of asbestos;
- (c) the cleaning of any machinery or plant used in any foregoing operations and of any chambers, fixtures and appliances for the collection of asbestos dust;
- (d) substantial exposure to the dust arising from any of the foregoing operations.

10. Any occupation involving—

- (a) work underground in any mine in which one of the objects of the mining operations is the getting of any mineral;
- (b) the working or handling above ground at any coal or tin mine of any minerals extracted therefrom, or any operation incidental thereto;
- (c) the trimming of coal in any ship, barge, or lighter, or in any dock or harbour or at any wharf or quay;
- (d) the sawing, splitting or dressing of slate, or any operation incidental thereto.

11. Any occupation in or incidental to the manufacture of carbon electrodes by an industrial undertaking for use in the electrolytic extraction of aluminium from aluminium oxide, and any occupation involving substantial exposure to the dust arising therefrom.

12. Any occupation involving boiler scaling or substantial exposure to the dust arising therefrom.

SCHEDULE 2

Regulation 11

MODIFICATIONS OF CHAPTERS IV AND VI OF PART II OF THE ACT IN THEIR APPLICATION TO BENEFIT AND CLAIMS TO WHICH THESE REGULATIONS APPLY

In Chapters IV and VI of Part II of the Act references to accidents shall be construed as references to prescribed diseases and references to the relevant accident shall be construed as references to the relevant disease and references to the date of the relevant accident shall be construed as references to the date of onset of the relevant disease.

SCHEDULE 3

Regulation 34

ASSESSMENT OF THE EXTENT OF OCCUPATIONAL DEAFNESS

PART I

CLAIMS TO WHICH REGULATION 34(1) APPLIES

<i>[^{F199} Average of hearing losses (dB) due to all causes at 1, 2 and 3 kHz frequencies]</i>	<i>Degree of disablement per cent</i>
50–52 dB	20

Status: This revised version has been created from an electronic version contributed by Westlaw which was originally derived from the printed publication. **Read more** (See end of Document for details)**Changes to legislation:** There are currently no known outstanding effects for the The Social Security (Industrial Injuries) (Prescribed Diseases) Regulations 1985. (See end of Document for details)

<i>[^{F199} Average of hearing losses (dB) due to all causes at 1, 2 and 3 kHz frequencies]</i>	<i>Degree of disablement per cent</i>
53–57 dB	30
58–62 dB	40
63–67 dB	50
68–72 dB	60
73–77 dB	70
78–82 dB	80
83–87 dB	90
88 dB or more	100

F199 Sch. 3 Pt. I-Pt. II substituted (16.10.1989) by [The Social Security \(Industrial Injuries\) \(Prescribed Diseases\) Amendment Regulations 1989 \(S.I. 1989/1207\)](#), regs. 1, **4(6)**

PART II

CLAIMS TO WHICH REGULATION 34(2) APPLIES

<i>[^{F199} Average of hearing losses (dB) due to all causes at 1, 2 and 3 kHz frequencies]</i>	<i>Degree of disablement per cent</i>
50–53 dB	20
54–60 dB	30
61–66 dB	40
67–72 dB	50
73–79 dB	60
80–86 dB	70
87–95 dB	80
96–105 dB	90
106 dB or more	100

PART III

FORMULA FOR CALCULATING BINAURAL DISABLEMENT

<i>(Degree of disablement of better ear × 4)</i>	+	<i>Degree of disablement of worse ear</i>
	5	

Status: This revised version has been created from an electronic version contributed by Westlaw which was originally derived from the printed publication. **Read more** (See end of Document for details)
Changes to legislation: There are currently no known outstanding effects for the The Social Security (Industrial Injuries) (Prescribed Diseases) Regulations 1985. (See end of Document for details)

