NOTES ON THE USE OF FORMS 1, 2 and 3

- (a) Insert the title of the order, including in it the general area within which the order land is situated and at the end, the words "Compulsory Purchase Order" and the year in which it is made.
- (b) Insert the title and date of the Act authorising compulsory purchase. If the purpose of acquisition as stated in paragraph 1 of the order is contained in some other Act, the title of the Act (or a collective title) should be added as a sub-heading and in the order as an enabling power. In the case of orders under section 226(1) of the Town and Country Planning Act 1990 specify whichever of the paragraphs (a) or (b) is relied on and section 226(3)(a) or (b) must also be mentioned if relied on.
- (c) Insert the name of the acquiring authority.
- (d) Delete material which is inapplicable.
- (e) Describe the purpose in precise terms. Where practicable the words of the relevant Act may be used, but where those words are in general terms covering a range of purposes, the particular purpose for which the land is required should be stated.
- (f) Describe the colouring or other method used to identify the land on the map. The boundaries of each parcel of land separately numbered in the Schedule to the order should be clearly delineated. Further, the map itself should contain sufficient detail to enable the situation of the land to be readily identified by reference to the description given in the Schedule. Maps should normally be on the scale of 1/500 or 1/1250 or 1/2500 as appropriate. If new rights are involved specify these (by description in the Schedule). If land and new rights are involved show the respective areas by different colourings on the map. If new rights are being acquired under different powers from the land specify the powers.
- (g) Insert the name of the confirming authority.
- (h) Schedule 2 to the Acquisition of Land Act 1981 ("the 1981 Act") permits modifications of references to "the undertaking" in that Schedule. Insert any such modifications which are required—e.g. "references in the said Parts[s] II [and III] to the undertaking shall be construed as references to the buildings or works constructed or to be constructed on that part of the land authorised to be purchased hatched black on the said map". This paragraph may be omitted, or may be inserted with or without reference to Part III of Schedule 2.
- (j) Insert details of new rights and/or land to be acquired for the purposes of the order in paragraph 1(i) of and Schedule 1 to Form 2 and land to be acquired as exchange land in paragraph 1(ii) and Schedule 2. Insert or delete words in brackets as appropriate.
- (k) Column (1) need not be included where the order relates only to one parcel of land or, in the case of Schedule 2 or 3 in Form 2, there is only one parcel of exchange land. Where there are two or more parcels they should be numbered 1, 2 etc. on the map and referred to accordingly in column (1). In the case of any land in respect of which the acquiring authority have served notice on owners, lessees and occupiers under section 6(4) of the 1981 Act, enter "unknown" in the appropriate columns (i.e. (3) (4) and (5) or whichever are applicable).
- (m) This column must contain sufficient detail to tell the reader approximately where the land is situated without reference to the map. Except in the case of orders made under the Highways Act 1980 in reliance on section 260 of that Act, if land in which the authority has an interest is shown, since the authority cannot purchase its own interest, insert "All interests in . . . except those owned by the acquiring authority". If land in which the Crown has an interest is included and the relevant Crown authority has agreed to the inclusion of the non-Crown interests under the appropriate statutory authority eg section 296 of the Town and Country Planning Act 1990 or section 83 of the Planning (Listed Buildings and Conservation Areas) Act 1990, insert in this column "All interests in . . . except those held by or on behalf of the Crown". Insert details of the relevant Crown interest in the appropriate column. If the Crown has agreed under section 327 of the Highways Act 1980 to its interests being compulsorily purchased this special wording is not appropriate.
- (n) The compulsory acquisition of land or new rights over land—
 - (i) which is the property of a local authority but is proposed to be acquired by a person other than a person mentioned in section 17(3) of the 1981 Act;
 - (ii) which has been acquired by statutory undertakers for the purposes of their undertaking but is proposed to be acquired by a person other than a person mentioned in section 17(3);
 - (iii) which is held inalienably by the National Trust; or
 - (iv) forming part of a common or open space, or of a fuel or field garden allotment,is subject to special provisions in sections 17 to 19 of, and Part II of Schedule 3 to, the 1981 Act and consequently may be subject to special parliamentary procedure in certain circumstances. The class of excepted persons in section 17(3) is very wide and includes local authorities and urban development corporations, and thus section 17 will rarely apply.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

- (o) In the column "Special Category", state which section of the 1981 Act applies, and the description of special category land.
- (p) Insert the relevant plot number, as shown in column (1) of Schedule 1, of land in respect of which each plot of exchange land is given. If the order relates to only one parcel of land, insert "the order land".
- (q) The order must be made under seal, duly authenticated, and dated.
- (r) Insert or delete as appropriate,
- (s) In Form 2 insert paragraph 3 if land subject to common or other protected rights is being acquired for which exchange land is to be vested and/or paragraph 4 if new rights are being acquired and exchange land is to be vested for these (the first alternative paragraph 3 or 4(2) to be used where only one exchange will take place and the second alternative to be used if more than one exchange.)
- (t) In Form 3 insert sub-paragraph 3(3) instead of or in addition to sub-paragraph 3(2) as appropriate if new rights are being acquired instead of or in addition to land subject to protected rights and the protected rights are to be discharged without any land becoming vested in exchange.

- (p) The order must be made under seal, duly authenticated, and dated.
