## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations, which come into force on 1st May 1990, amend the National Health Service (General Medical and Pharmaceutical Services) (Scotland) Regulations 1974 (“the principal Regulations”) which regulate the terms on which doctors and chemists provide general medical services and pharmaceutical services under the National Health Service (Scotland) Act 1978.

Regulation 2 amends those provisions of the principal Regulations which came into force as a result of the National Health Service (General Medical and Pharmaceutical Services) (Scotland) Amendment (No.2) Regulations 1989 in relation to the provision of general medical services. Two of the amendments are minor in nature and the third, which does not affect the intention of the provisions, relates to the provision by doctors of information for inclusion in the Local Directory of Family Doctors.

Schedule 2A to the principal Regulations lists drugs and other substances which cannot be supplied by doctors, or prescribed for supply under pharmaceutical services. Regulation 3 deletes certain substances from, and adds other substances to, that Schedule.