SCHEDULE 4

Regulation 43

PRESCRIBED DISEASES AND RELEVANT
DATES OF THE PURPOSES OF REGULATION 43

<i>Description of disease or injury</i>	<i>Relevant date</i>
A3. Dysbarism, including decompression sickness, barotrauma and osteonecrosis.	Except in the case of a person suffering from decompression sickness employed in any occupation involving subjection to compressed or rarefied air, 3rd October 1983.
A11. Episodic blanching, occurring throughout the year, affecting the middle or proximal phalanges or in the case of a thumb the proximal phalanx, of—	1st April 1985.
(a) in the case of a person with 5 fingers (including thumb) on one hand, any 3 of those fingers, or	
(b) in the case of a person with only 4 such fingers, any 2 of those fingers, or	
(c) in the case of a person with less than 4 such fingers, any one of those fingers or, as the case may be, the one remaining finger (vibration white finger).	
B1. Anthrax.	In the case of a person employed in an occupation involving the loading and unloading or transport of animal products or residues, 3rd October 1983
B3. Infection by leptospira.	(a) In the case of a person employed in an occupation in places which are or are liable to be infested by small mammals other than rats, field mice or voles, 3rd October 1983; (b) in the case of a person employed in an occupation in any other place mentioned in the second column of paragraph B3 of Part I of Schedule 1 above, 7th January 1980.
B5. Tuberculosis.	In the case of a person employed in an occupation involving contact with a source of tuberculous infection, not being an employment set out in the second column of paragraph 38 of Part I of Schedule 1 to the old regulations, 3rd October 1983.
B6. Extrinsic allergic alveolitis (including farmer's lung).	In the case of a person suffering from extrinsic allergic alveolitis, not being farmer's lung, employed in any occupation set out in the second column of paragraph B6 of Part I of Schedule 1 above, or in the case of a person

Status: This revised version has been created from an electronic version contributed by Westlaw which was originally derived from the printed publication. **Read more** (See end of Document for details)**Changes to legislation:** There are currently no known outstanding effects for the The Social Security (Industrial Injuries) (Prescribed Diseases) Regulations 1985. (See end of Document for details)

<i>Description of disease or injury</i>	<i>Relevant date</i>
	suffering from farmer's lung, employed in any occupation involving exposure to moulds or fungal spores or heterologous proteins by reason of employment in cultivation of edible fungi or maltworking, or loading or unloading or handling in storage edible fungi or caring for or handling birds, 3rd October 1983.
B7. Infection by organisms of the genus brucella.	In the case of a person suffering from infection by organisms of the genus brucella, not being infection by Brucella abortus, or employed in an occupation set out in the second column of paragraph B7 of Part I of Schedule 1 above, not being an occupation set out in the second column of paragraph 46 of Part I of Schedule 1 to the old regulations, 3rd October 1983.
B8. Viral hepatitis.	In the case of a person employed in any occupation involving contact with human blood or human blood products, or contact with a source of viral hepatitis, 3rd December 1984.
B9. Infection by Streptococcus suis.	3rd October 1983.
B10. [F ²⁰⁰ (a) Avian chlamydiosis]	[F ²⁰⁰ 9th August 1989]
B10. [F ²⁰⁰ (b) Ovine chlamydiosis]	[F ²⁰⁰ 9th August 1989]
B11. [F ²⁰⁰ Q fever]	[F ²⁰⁰ 9th August 1989]
C3. Poisoning by phosphorus or an inorganic compound of phosphorus or poisoning due to the anti-cholinesterase or pseudo anti-cholinesterase action of organic phosphorus compounds.	In the case of a person suffering from poisoning by an inorganic compound of phosphorus or poisoning due to the pseudo anti-cholinesterase action of organic phosphorus compounds, 3rd October 1983.
C18. Poisoning by cadmium.	In the case of a person employed in an occupation involving exposure to cadmium dust, 3rd October 1983.
C23. Primary neoplasm (including papilloma, carcinoma-in-situ and invasive carcinoma) of the epithelial lining of the urinary tract (renal pelvis, ureter, bladder and urethra).	In the case of a person employed in an occupation involving work in a building in which methylene-bis-orthochloroaniline is produced for commercial purposes, 3rd October 1983.
C24. (a) Angiosarcoma of the liver;	(a) In the case of a person suffering from angiosarcoma of the liver or osteolysis of the terminal phalanges of the fingers, 21st March 1977;
(b) osteolysis of the terminal phalanges of the fingers;	
(c) non-cirrhotic portal fibrosis.	(b) in the case of a person suffering from non-cirrhotic portal fibrosis, 3rd October 1983.
C25. Occupational vitiligo.	15th December 1980

