This Order amends the Plant Health (Forestry) (Great Britain) Order 1993 to provide for the granting of licences by the Forestry Commissioners in accordance with the requirements of Commission Directive [95/44/EC](#) establishing the conditions under which certain harmful organisms, plants, plant products and other objects listed in Annexes I to V to Council Directive [77/93/EEC](#) may be introduced into or moved within the Community or certain protected zones thereof, for trial or scientific purposes and for work on varietal selections (OJ No. L184, 3.8.95, p.34). The Order provides for the granting of licences authorising the landing, movement and keeping of material that would otherwise be prohibited and controls the use of such material (article 4).

The Order also amends the recognized protected zones described in Schedule 5, Part B to the Plant Health (Forestry) (Great Britain) Order 1993—

- (a) to implement Council Decision [95/1/EC](#) adjusting the instruments concerning the accession of new Member States to the European Union (OJ No. L1, 1.1.95, p.1); and
- (b) to reflect changes in the recognized protected zones agreed in accordance with the procedure laid down by Council Directive [77/93/EEC](#) on protective measures against the introduction into the Community of organisms harmful to plants or plant products and against their spread within the Community (OJ No. L26, 31.1.77, p.20), as amended (article 6).

Two minor corrections are also made (articles 5 and 7).
