PART III

SECTION 7

BENEFITS FOR INDUSTRIAL INJURIES AND DISEASES

ARTICLE 21

(1) Where the legislation of one Party applies to a person in accordance with any of the provisions of Articles 5 to 9 of this Convention he shall be treated under that legislation for the purpose of any claim for benefit in respect of an industrial accident or an industrial disease contracted during that employment, as if the accident had occurred or the disease had been contracted in the territory of that Party. - (a) the accident shall be treated as if it occurred in the territory of the Party whose legislation applied to him at the time the accident occurred; and
- (b) his absence from the territory of that Party shall be disregarded in determining whether his employment was as an employed person under that legislation.

(3) For the purpose of applying paragraph (2) of this Article to persons covered by the provisions of Articles 5 to 9, "territory" includes the Continental Shelf Area or any ship or vessel of either Party.

(4) Where because of a death resulting from an industrial accident or an industrial disease, a benefit would be payable under the legislation of one Party in respect of a child if that child were in the territory of that Party, that benefit shall be payable while the child is in the territory of the other Party.