Status: This revised version has been created from an electronic version contributed by Westlaw which was originally derived from the printed publication. **Read more** (See end of Document for details)
Changes to legislation: There are currently no known outstanding effects for the The Social Security (Industrial Injuries) (Prescribed Diseases) Regulations 1985. (See end of Document for details)

<i>Description of disease or injury</i>	<i>Relevant date</i>
[^{F201} C26 Damage to the liver or kidneys due to exposure to Carbon Tetrachloride.]	[^{F201} 4th January 1988]
[^{F201} C27 Damage to the liver or kidneys due to exposure to Trichloromethane (Chloroform).]	[^{F201} 4th January 1988]
C28. [^{F201} Central nervous system dysfunction and associated gastro-intestinal disorders due to exposure to Chloromethane (Methyl Chloride).]	[^{F201} 4th January 1988]
[^{F201} C29 Peripheral neuropathy due to exposure to n-hexane or methyl n-butyl ketone.]	[^{F201} 4th January 1988]
D3. Diffuse mesothelioma.	In the case of a person suffering from primary neoplasm of the pericardium, 3rd October 1983.
D6. Carcinoma of the nasal cavity or associated air sinuses (nasal carcinoma).	In the case of a person employed in an occupation involving attendance for work in or about a building where wooden goods (other than wooden furniture) are manufactured or where wooden goods are repaired, 3rd October 1983.
D7. Occupational asthma.	<p>[^{F202}(a) In the case of a person suffering from asthma due to exposure to any of the following agents:—</p> <p>(i) isocyanates;</p> <p>(ii) platinum salts;</p> <p>(iii) fumes or dusts arising from the manufacture, transport or use of hardening agents (including epoxy resin curing agents) based on phthalic anhydride, tetrachlorophthalic anhydride, trimellitic anhydride or triethylenetetramine;</p> <p>(iv) fumes arising from the use of rosin as a soldering flux;</p> <p>(v) proteolytic enzymes;</p> <p>(vi) animals or insects used for the purposes of research or education or in laboratories;</p> <p>(vii) dusts arising from the sowing, cultivation, harvesting, drying, handling, milling, transport or storage of barley, oats, rye, wheat or maize, or the handling, milling, transport or storage of meal or flour made therefrom,</p> <p>29th March 1982;</p>

Status: This revised version has been created from an electronic version contributed by Westlaw which was originally derived from the printed publication. **Read more** (See end of Document for details)**Changes to legislation:** There are currently no known outstanding effects for the The Social Security (Industrial Injuries) (Prescribed Diseases) Regulations 1985. (See end of Document for details)

<i>Description of disease or injury</i>	<i>Relevant date</i>
	(b) In the case of a person suffering from asthma due to exposure to any of the following agents:—
	(i) animals including insects and other arthropods used for the purposes of research or education or in laboratories;
	(ii) antibiotics;
	(iii) cimetidine;
	(iv) wood dust;
	(v) ispaghula;
	(vi) castor bean dust;
	(vii) ipecacuanha;
	(viii) azodicarbonamide,

SCHEDULE 5

Regulation 44

TRANSITIONAL PROVISIONS REGARDING DATES
OF DEVELOPMENT AND DATES OF ONSET

1. In this Schedule the “date of development” has the meaning attributed to it by regulations 5, 6, 7 and 56 of the old regulations.

2. Where a claim for benefit has been made before 6th April 1983, a date of development shall be determined and regulation 16 of the old regulations shall apply as if the old regulations were still in force.

3. Where a claim for benefit is made after 5th April 1983 and a date of onset is determined which is before 6th April 1983, regulation 16 of the old regulations shall apply as if the old regulations were still in force.

4. Where in pursuance of a claim made before 6th April 1983 a date of development has been determined and an award of benefit has been made these regulations shall have effect in relation to that claim and any subsequent claim made by or on behalf of the same person in respect of the same disease (except where under regulation 7 the disease is treated as having been contracted afresh) as if references to the date of onset were references to that date of development.

