1993 No. 208

**The Coal and Other Safety-Lamp
Mines (Explosives) Regulations 1993**

PART V

SHOTFIRING PROCEDURES

Shotfirer's records

- 34.** Every shotfirer shall in respect of each period of duty that he works make a record of—
- (a) every shot fired by him or under his supervision, including the weight of explosives and number of detonators used;
 - (b) any misfire which occurred in respect of a shot intended to be fired by him or under his supervision;
 - (c) any steps taken by him pursuant to regulation 32(1)(a); and
 - (d) any report made by him pursuant to regulation 33(2).
