The Carriage of Dangerous Goods by Road Regulations 1996

PART II

APPROVED DOCUMENTS

Meaning of the Approved Carriage List and other approved documents

5.—(1) The Health and Safety Commission shall approve and publish for the purposes of these Regulations the following documents (in these Regulations referred to as “approved documents”) entitled—

- (a) “Approved Carriage List”, which shall contain the information specified in regulation 4(1) (a) of the CDGCPL Regulations;
- (b) “Approved Vehicle Requirements”, which shall contain—
 - (i) the requirements for the construction of vehicles for the carriage of dangerous goods other than explosives and radioactive material, and
 - (ii) explanatory notes and other material requisite for the use of the document; and
- (c) “Approved Tank Requirements”, which shall contain—
 - (i) the requirements for the design and construction of tanks for the carriage of dangerous goods other than explosives and radioactive material,
 - (ii) the requirements for the filling of such tanks,
 - (iii) the requirements for the examination, testing and certification of such tanks, and
 - (iv) explanatory notes and other material requisite for the use of the document.

(2) The Health and Safety Commission may approve a revision of any of the approved documents referred to in paragraph (1) and, when it does so, the Commission shall within 3 months of the date of that approval publish, in such manner as it considers appropriate, a notice specifying the revision, the date on which it was approved and the date on which it takes effect, which last-mentioned date shall be not less than 6 months after the date of the approval of the revision.

Duties in relation to the approved documents

6. Without prejudice to the generality of the provisions contained in these Regulations—
- (a) the operator of any tank or vehicle which is intended to be, or is being, used for the carriage of dangerous goods shall take all reasonable steps to ensure that such of the requirements specified in any of the approved documents as are relevant to that tank or vehicle are complied with in relation thereto;
 - (b) any person who designs, manufactures, imports, supplies, modifies or repairs any vehicle which is intended to be used for the carriage of dangerous goods shall ensure, insofar as they are matters within his control, that such of the requirements specified in the Approved Vehicle Requirements as are relevant to that vehicle are complied with in relation thereto;
