The Products of Animal Origin
(Import and Export) Regulations 1996

PART IV

IMPORTS FROM THIRD COUNTRIES

Application of Part IV

19. This Part of these Regulations shall have effect in relation to imports of products of animal origin (except for aquaculture products which are not for human consumption) from countries which are not member States, including—

- (a) an import through another member State in the circumstances set out in Articles 8(4) and 11(2)(b) of Directive 90/675; and
- (b) goods which are intended to be placed in a customs warehouse or free zone or free warehouse,

with the exception that this Part of these Regulations shall not apply to imports to which regulation 9(c) applies.
