## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

Under the Excise Duties (Small Non-Commercial Consignments) Relief Regulations 1986 certain small consignments of a non-commercial character may be admitted into the United Kingdom without payment of excise duty. The present Regulations increase the maximum sterling value of such a consignment to £75 when imported from another Member State. It implements, for intra-community consignments, the requirements of Article 1(a) of Council Directive [74/651/EEC](#) (OJNo. L354, 30.12.74, p.57) which was added by Council Directive [78/1034/EEC](#) (OJ No. L366, 28.12.78, p.33). That Article provides for the purposes of the Directives, that the equivalent of the European Currency Unit in national currency is fixed at the rates obtaining on 1st October each year to have effect from 1st January the following year.

Parallel increased limits for value added tax purposes are found in the Value Added Tax (Small Non-Commercial Consignments) Relief (Amendment) Order 1989 (S.I. [1989/2273](#)).
