and (in either case) the Minister is satisfied that the method of operation in those premises complies with the requirements of Schedules 6 and 10;

(v) a cold store if the Minister is satisfied that the premises comply with the requirements of Schedules 1 and 4 and that the method of operation in those premises complies with the requirements of Schedules 6 and 12;

(vi) a re-wrapping centre if the Minister is satisfied that the premises comply with the requirements of Schedule 1 and that the method of operation in those premises complies with the requirements of Schedules 6, 12 and 13; and

(b) shall refuse so to license those premises if the Minister is not so satisfied.

(3) Each application for a licence under this regulation shall be made in writing to the Minister by the occupier of the premises to which the application relates.

(4) The Minister shall notify the occupier in writing of his decision on each application for a licence under this regulation and of the reasons for any refusal to license such premises.

(5) Any licence granted in respect of any premises under this regulation shall be subject to the condition that any significant alteration to the premises or the equipment in those premises or the method of operation in those premises shall comply with the provisions of these Regulations.

(6) In granting a licence in respect of any premises under this regulation the Minister may make that licence subject to conditions in respect of any rabbits or species of bird which shall be slaughtered or handled there.

(7) In granting a licence in respect of a cold store the Minister may make that licence subject to the condition that fresh meat shall be stored only in one or more specified storage chambers or that the cold store shall store only fresh meat which is packaged.

(8) Where the Minister has refused to grant a licence under this regulation or granted a licence subject to any condition imposed pursuant to paragraph (6) or (7) above, the notification under paragraph (4) above shall state the right of appeal to a Meat Hygiene Appeals Tribunal for which provision is made in regulation 6 and the time within which an appeal shall be lodged.

(9) Where delayed evisceration and post-mortem inspection is to be carried out in any cutting premises, those premises shall not be licensed unless the Minister is satisfied that the method of operation in those premises complies with the requirements of Part III of Schedule 5, paragraphs 4 to 14 of Schedule 8 and Schedule 9.

Revocation of licences

5.—(1) The Minister may revoke a licence saved by virtue of regulation 3(5) or granted under regulation 4 in respect of any premises if, after an inspection of, or an inquiry into, the operation or structure of the premises and a report by an official veterinary surgeon or veterinary officer, the Minister is satisfied that—

- (a) the conditions of hygiene at those premises are inadequate and the occupier has failed to take the necessary measures to make good the shortcoming within such period as the Minister may specify;
- (b) any requirement of these Regulations as to hygiene has not been complied with and no action has been taken to ensure that a similar breach does not occur in future;
- (c) any agreement made by the occupier with the Minister to carry out and complete any works referred to in regulation 4(2)(a)(i), (ii), (iii) or (iv) has not been complied with;
- (d) the condition referred to in regulation 4(5) or any other condition attached to the licence in accordance with regulation 4(6) or (7) has not been complied with; or
- (e) the premises no longer fall within these Regulations—
 - (i) because the business carried on at the premises in respect of which the licence was granted is no longer being carried on there; or
 - (ii) because they have become exempt under regulation 3.

(2) The Minister shall forthwith notify the occupier in writing of his decision under paragraph (1) above to revoke any licence granted under these Regulations in respect of any premises, of the date on which the revocation is to take effect and of the reasons for such revocation.

(3) Any notification under paragraph (2) above must state the right of appeal to a Meat Hygiene Appeals Tribunal for which provision is made in regulation 6 and the time within which an appeal must be lodged.

(4) In paragraph (2) above “occupier”, in relation to a proposed revocation by virtue of paragraph 1(e)(i) above where the premises are vacant, means the last person known to the Minister to have carried on at the premises business in respect of which the licence was granted or his successor in respect of that business.

Appeals

6.—(1) Where the Minister has refused to license any premises or has granted a licence with conditions under regulation 4 or has revoked the licence of any premises under regulation 5, the occupier of those premises may, within 28 days of being notified of that decision in accordance with regulation 4(4) or 5(2), appeal to a Meat Hygiene Appeals Tribunal.

(2) The provisions of Schedule 15 shall apply in respect of the constitution, appointment of members, remuneration of members and staffing of a Meat Hygiene Appeals Tribunal.

(3) Where on an appeal under paragraph (1) above a Meat Hygiene Appeals Tribunal determines that—

- (a) the issue of a licence under regulation 4 should not have been refused; or
- (b) any condition imposed under regulation 4(6) or (7) was unreasonable; or
- (c) a licence revoked under regulation 5 should not have been revoked,

the Minister shall give effect to the determination of the Tribunal.

(4) Without prejudice to sections 9 to 13 of the Act, where the Minister has refused a licence under regulation 4 or revoked the licence of any premises under regulation 5, a person who, immediately before such refusal or revocation, had been lawfully using them as a slaughterhouse, cutting premises, a cold store or a re-wrapping centre (as the case may be) may continue to use them

for that purpose, subject to any reasonable conditions imposed by the Minister for the protection of public health, until the time for appealing has expired and, if an appeal is lodged, until the appeal is finally disposed of or abandoned.

Prohibition on the slaughter at a slaughterhouse of a bird or rabbit not intended for sale for human consumption

7.—(1) Subject to paragraph (2) below, an occupier shall not use or cause to be used any slaughterhouse for the slaughter of any bird or rabbit not intended for sale for human consumption.

(2) Paragraph (1) above shall not apply in respect of the use of a slaughterhouse for the slaughter of a bird or rabbit not intended for sale for human consumption provided that—

- (a) such bird or rabbit is slaughtered in a different room or at a different time from any bird or rabbit intended to be slaughtered for sale for human consumption; and
- (b) appropriate steps are taken to prevent the contamination of fresh meat in that slaughterhouse.
