EXPLANATORY NOTE

(This note is not part of the Order)

This Order designates those educational institutions in Wales which are eligible to receive support from funds administered by the Further Education Funding Council for Wales or the Further Education Funding Council for England. The designation takes effect on 1st April 1993 (Article 2).

Article 3 provides that section 29 of the Further and Higher Education Act 1992 ("the Act") does not apply to the North Wales District and South Wales District of the Workers' Educational Association or to the National Council of Young Men's Christian Associations of Wales and so they alone of the designated institutions need not have their instruments and articles of government approved by the Secretary of State for Wales under that section.

Article 4 specifies the institution in relation to which section 32 of the Act is to have effect and identifies both the trustees to whom the property and rights referred to in that section are to be transferred and the trust deed under whose trusts they are to be held.
