## EXPLANATORY NOTE

*(This note is not part of the Rules)*

These Rules amend the Parish and Community Meetings (Polls) Rules 1987 to remove a possible ambiguity from the directions to voters as to the number of candidates for whom they may vote where the poll is on a question of appointment to an office. The original direction was “Vote for ... .. candidate(s) only”; (the blank space being filled according to the number of vacancies to be filled). The direction was intended to indicate the maximum number of candidates for whom a voter could vote. However, a voter could also construe the direction as indicating the minimum number of candidates for whom he could vote. The substituted direction for use where more than one vacancy is to be filled (“Vote for no more than ... .. candidates”) removes this ambiguity.
