(a) (8) (a) The Returning Officer immediately after the last time fixed for the receipt of ballot papers shall cause the validity of the votes to be ascertained by an examination of the identification envelopes and by such other evidence if any as the Returning Officer may think necessary and shall cause such of the identification envelopes as are found to be valid to be opened and the ballot papers withdrawn, kept folded face inwards, and placed in a separate ballot box dependent upon the category in which the said vote is appropriate.

(b) When all the ballot papers have been transferred to the ballot boxes, they shall be examined and counted and the number of valid votes given for each candidate shall be ascertained.

In this paragraph "appropriate number" in relation to a category means the number specified in column (4) of the Table in article 4 above in relation to that category. EXPLANATORY NOTE

(This Note is not part of the Order)

This Order approves the Scheme of election for teacher-members (other than principals of colleges of education) of the General Teaching Council for Scotland who are required to be elected by virtue of Schedule I to the Teaching Council (Scotland) Act 1965. The Scheme revokes and re-enacts with modifications the Teaching Council (Scotland) Election Schemes of 1970 and 1977. The principal alterations are the requirement of only one notification of the election instead of two, the reduction of the number of supporters to sign the nomination forms from 20 to 5 and the introduction of a voluntary personal statement to be submitted by candidates for circulation with the ballot paper.
