shall vest in Richmond.

(2) The mortgages referred to in paragraph (1)(a) are mortgages on any house for securing any housing advance or any amount left outstanding on terms which enable repayments to be deferred.

(3) Subject to article 3, all functions of the Residuary Body, and all rights acquired and liabilities incurred by that Body in connection with any interest vested by paragraph (1) shall on the transfer date become functions of or, as the case may be, vest in or be discharged by Richmond.

(2) Where the rate of interest applicable to the mortgage immediately before the transfer date is higher than the rate applicable to a mortgage of the same description granted to Richmond ("the Richmond rate"), the rate applicable to that mortgage on and after the transfer date shall, until such time as a different rate falls to be applied in accordance with Schedule 16 to the Housing Act, be the Richmond rate.

(3) Where the rate of interest applicable to the mortgage immediately before the transfer date is lower than the Richmond rate, that lower rate shall continue to be applicable to that mortgage on and after the transfer date until such time as —

(a) the Richmond rate becomes a lower rate; or

(5) Sections 35 and 155 of the Housing Act 1985 were amended by section 2(3) of the Housing and Planning Act 1986 (c. 63). (6) See paragraph 2 of Schedule 16 to the Housing Act 1985.

This Order transfers to the Council of the London borough of Richmond-upon-Thames (“Richmond”) a variety of interests, functions, rights and liabilities held by the London Residuary Body in relation to mortgages of residential property.

Part I defines terms and specifies 14th November 1988 as “the transfer date”.

Part II provides for the transfer to Richmond of various interests, functions, rights and liabilities of the Residuary Body. Article 3 confers on the housing authority in whose area the relevant land is situated the Residuary Body’s liability to provide a mortgage under Part V of the Housing Act 1985. Article 4 deals with interest rates.

Part III contains financial provisions. Article 5 provides for the payment by Richmond to the Residuary Body of a sum which reflects the value of the interests transferred, recognising that arrears may have accrued. Article 6 relates to mortgages in respect of which the Residuary Body or its predecessors in title have exercised the mortgagee’s power of sale.

Article 7 provides for the retention by Richmond and the distribution by them to other London housing authorities of amounts which are to be calculated in accordance with Schedule 1. Article 7(4) provides for the recovery by Richmond of expenditure associated with the Order if Richmond’s receipts are insufficient for the purpose. Article 8 provides for additions to the net capital receipts of London housing authorities in accordance with Schedule 2 on the basis of the percentages listed in Schedule 3. Article 9 requires an authority which receives capital sums by virtue of article 7 to apply the money for the redemption of debt or for other capital purposes. Article 10 enables Richmond to disregard for prescribed expenditure purposes certain expenditure which they are required to incur as a consequence of the Order.

Part IV prescribes the administrative arrangements that apply to the distribution of cash and additional capital spending power and makes provision for continuity. Article 11 requires Richmond to notify the recipient councils and the Secretary of State of its estimates of the amounts available for distribution or retention and of the amount actually distributed or retained. Article 12 deals with continuity in the exercise of functions transferred by the Order.
