**The Surface Waters (Dangerous Substances)
(Classification) (Scotland) Regulations 1992**

Modification of section 30C of the Control of Pollution Act 1974

4. Section 30C of the Control of Pollution Act 1974 shall have effect as if—
- (a) it imposed a duty on the Secretary of State to exercise his powers under that section to apply the classification DS3 to all relevant territorial waters, coastal waters and inland waters; and
 - (b) in relation to the establishment of water quality objectives in pursuance of that duty, subsections (4) and (5) of that section were omitted.
