The Offshore Installations and Wells (Design  
and Construction, etc.) Regulations 1996

PART II

INTEGRITY OF INSTALLATIONS

**Reporting of danger to an installation**

9.—(1) The duty holder shall ensure that, within 10 days after the appearance of evidence of a significant threat to the integrity of an installation, a report is made to the Executive in writing identifying such threat and specifying any action taken or to be taken to avert it.

(2) Paragraph (1) shall not apply to anything of which the Reporting of Injuries, Diseases and Dangerous Occurrences Regulations 1995<sup>(1)</sup> require a report to be made.
