Set-off of amounts between the claimant and the debtor

161. —

(1) Save as the Commissioners may otherwise allow, where the claimant owed an amount to the debtor when the debtor became insolvent which—

(a) either—

- (i) under the law governing the insolvency of the debtor can be set off, or
- (ii) cannot be so set off but in respect of which payment can be lawfully demanded of the claimant by the person with whom the claimant proves in the insolvency of the debtor, and which is not so paid at the time the claimant makes his claim to the Commissioners, and

(b) the claimant made only one supply to the purchaser,

the outstanding amount of the consideration in money for that supply shall be reduced by the amount which the claimant owed the debtor and any refund shall be calculated from such reduced outstanding amount of the consideration in money.

(2) Save as the Commissioners may otherwise allow, where the claimant owed an amount to the debtor when the debtor became insolvent which—

(a) either—

- (i) under the law governing the insolvency of the debtor can be set off, or
- (ii) cannot be so set off but in respect of which payment can be lawfully demanded of the claimant by the person with whom the claimant proves in the insolvency of the debtor, and which is not so paid at the time the claimant makes his claim to the Commissioners, and

(b) the claimant made more than one supply to the purchaser and no part of the total amount of the consideration in money for those supplies was paid,

the outstanding amount of the consideration in money for each supply upon which VAT was accounted for and paid shall be reduced to an amount obtained by dividing the consideration in money for such supply by the total amount of the consideration in money for all supplies (whether taxable or otherwise) and multiplying this by such total amount less the amount which the claimant owed the debtor, and any refund shall be calculated from such reduced outstanding amount of the consideration in money.

Determination of outstanding amount of consideration in money

162. —

(1) Where, before the debtor became insolvent—

(a) the claimant made more than one supply to the purchaser,

Status: Point in time view as at 20/10/1995.

Changes to legislation: There are currently no known outstanding effects for the The Value Added Tax Regulations 1995, PART XVIII. (See end of Document for details)

(b) such supplies were at differing rates of VAT (including the zero rate) or at least one supply was exempt, and

(c) part of the total amount of the consideration in money for such supplies was paid,

then, for the purpose of calculating any refund, the outstanding amount of the consideration in money for each supply upon which VAT was accounted for and paid shall be taken to be such part of the debt as is attributed to such supply in accordance with the rules set out in paragraph (3) below for attributing the debt to supplies (whether taxable or otherwise) referred to in that paragraph.

(2) In this regulation “the debt” means the amount of the consideration in money for supplies made to the purchaser and owed by the debtor when he became insolvent less, save as the Commissioners may otherwise allow, any amount owed by the claimant to the debtor at the time he became insolvent which—

(a) under the law governing the insolvency of the debtor can be set off, or

(b) cannot be so set off but in respect of which payment can be lawfully demanded of the claimant by the person with whom the claimant proves in the insolvency of the debtor and which is not so paid at the time the claimant makes his claim to the Commissioners.

(3) The debt shall be attributed to the supply which is most recent in time before the debtor became insolvent and, if not wholly attributed to that supply, thereafter to supplies in the reverse order to the date on which they were made, except that attribution shall not be made to any supply where the consideration in money for that supply was paid in full and the payment was allocated to that supply by the debtor at the time of payment, and where—

(a) the most recent supply and other supplies to which the whole of the debt could be attributed under this paragraph occur on one day, or

(b) the supplies to which the balance of the debt could be attributed under this paragraph occur on one day,

attribution shall be made to those supplies by dividing the consideration in money for each such supply upon which VAT was accounted for and paid by the total amount of the consideration in money for those supplies (whether taxable or otherwise) and multiplying by the debt or the balance of it as the case may be.

Repayment of a refund

163. —

(1) Where the claimant fails to comply with regulation 160 he shall repay to the Commissioners the amount of the refund by including that amount in the box opposite the legend “VAT due in this period on sales and other outputs” on his return for a prescribed accounting period which the Commissioners designate for that purpose.

(2) Where the claimant proves subsequently in the insolvency of the debtor for—

(a) an amount consisting of the consideration, or of a portion thereof, for a taxable supply or supplies made by the claimant,

which, taken together with—

(b) the amount for which he has proved in the insolvency for the purpose of obtaining a refund of VAT,

exceeds—

- (c) the outstanding amount of the consideration for a taxable supply or, as the case may be, for all of the taxable supplies made by the claimant, less the amount of the refund received by him,

he shall repay to the Commissioners the amount of the refund by including that amount in the box opposite the legend “VAT due in this period on sales and other outputs” on the return for the prescribed accounting period in which he so proves subsequently in the insolvency.

(3) If at the time the claimant is required to repay any amount he is no longer required to make returns to the Commissioners, he shall repay such refund to the Commissioners at such time and in such form and manner as they may direct.

- (a) an award of sequestration of the estate of a debtor where—
 - (i) a person has been appointed a trustee, he lodges a claim with the trustee for the amount of the debt less the amount of the refund which he proposes to claim from the Commissioners, or
 - (ii) no person is appointed trustee within 3 months of the making of the award, he notifies the Commissioners in writing, at least one month before he makes his claim to them, of the amount of the refund which he proposes to claim, of the name and address of the debtor and of the number and date of the Edinburgh Gazette in which is intimated the sequestration of the estate of the debtor; or
- (b) the debtor executing a trust deed for his creditors or a judicial factor being appointed under section 11A of the Judicial Factors (Scotland) Act 1889(3) to divide the insolvent estate of the deceased debtor among that debtor’s creditors, he claims upon respectively the trustee or the judicial factor for the amount of the debt less the amount of the refund which he proposes to claim from the Commissioners; or
- (c) a company registered in Scotland which goes into liquidation at a time when its assets are insufficient for the payment of its debts and other liabilities and the expenses of the winding up, he lodges a claim with the liquidator for the amount of the debt less the amount of the refund which he proposes to claim from the Commissioners.
