1996 No. 593

The Environment Act 1995 (Consequential
Amendments) Regulations 1996

Amendment of references to the National Rivers Authority in other enactments

2. In each of the enactments specified in Schedule 1 to these Regulations, any reference (however framed) to the National Rivers Authority, and any reference which falls to be construed as such a reference, shall be construed on and after 1st April 1996 as a reference to the Environment Agency.
