EXPLANATORY NOTE

(This Note is not part of the Order)

This order replaces in relation to an area of land in Wales the Food Protection (Emergency Prohibitions) (Wales) Order (S.I. 1986/1411 as amended by S.I. 1986/1435, /1483, /1535, /1576, /1616 and /1662. It contains emergency prohibitions restricting various activities in order to prevent human consumption of food which has been or which may have been rendered unsuitable for that purpose in consequence of the escape of radioactive substances from a nuclear reactor situated at Chernobyl in the USSR.

The order designates an area of land in Wales affected by the escape from which the movement of sheep, and in which the slaughter of sheep, are prohibited (articles 3, 4, 5(1) and Schedule 1). Movement into the designated area of sheep which have been removed from it or from a corresponding area elsewhere in the United Kingdom (other than sheep which *(a)* have been identified by a red paint mark, and moved, in accordance with a Ministerial consent or *(b)* are moved into a part of the designated area in which the restrictions do not apply) is prohibited (article 5(2)).

Restrictions on the slaughter of sheep from the designated area other than sheep which have been moved unmarked to a market in accordance with a Ministerial consent, and the supply of meat derived from such sheep, extend throughout the United Kingdom (article 6).

The said restrictions and prohibitions on the movement and slaughter of sheep imposed by articles 4, 5 and 6 shall not apply to those sheep which, on the dates specified, were in those parts of the designated area described in Schedule 2 to the order (article 7); in consequence any sheep which have been moved from those parts of the designated area before those dates are subject to the restrictions imposed by this order and, in particular, may not be slaughtered, anywhere in the United Kingdom, for human consumption or for use in the preparation of feeding stuffs.

Under Section 21 of the Food and Environment Protection Act 1985 the penalty for contravening an emergency prohibition is—

- a.* on summary conviction, a fine of an amount not exceeding the statutory maximum (at present £2,000);
- b.* on conviction on indictment, an unlimited fine, or imprisonment for a term of not more than two years or both.

Powers of enforcement in relation to emergency prohibitions are conferred by section 4 of, and Schedule 2 to, the 1985 Act. Obstruction of enforcement officers is an offence under paragraph 10 of that Schedule.
