## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations amend the Dairy Produce Quotas Regulations 1994 (“the principal Regulations”) as a consequence of the reorganisation of the arrangements in relation to the marketing of milk in the United Kingdom pursuant to Part I of the Agriculture Act 1993 (1993 c. 37).

The Regulations amend regulation 6 of the principal Regulations to require all purchasers (as defined in the principal Regulations) in Great Britain who purchase milk on 1st November 1994 to submit details to the Intervention Board of each producer registered with them on that date by 8th November 1994 (regulation 3).

The Regulations also require bodies corporate in Great Britain who cease to act as purchasers on 31st October 1994 to submit to the Intervention Board details of deliveries of milk made to them from 1st April 1994 to 31st October 1994.

Other minor amendments have been made.
