“shared service” means a service at separate fares;

#### Application

2.—(1) The requirements of this Scheme shall apply to taxis standing for hire or hired at separate fares under the terms of this Scheme for a journey from the authorised place to an authorised destination.

(2) Any taxi may at the option of the holder of the licence for that vehicle be used for the carriage of passengers at separate fares under the terms of this Scheme.

#### Authorised place and availability

3.—(1) The authorised place is designated as the place from which taxis may be hired under this scheme.

(2) A taxi shall be available for hire under this Scheme when it is standing at the authorised place and displaying a notice containing the words specified in paragraph 4 of this Scheme.

#### Signs on vehicles

4. There shall be displayed on any taxi standing for hire under the terms of this Scheme (in addition to any other sign, mark or notice which is required to be displayed on the taxi) a notice containing the words “Shared Taxi”.

#### Arrangements for a shared service

5. If a person seeks to hire a shared service a taxi available for hire under this Scheme and the driver is unable to find at least one other person to share the hiring within a reasonable time, then no fare shall be payable and the driver shall be free to seek an alternative hiring provided that the driver and the first mentioned person may continue to wait for another person to offer to share the taxi for so long as they both agree to do so.

#### Fares, meters and signs

6.—(1) The maximum fare payable by each passenger for a journey shall be the appropriate amount indicated in paragraph 2 of the Schedule to this Scheme.

(b) if an odd number of such children are being carried, one half of the even number immediately following that odd number shall be counted.

(5) Before the commencement of any journey from the authorised place by a taxi for the purpose of a shared service, any person may (notwithstanding any earlier agreement) decide not to be carried as a passenger and no fare or other charge shall be payable by that person.

### **Obligatory hirings**

7. ### **Luggage**

8. The driver shall not refuse to carry in his taxi the luggage of a passenger if the luggage can be accommodated safely within the luggage compartment of the taxi with the luggage of other passengers already accepted by him.
