3. Any enquiries concerning this notice should be addressed to the Board at the address shown overleaf who should also be notified of any changes in the area of agricultural land included in the assessment.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations revoke the Drainage Rates (Forms) Regulations 1977 and re-enact their provisions with the modifications which are necessary to take account of the changes in the system of financing internal drainage boards introduced by the Internal Drainage Board (Finance) Regulations 1990 whereby with effect from the financial year commencing 1st April 1990 drainage rates may be assessed only on agricultural land and agricultural buildings. The Regulations prescribe the particulars to be contained in a drainage rate and the form of demand for drainage rates from the agricultural sector in relation to rates made in respect of any period between 1st April 1990 and 31st March 1993.
