1992 No. 1815

**The Child Support (Maintenance Assessments
and Special Cases) Regulations 1992**

PART II

CALCULATION OR ESTIMATION OF CHILD SUPPORT MAINTENANCE

Apportionment of housing costs: exempt income

17. ^[F1]For the purposes of calculating or estimating exempt income the amount of the housing costs of a parent shall be—

- (a) where the parent does not have a partner, the whole amount of the housing costs;
- (b) where the parent has a partner, the proportion of the amount of the housing costs calculated by multiplying those costs by—

$$\frac{0.75 + (A \times 0.2)}{1.00 + (B \times 0.2)}$$

where—

A is the number of relevant children (if any); B is the number of children in that parent's family (if any);

- (c) where the parent is a member of a polygamous marriage the proportion of the amount of the housing costs calculated by multiplying those costs by—

$$\frac{0.75 + (A \times 0.2)}{1.00 + (X \times 0.25) + (B \times 0.2)}$$

where—

A and B have the same meanings as in sub-paragraph (b); and

X is the number which is one less than the number of partners.]

Changes to legislation: *There are currently no known outstanding effects for the The Child Support (Maintenance Assessments and Special Cases) Regulations 1992, Section 17. (See end of Document for details)*
