

## SCHEDULE 5

Regulations 8(1)(f) and 3(b)

### **Conditions for the production of meat preparations**

1. The production of meat preparations shall take place in temperature controlled conditions such that any risk to public health is avoided.
2. Meat preparations shall—
  - (a) immediately after production, be wrapped and packaged in accordance with Schedule 8 and cooled to the appropriate temperature referred to in regulation 8(1)(d) or (e);
  - (b) not be deep-frozen more than once; and
  - (c) where they are to be consigned to a relevant EEA State, be so consigned within 18 months of their production.
