

## SCHEDULE 1

### PART II

#### MINIMUM GENERAL REQUIREMENTS CONCERNING SIGNBOARDS

##### **2 Conditions of use**

(2.1) Signboards are in principle to be installed at a suitable height and in a position appropriate to the line of sight, taking account of any obstacles, either at the access point to an area in the case of a general hazard, or in the immediate vicinity of a specific hazard or object and in a well-lit and easily accessible and visible location.

Without prejudice to the provisions of Directive [89/654/EEC](#), phosphorescent colours, reflective materials or artificial lighting should be used where the level of natural light is poor.

(2.2) The signboard must be removed when the situation to which it refers ceases to exist.