5. Subject to paragraph 6, where a claim for injury benefit for a day falling or a period beginning before 6th April 1983 is made after 5th April 1983 and no date of development or date of onset which can be treated as such for the purposes of that claim has already been determined, for the purpose only of determining the date on which the injury benefit period (if any) is to begin, a date of development shall be determined, so however that if it is later than 5th April 1983 no injury benefit period shall begin and injury benefit shall not be payable.

6. There shall be no entitlement, in the following cases, to benefit for any day which is earlier than the date specified:—

(a) in the case of a person who is or has been suffering from

(i) viral hepatitis	2nd February 1976
(ii) angiosarcoma of the liver	21st March 1977
(iii) osteolysis of the terminal phalanges of the fingers	21st March 1977
(iv) carcinoma of the nasal cavity or associated air sinuses (nasal carcinoma)	8th August 1979
(v) occupational vitiligo	15th December 1980
[^{F203} (vi) occupational asthma arising otherwise than as described at (vii) below	29th March 1982;]
[^{F203} (vii) Occupational asthma which is due to exposure to antibiotics, cimetidine, wood dust, ispaghula, castor bean dust, ipecacuanha or azodicarbonamide	1st September 1986;]

(b) in the case of a person who is or has been suffering from byssinosis but who has not been employed in employed earner's employment in any occupation mentioned in regulation 2(c) of the old regulations for a period or periods (whether before or after 5th July 1948) amounting in the aggregate to 5 years: 6th April 1979;

Status: This revised version has been created from an electronic version contributed by Westlaw which was originally derived from the printed publication. **Read more** (See end of Document for details)**Changes to legislation:** There are currently no known outstanding effects for the The Social Security (Industrial Injuries) (Prescribed Diseases) Regulations 1985. (See end of Document for details)

- (c) in the case of a person who is or has been suffering from infection by leptospira but neither is nor has been either incapable of work or suffering from a loss of faculty as a result of infection by—
- (i) leptospira icterohaemorrhagiae in the case of a person employed in employed earner's employment in any occupation involving work in places which are, or are liable to be, infested by rats, or
 - (ii) leptospira canicola in the case of a person employed in employed earner's employment in any occupation involving work at dog kennels or the care or handling of dogs: 7th January 1980.

F203 Sch. 5(6)(vi)(vii) substituted for Sch.5(6)(vi) (1.9.1986) by [The Social Security \(Industrial Injuries and Adjudication\) Miscellaneous Amendments Regulations 1986 \(S.I. 1986/1374\)](#), regs. 1, **2(4)**

<i>Citation</i>	<i>Statutory Instrument</i>	<i>Extent of Revocation</i>
The Social Security (Industrial Injuries) (Prescribed Diseases) Amendment Regulations 1985	S.I. 1985/159	The whole of the regulations

EXPLANATORY NOTE

These regulations are made for the purpose only of consolidating the Social Security (Industrial Injuries) (Prescribed Diseases) Regulations 1980 and subsequent amending regulations, all of which are revoked. Paragraph 12 of Part II of Schedule 16 to the Social Security Act 1975 exempts such regulations from reference to the Industrial Injuries Advisory Council and they have not been so referred.

One major difference between these regulations and those made in 1980 is that the provisions in Part V of the 1980 regulations (Procedure for Determination of Claims and Questions) are now in Part IX of the Social Security (Adjudication) Regulations 1984 and have accordingly been omitted from the present consolidation. In other respects the form and content of the present set of regulations is much as before, dealing, in the same sequence, with the prescription of diseases and presumption as to their origin (Part II and Schedule 1), the date of onset and recrudescence of disease (Part III), the application to prescribed diseases of certain provisions of the Social Security Act 1975 and regulations made under it (Part IV and Schedule 2), the special provisions made in respect of pneumoconiosis, byssinosis, occupational deafness and certain other diseases (Part V and Schedule 3), certain transitional provisions (Part VI and Schedules 4 and 5) and the revocation of the regulations mentioned in Schedule 6.

Status:

This revised version has been created from an electronic version contributed by Westlaw which was originally derived from the printed publication.
