STATUTORY INSTRUMENTS

1992 No. 3163

The Food Safety (Fishery Products) Regulations 1992

Placing aquaculture products on the market

- **5.**—(1) Subject to regulation 24(1), no person shall place aquaculture products on the market which do not meet the following requirements:—
 - (a) that they were slaughtered under appropriate conditions of hygiene and, in particular,—
 - (i) that they are not soiled with earth, slime or faeces and
 - (ii) if not processed immediately after slaughtered, that they are kept chilled; and
 - (b) the requirements of regulation 3(c) to (g).
