5.—(1) This article applies as respects any application for planning permission or for a consent, approval or determination under the 1971 Act or any order or regulation made or having effect under that Act which—

- (a) was duly made before this Order came into force to an authority which ceases by virtue of the preceding provisions of this Order to be the planning authority responsible for determining the application (“the previous authority”); and
- (b) has not been determined when this Order comes into force.

- (a) (2) (a) Subject to sub-paragraph (b), except where the previous authority resolves with the agreement of the applicant to transmit the application to the development corporation for determination, that authority shall have in relation to the application the same powers and duties as it would have if this Order had not been made.

EXPLANATORY NOTE

(This note is not part of the Order)

The Central Manchester Development Corporation was established by the Central Manchester Development Corporation (Area and Constitution) Order 1988 for the purpose of regenerating the Central Manchester urban development area. This Order makes the corporation the local planning authority for that area for all the purposes of Part III (general planning control) of the Town and Country Planning Act 1971 (article 3(a)), and for those purposes which are specified in Part I of Schedule 29 to the Local Government, Planning and Land Act 1980 which deal with additional control in special cases, enforcement of control, listed buildings and conservation areas (article 3(b)).

The Order applies other provisions of the 1971 Act specified in Part II of Schedule 29 to the 1980 Act to the corporation and to the area subject to the modifications set out in that Part (article 4).

Provision is made for the former local planning authority to determine applications received by it prior to the date on which this Order comes into force or with the applicant's agreement to transmit them to the corporation for determination; the former authority cannot, however, determine any such application for development which is subject to a direction under article 10 of the Town and Country Planning General Development Order 1977 (article 5). A second transitional provision (article 6) leaves responsibility for the payment of compensation under Part VIII of the 1971 Act with the local planning authority who took the action giving rise to a right to compensation.
