1993 No. 419

The National Health Service (Dental
Charges) Amendment Regulations 1993

Transitional provision

5. Where, on or after 1st April 1993, appliances are supplied, or other general dental services are provided, in pursuance of a contract or arrangement for the provision of general dental services made before that date, the provisions of regulation 4(1) and (5) of and of Schedule 1 to the principal Regulations shall have effect in respect of that supply or other provision as if these Regulations had not come into force.
