The Regulations, with other provisions, will also allow ratification by the UK of the Convention, and implementation of a recommendation, concerning occupational safety and health in dock work (International Labour Organisation Convention 152) (Cmnd 8118) laid before Parliament in December 1980 and in force internationally.

The Regulations require that the entrances to unattended dangerous spaces are secured against entry (regulation 4), that procedures for entry into dangerous spaces are laid down and observed (regulation 5), that drills are periodically carried out on tankers of 500 GRT or over and on other ships of 1000 GRT or over (regulation 6) and that equipment for testing dangerous spaces is carried (regulation 7).

In the case of ships not registered in the United Kingdom the Regulations require that ships which do not conform to the standards of health and safety required by these Regulations may be detained.

20th September 1988 Two of the Lords Commissioners of Her Majesty's Treasury

(a) 1984 c.51; subsection (1)(c) was amended by section 94 of, and paragraph 11 of Schedule 26 to, the Finance Act 1985 (c.54), in relation to events on or after 19th March 1985. Subsection (1) was amended, and subsection (1A) was inserted, by section 60(1) and (3) and section 60(2) and (3), respectively, of the Finance Act 1987 (c.16), where the acceptance referred to in section 230 of the Inheritance Tax Act 1984 occurs on or after 17th March 1987. Subsection (2) was amended by section 101(3) of, and paragraph 32 of Schedule 19 to, the Finance Act 1986 (c.41), with respect to transfers of value made and other events occurring after 17th May 1986. By virtue of section 100(1) and (2) of the Finance Act 1986, on and after 25th July 1986 the Capital Transfer Tax Act 1984 may be cited as the Inheritance Tax Act 1984, and any reference in that Act to capital transfer tax is to have effect as a reference to inheritance tax, except where the reference relates to a liability arising before 25th July 1986.

EXPLANATORY NOTE

(This note is not part of the Order)

This Order increases with effect from 6th October 1988 the annual rate of interest on unpaid inheritance tax, or unpaid capital transfer tax where the liability to tax arose before 25th July 1986, payable under section 233 of the Inheritance Tax Act 1984 (formerly the Capital Transfer Tax Act 1984). The annual rate is increased to 9 per cent. This increase also has effect in relation to repayments of capital transfer tax or inheritance tax since, by virtue of section 235 of the Act, these carry interest at the rate applicable to unpaid tax under section 233. Section 236 of the Act, as amended by paragraph 33 of Schedule 19 to the Finance Act 1986, Part X of Schedule 23 to the Finance Act 1986 and Part X of Schedule 14 to the Finance Act 1988 (c.39), applies the provisions of section 233 to certain special cases where tax has been overpaid or underpaid.

The previous rates were 8 per cent with effect from 6th August 1988 (S.I. 1988/1280), 6 per cent with effect from 6th June 1987 (S.I. 1987/887) and 8 per cent with effect from 16th December 1986 (S.I. 1986/1944). Immediately before 16th December 1986 rates of 9 per cent and 11 per cent applied with respect to transfers of value made and other events occurring after 17th March 1986 by section 233(2) (as amended by paragraph 32 of Schedule 19 to the Finance Act 1986) and originally in relation to capital transfer tax by S.I. 1985/560 with effect from 1st May 1985. Prior to this date the rates were 6 per cent. and 8 per cent. respectively with effect from 1st December 1982 (S.I. 1982/1585), 9 per cent and 12 per cent respectively with effect from 1st January 1980 (S.I. 1979/1688), and 6 per cent and 9 per cent respectively prior to 1st January 1980 (paragraph 19 of Schedule 4 to the Finance Act 1975 (c.7)).
